Love Above The Reach Of Time:

The Ladies of Llangollen Fiona Brideoake, 2017-04-06 The Ladies of Llangollen is the first book length critical study of Lady Eleanor Butler and Miss Sarah Ponsonby whose 1778 elopement and five decades of retirement turned them into eighteenth century celebrities and pivotal figures in the historiography of female same sex desire Debates within the history of sexuality have long foundered over questions of what constitutes proof of past sexual desires and practices and the nature of Butler and Ponsonby s intimacy has been deemed inimical to productive critical consideration In this ground breaking study Fiona Brideoake attends to the archive of their shared life written performed and enacted in the vernacular of the everyday to argue that they embodied an early iteration of female celebrity in which their queerness registered less as the mark of some specified non normativity than as the effect of their very public very visible resistance to sexual legibility Throughout their lives and afterlives Butler and Ponsonby have been figured as chaste romantic friends prototypical lesbians Bluestockings Romantic domestic archetypes and proleptically feminist modernists The Ladies of Langollen demonstrates that this heterogeneous legacy discloses the queerness of their performatively instantiated identities *Love Above All* Juliet McCarthy, 2013-02-04 The last thing pediatrician Susan Ryan wants is to get involved with the arrogant test pilot Major Martin Bennett Forewarned about fighter pilots in general They look on women strictly as accessories preferably glamorous ones Their first love is flying and Martin in particular she nevertheless finds herself increasingly attracted to the man But a broken engagement has left her cautious and mistrustful of men and determined not to be just another statistic in the amorous pilot s log book *Sensuality Level Sensual* *Love Like That* Les Parrott, 2018-09-04 What can the Bible teach us about unconditional everlasting life changing love Join 1 New York Times bestselling author Dr Les Parrott as he shows us that we all deserve Love Like That In this authentic practical book Dr Parrott provides a simple plan to improve all of your relationships with spouses family friends coworkers and even strangers Dr Parrott takes proven findings from psychology and sociology and blends them with biblical teaching to reveal five transformative ways of relating to people demonstrated by Jesus himself In Love Like That Dr Parrott gives you the tools you need to love like Jesus because when you do You become less detached and more mindful You become less exclusive and more approachable You become less judgmental and more grace full You become less fearful and more bold You become less self absorbed and more self giving Dr Parrott teaches us that loving like Jesus can be a daily reality for anyone who chooses it Why Because this love isn t elusive It isn t pie in the sky It isn t out of reach or relegated to untouchable saints It s real Jesus gives us practical examples of how to love in extraordinary ways And you re likely closer to it than you know Praise for Love Like That From the first vulnerable sentence this heart felt message from Dr Parrott will compel you to not only be a better person it will show you exactly how you can do just that Dave Ramsey 1 bestselling author and radio host Refreshingly honest and incredibly practical This book is for everyone who wants to love like Jesus but never thought they could I ve personally benefited from this helpful book and you

will too Lysa TerKeurst president of Proverbs 31 Ministries and bestselling author of *Forgiving What You Can't Forget* With an incredible blend of contemporary social science and a deep understanding of Scripture Les Parrott's writing will help you see beyond what you may be tempted to settle for And he'll show you the way step by step to realizing the kinds of relationships we all long for Lee Strobel New York Times bestselling author of *The Case for Christ* [The poetical works of William Wordsworth](#), ed. with a critical memoir by W.M. Rossetti William [poetical works] Wordsworth,1871 [Love, Peace & Reach](#) Kirtish Suthar,Pragati Bhardwaj ,2021-10-28 The purpose of this book is to help you make better decisions in life based on what you truly desire and live a happy life No matter what you do you are always choosing you are constantly deciding and whether you agree or not wherever you are today is the result of choices you made including deciding not to do something I don't blame you we make the decisions based on the best information available to us at a given point and there is no guarantee that the information will remain valid for the time you need to live with that decision and that's where regret comes in life I wish I had this new information before or I wanted to check those details earlier How did I miss it So you will agree with me on this Making a decision purely based on facts and information available to you is not enough You need to add an x factor in this decision making process Something which will not change over time something which will remain consistent irrespective of the change in the information So here it is the x factor the three parameters I use when making any decision Love Peace Reach **The Poetical Works of William Wordsworth ...
