**No More Mr Nice Guy** Robert Glover,2025-02-04 One of the best books I ve ever read on men s emotional health and development Mark Manson author of The Subtle Art of Not Giving a F ck and Models I have read every self help book out there but this was the first that put everything together in a way that made perfect sense to me Every page of my copy of No More Mr Nice Guy is highlighted in yellow How did you know me so well A Nice Guy according to Dr Robert Glover a pioneering expert on the Nice Guy Syndrome is a man who believes he is not okay just as he is He is convinced that he must become what he thinks others want him to be liked loved and get his needs met He also believes that he must hide anything about himself that might trigger a negative response in others The Nice Guy Syndrome typically begins in infancy and childhood when a young boy inaccurately internalizes emotional messages about himself and the world It is fueled by toxic shame and anxiety Rapid social change in the late 20th century and early 21st century has contributed to a worldwide explosion of men struggling to find happiness love and purpose The paradigm of the Nice Guy Syndrome is driven by three faulty covert contracts Nice Guys believe If I am good then I will be liked and loved If I meet other people s

needs without them having to ask then they will meet my needs without me having to ask If I do everything right then I will have a smooth problem free life The inauthentic and chameleon like approach to life causes Nice Guys to often feel frustrated confused and resentful Subsequently these men are often anything but nice Common Nice Guy patterns include giving to get difficulty setting boundaries dishonesty caretaking fixing codependency people pleasing conflict avoidance passive aggressiveness unsatisfying relationships issues with sexuality and compulsive masturbation and pornography use Since the publication of No More Mr Nice Guy in 2003 hundreds of thousands of men worldwide have learned how to release toxic shame soothe their anxiety face their fears connect with men embrace their passion and purpose and experience success in work and career These men have also learned to set boundaries handle conflict make their needs a priority develop satisfying relationships and experience great sex This process of recovery from the Nice Guy Syndrome allows men to move through Depression Social anxiety and shyness Codependency Low self esteem Loneliness and hopelessness Feelings of failure Lack of confidence and purpose Compulsive behaviors and addictions Feeling stuck in life Contrary to what the title might seem to imply No More Mr Nice Guy does not teach men how to be not nice Dr Glover shows men how to become what he calls Integrated Males Becoming integrated does not mean becoming different or better It means being able to accept all aspects of oneself An integrated male can embrace everything that makes him unique his power his assertiveness his humor his courage and his mission as well as his fears his imperfections his mistakes his rough edges and his dark side If you are ready to get what you want in love sex and life No More Mr Nice Guy will show you how      **Loveability** Robert Holden, Ph.D., 2014-06-02 Love is your destiny It is the purpose of your life It is the key to your happiness and to the evolution of the world Loveability is a meditation on love It addresses the most important thing you will ever learn All the happiness health and abundance you experience in life comes from your ability to love and be loved This ability is innate not acquired Robert Holden is the creator of a unique program on love called Loveability which he teaches worldwide He has helped thousands of people to transform their experience of love Love is the real work of your life says Robert As you release the blocks to love you flourish even more in your relationships work and life In Loveability Robert weaves a beautiful mix of timeless principles and helpful practices about the nature of true love With great intimacy and warmth he shares stories conversations meditations and poetry that have inspired him in his personal inquiry on love Key themes include Your destiny is not just to find love it is to be the most loving person you can be Self love is how you are meant to feel about yourself It is the key to loving others When you think something is missing in a relationship it is probably you Forgiveness helps you to see that love has never hurt you it is only your misperceptions of love that hurt The greatest influence you can have in any situation is to be the presence of love      Love Cathy Asunma, 2019-03-08 Love focus on PTSD and daily strategies and techniques for success It offers insight and enlightens people with PTSD It is a book of hope and inspiration      I Love Myself Shivani, 2013-06 When did we stop loving ourselves Throughout their lives women have been told to put others first and to

judge themselves based on what others think Too many women race desperately through life trying to please others Author Shivani once lived that life She became an engineer but that life didn't fulfil her To make matters worse she was in an unhappy relationship Despite a successful career and her work as an international keynote speaker Shivani like many women struggled with issues of self esteem and self love During a trip to Nepal Shivani realised that in order to know happiness she had to learn to put herself first Now a successful speaker author and mentor she seeks to inspire every woman who has endured low self esteem abuse betrayal and more Loving yourself is not a selfish act By investing in your own selfworth you can become a better mother partner grandmother businesswoman or employee By putting yourself first you can actually help others more effectively and joyfully Women who truly love themselves are a great benefit and gift to their families children employers and communities The relationship you have with yourself is the longest and most important relationship you will have in your life Are you ready to truly let go of your past Are you ready to truly believe in yourself Are you ready to evolve into the loving woman you've always wanted to be

**From Anxiety to Love** Corinne Zupko, 2018-01-18 Get Ready for Unstoppable Inner Peace Author Corinne Zupko undertook her study of psychology out of necessity when debilitating anxiety threatened to derail her life Seeking ways to do more than temporarily alleviate her symptoms Corinne began to study A Course in Miracles ACIM mindfulness meditation and the latest therapeutic approaches for treating anxiety In *From Anxiety to Love* she shares what she learned and gently guides you through the process helping you undo anxiety based thinking and fostering mindful shifts in your thoughts and

actions Whether struggling with everyday stress or near crippling discomfort you will find that Corinne s approach offers a new way of healing from rather than just coping with fear and anxiety     Avoidant Jeb Kinnison,2014-10-02 Jeb Kinnison s previous book on finding a good partner by understanding attachment types Bad Boyfriends Using Attachment Theory to Avoid Mr or Ms Wrong and Make You a Better Partner brought lots of readers to JebKinnison.com where the most asked about topic was how to deal with avoidant lovers and spouses There are many readers in troubled marriages now who are looking for help as well as people already invested in a relationship short of marriage who d like help deciding if they should stick with it People in relationships with Avoidants struggle with their lack of responsiveness and inability to tolerate real intimacy Relationships between an Avoidant and a partner of another attachment type are the largest group of unhappy relationships and people who love their partners and who may have started families and had children with an Avoidant will work very hard to try to make their relationships work better out of love for their partner and children as well as their own happiness The Avoidants in these relationships are more than likely unhappy with the situation as well retreating into their shells and feeling harassed for being asked to respond with positive feeling when they have little to give The other reason why so many people are looking for help on this topic is that it is an almost impossible problem Couples counsellors rarely have the time or knowledge to work with an Avoidant and will often advise the spouse to give up on a Dismissive especially whose lack of responsiveness looks like cruelty or contempt and sometimes it is Yet there is some hope though it may take years and require educating the Avoidant on the patterns of good couples communication if both partners want to change their patterns toward more secure and satisfying models it can be done How can you tell if your partner is avoidant Does your partner Seem not to care how you feel Frequently fail to respond to direct questions or text messages Accuse you of being too needy or codependent Talk of some past lover as ideal and compare you to them Act coldly toward your children and the needy Remind you that he or she would be fine without you Withhold sex or affection as punishment If that sounds familiar then your partner is likely avoidant At about 25% of the population Avoidants have shorter more troubled relationships and tend to divorce more frequently and divorce again if remarried What can be done Individual therapy for the motivated Avoidant can move their default attachment style toward security and to the extent that problems have been made worse by an overly clingy and demanding anxious preoccupied partner therapy can help there as well Partners who read and absorb the lessons of these books will have a head start on noticing and restraining themselves when they are slipping into an unsatisfying communications pattern and an intellectual understanding of the bad patterns is a step toward unlearning them Not all difficult Avoidants can be reformed that depends on both partners the depth of their problems and their motivation and ability to change over time But many troubled marriages and relationships can be greatly improved and the people in them can learn to be happier with even modest improvements in understanding how they can best communicate support for each other For those reading who have not read Bad Boyfriends or are less familiar with attachment types a

beefed up section on attachment theory and attachment types from Bad Boyfriends is included Regular readers of JebKinnison.com will find edited versions of some relevant material previously posted there
