Love Amid The Turmoil The Civil War Letters Of William And Mary Verm

Rose Army

Love Amid The Turmoil The Civil War Letters Of William And Mary Verm:

Love Amid the Turmoil William Vermilion, Mary Vermilion, 2003-06-03 William Vermilion 1830 1894 served as a captain in Company F of the 36th Iowa Infantry from October 1862 until September 1865 Although he was a physician in Iconium in south central Iowa at the start of the war after it ended he became a noted lawyer in nearby Centerville he was also a state senator from 1869 to 1872 Mary Vermilion 1831 1883 was a schoolteacher who grew up in Indiana she and William married in 1858 In this volume historian Donald Elder provides a careful selection from the hundreds of supportive informative and heart wrenching letters that they wrote each other during the war the most complete collection of letters exchanged between a husband and a wife during the Civil War

Tarnished Victory William Marvel, 2011-11-15 A full and insightful account of the Civil War s final year from the award winning author of Lee s Last Retreat Publishers Weekly Beginning with the Virginia and Atlanta campaigns of May 1864 and closing with the final surrender of Confederate forces in June 1865 Tarnished Victory follows the course of the Civil War s final year As the death toll rises with each bloody battle the home front is devastated and the nation suffers incredible losses on both sides of the political divide Victory in the North required great sacrifice and here first rate scholar William Marvel considers what that sacrifice was worth in the aftermath of 1865 as Abraham Lincoln s political heirs failed to carry through on the occupation of the South resulting in a tarnished victory Booklist Just as he did in Mr Lincoln Goes to War Lincoln s Darkest Year and The Great Task Remaining the prize winning historian has drawn on personal letters newspaper articles of the time and official documents and records to create an illuminating work of revisionist history that ultimately considers the true cost of Lincoln s war *'Tis Not Our War* Paul Taylor, 2024-06-18 James McPherson s classic book *For Cause Comrades* explained why men fought in the Civil War and spurred countless other historians to ask and attempt to answer the same question But few have explored why men did not fight That s the question Paul Taylor answers in this groundbreaking Civil War history that examines the reasons why at least 60 percent of service eligible men in the North chose not to serve and why to some extent their communities allowed them to do so Did these other men not feel the same patriotic impulses as their fellow citizens who rushed to the enlistment office Did they not believe in the sanctity of the Union Was freeing men held in chains under chattel slavery not a righteous moral crusade And why did some soldiers come to regret their enlistment and try to leave the military *Tis Not Our War* answers these questions by focusing on the thoughts opinions and beliefs of average civilians and soldiers Taylor digs deep into primary sources newspapers diaries letters archival manuscripts military reports and published memoirs to paint a vivid and richly complex portrait of men who questioned military service in the Civil War and to show that the North was never as unified in support of the war as portrayed in much of America s collective memory This book adds to our understanding of the Civil War and the men who fought and did not fight in it

The Rifle Musket in Civil War Combat Earl J. Hess, 2016-07-11 The Civil War s single shot muzzle loading musket revolutionized warfare or so we ve been told for years

Noted historian Earl J Hess forcefully challenges that claim offering a new clear eyed and convincing assessment of the rifle musket s actual performance on the battlefield and its impact on the course of the Civil War Many contemporaries were impressed with the new weapon s increased range of 500 yards compared to the smoothbore musket s range of 100 yards and assumed that the rifle was a major factor in prolonging the Civil War Historians have also assumed that the weapon dramatically increased casualty rates made decisive victories rare and relegated cavalry and artillery to far lesser roles than they played in smoothbore battles Hess presents a completely new assessment of the rifle musket contending that its impact was much more limited than previously supposed and was confined primarily to marginal operations such as skirmishing and sniping He argues further that its potential to alter battle line operations was virtually nullified by inadequate training soldiers preference for short range firing and the difficulty of seeing the enemy at a distance He notes that bullets fired from the new musket followed a parabolic trajectory unlike those fired from smoothbores at mid range those rifle balls flew well above the enemy creating two killing zones between which troops could operate untouched He also presents the most complete discussion to date of the development of skirmishing and sniping in the Civil War Drawing upon the observations and reflections of the soldiers themselves Hess offers the most compelling argument yet made regarding the actual use of the rifle musket and its influence on Civil War combat Engagingly written and meticulously researched his book will be of special interest to Civil War scholars buffs re enactors and gun enthusiasts alike Midnight in America Jonathan W.

White,2017-02-02 The Civil War brought many forms of upheaval to America not only in waking hours but also in the dark of night Sleeplessness plagued the Union and Confederate armies and dreams of war glided through the minds of Americans in both the North and South Sometimes their nightly visions brought the horrors of the conflict vividly to life But for others nighttime was an escape from the hard realities of life and death in wartime In this innovative new study Jonathan W White explores what dreams meant to Civil War era Americans and what their dreams reveal about their experiences during the war He shows how Americans grappled with their fears desires and struggles while they slept and how their dreams helped them make sense of the confusion despair and loneliness that engulfed them White takes readers into the deepest darkest and most intimate places of the Civil War connecting the emotional experiences of soldiers and civilians to the broader history of the conflict confirming what poets have known for centuries there are some truths that are only revealed in the world of darkness Horace Greeley James M. Lundberg,2019-11-19 A lively portrait of Horace Greeley one of the nineteenth century s most fascinating public figures The founder and editor of the New York Tribune Horace Greeley was the most significant and polarizing American journalist of the nineteenth century To the farmers and tradesmen of the rural North the Tribune was akin to holy writ To just about everyone else Democrats southerners and a good many Whig and Republican political allies Greeley was a shape shifting menace an abolitionist fanatic a disappointing conservative a terrible liar a power hungry megalomaniac In Horace Greeley James M Lundberg revisits this long misunderstood figure known

mostly for his wild inconsistencies and irrepressible political ambitions Charting Greeley's rise and eventual fall Lundberg mines an extensive newspaper archive to place Greeley and his Tribune at the center of the struggle to realize an elusive American national consensus in a tumultuous age Emerging from the jangling culture and politics of Jacksonian America Lundberg writes Greeley sought to define a mode of journalism that could uplift the citizenry and unite the nation But in the decades before the Civil War he found slavery and the crisis of American expansion standing in the way of his vision Speaking for the anti slavery North and emerging Republican Party Greeley rose to the height of his powers in the 1850s but as a voice of sectional conflict not national unity By turns a war hawk and peace seeker champion of emancipation and sentimental reconciliationist Greeley never quite had the measure of the world wrought by the Civil War His 1872 run for president on a platform of reunion and amnesty toward the South made him a laughingstock albeit one who ultimately laid the groundwork for national reconciliation and the betrayal of the Civil War's emancipatory promise Lively and engaging Lundberg reanimates this towering figure for modern readers Tracing Greeley's twists and turns this book tells a larger story about print politics and the failures of American nationalism in the nineteenth century **The Civil War** Paul A.

Cimbala,2008-04-30 Presents a picture of the Civil War soldier's life Includes how the men who signed up with the Union and the Confederacy fought their way through the bloody U S fields how they adjusted to peace often badly wounded and scarred and how they remembered their experiences Women in the American Civil War Lisa . Tendrich Frank,2007-12-03 This

fascinating work tells the untold story of the role of women in the Civil War from battlefield to home front Most Americans can name famous generals and notable battles from the Civil War With rare exception they know neither the women of that war nor their part in it Yet as this encyclopedia demonstrates women played a critical role The book's 400 A Z entries focus on specific people organizations issues and battles and a dozen contextual essays provide detailed information about the social political and family issues that shaped women's lives during the Civil War era Women in the American Civil War satisfies a growing interest in this topic Readers will learn how the Civil War became a vehicle for expanding the role of women in society Representing the work of more than 100 scholars this book treats in depth all aspects of the previously untold story of women in the Civil War **Forthcoming Books** Rose Army,2003-04 The Northern Home Front during the Civil War

Paul A. Cimbala,Randall M. Miller,2017-02-16 This book comprehensively covers the wide geographical range of the northern home fronts during the Civil War emphasizing the diverse ways people interpreted responded to and adapted to war by their ideas interests and actions The Northern Home Front during the Civil War provides the first extensive treatment of the northern home front mobilizing for war in two decades It collates a vast and growing scholarship on the many aspects of a citizenship organizing for and against war The text focuses attention on the roles of women blacks immigrants and other individuals who typically fall outside of scrutiny in studies of American war making society and provides new information on subjects such as raising money for war civil liberties in wartime the role of returning soldiers in

society religion relief work popular culture and building support for the cause of the Union and freedom Organized topically the book covers the geographic breadth of the diverse northern home fronts during the Civil War The chapters supply self contained studies of specific aspects of life work relief home life religion and political affairs to name only a few This clearly written and immensely readable book reveals the key moments and gradual developments over time that influenced northerners understanding of participation in and reactions to the costs and promise of a great civil war America, History and Life ,2004 Article abstracts and citations of reviews and dissertations covering the United States and Canada **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **The Costs of War** John V. Denson,1999 The greatest accomplishment of Western civilization is arguably the achievement of individual liberty through limits on the power of the state In the war torn twentieth century we rarely hear that one of the main costs of armed conflict is long term loss of liberty to winners and losers alike Beyond the obvious and direct costs of dead and wounded soldiers there is the lifetime struggle of veterans to live with their nightmares and their injuries the hidden economic costs of inflation debts and taxes and more generally the damages caused to our culture our morality and to civilization at large The new edition is now available in paperback with a number of new essays It represents a large scale collective effort to pierce the veils of myth and propaganda to reveal the true costs of war above all the cost to liberty Central to this volume are the views of Ludwig von Mises on war and foreign policy Mises argued that war along with colonialism and imperialism is the greatest enemy of freedom and prosperity and that peace throughout the world cannot be achieved until the central governments of the major nations become limited in scope and power In the spirit of these theorems by Mises the contributors to this volume consider the costs of war generally and assess specific corrosive effects of major American wars since the Revolution The first section includes chapters on the theoretical and institutional dimensions of the relationship between war and society including conscription infringements on freedom the military as an engine of social change war and literature and the right of citizens to bear arms The second group includes reconsiderations of Lincoln and Churchill an analysis of the anti interventionist idea in American politics a discussion of the meaning of the just war an assessment of how World War I changed the course of Western civilization and finally two eyewitness accounts of the true horrors of actual combat by veterans of World War II The Costs of War is unique in its combination of historical scope and timeliness for current debates about foreign policy and military intervention It will be of interest to historians political scientists economists and sociologists *The Purpose of Power* Alicia Garza,2020-10-20 An essential guide to building transformative movements to address the challenges of our time from one of the country s leading organizers and a co creator of Black Lives Matter Excellent and provocative a gateway to urgent debates Keeanga Yamahtta Taylor The New Yorker NAMED ONE OF THE BEST BOOK OF THE YEAR BY Time Marie Claire Kirkus Reviews In 2013 Alicia Garza wrote what she called a love letter to Black people on Facebook in the aftermath of the acquittal of the man who murdered seventeen year old Trayvon Martin Garza wrote Black people I love you I

love us Our lives matter With the speed and networking capacities of social media BlackLivesMatter became the hashtag heard round the world But Garza knew even then that hashtags don't start movements people do Long before BlackLivesMatter became a rallying cry for this generation Garza had spent the better part of two decades learning and unlearning some hard lessons about organizing The lessons she offers are different from the rules for radicals that animated earlier generations of activists and diverge from the charismatic patriarchal model of the American civil rights movement She reflects instead on how making room amongst the woke for those who are still awakening can inspire and activate more people to fight for the world we all deserve This is the story of one woman's lessons through years of bringing people together to create change Most of all it is a new paradigm for change for a new generation of changemakers from the mind and heart behind one of the most important movements of our time *In the Shadow of Jezebel (Treasures of His Love Book #4)* Mesu Andrews,2014-03-04 Princess Jehosheba wants nothing more than to please the harsh and demanding Queen Athaliah daughter of the notorious Queen Jezebel Her work as a priestess in the temple of Baal seems to do the trick But when a mysterious letter from the dead prophet Elijah predicts doom for the royal household Jehosheba realizes that the dark arts she practices reach beyond the realm of earthly governments To further Athaliah and Jezebel's strategies she is forced to marry Yahweh's high priest and enters the unfamiliar world of Yahweh's temple Can her new husband show her the truth and love she craves And can Jehosheba overcome her fear and save the family and the nation she loves With deft skill Mesu Andrews brings Old Testament passages to life revealing a fascinating story of the power of unconditional love *Boston Riots* Jack Tager,2001 The fascinating story of Boston's violent past is told for the first time in this history of the city's riots from the food shortage uprisings in the 18th century to the anti busing riots of the 20th century [A Compendium of the War of the Rebellion: Regimental histories](#) Frederick Henry Dyer,1959 For contents see Author Catalog **Dixie After the War** Myrta Lockett Avary,2022-07-31 DigiCat Publishing presents to you this special edition of Dixie After the War An Exposition of Social Conditions Existing in the South During the Twelve Years Succeeding the Fall of Richmond by Myrta Lockett Avary DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature *A Patriot's History of the United States* Larry Schweikart,Michael Allen,2007 Argues against educational practices that teach students to be ashamed of American history offering a history of the United States that highlights the country's virtues while placing its darker periods in political and historical context **A History of the American People** Paul Johnson,1998-02-17 The creation of the United States of America is the greatest of all human adventures begins Paul Johnson's remarkable new American history No other national story holds such tremendous lessons for the American people themselves and for the rest of mankind Johnson's history is a reinterpretation of American history from the first settlements to the Clinton administration

It covers every aspect of U S history politics business and economics art literature and science society and customs complex traditions and religious beliefs The story is told in terms of the men and women who shaped and led the nation and the ordinary people who collectively created its unique character Wherever possible letters diaries and recorded conversations are used to ensure a sense of actuality The book has new and often trenchant things to say about every aspect and period of America s past says Johnson and I do not seek as some historians do to conceal my opinions Johnson s history presents John Winthrop Roger Williams Anne Hutchinson Cotton Mather Franklin Tom Paine Washington Adams Jefferson Hamilton and Madison from a fresh perspective It emphasizes the role of religion in American history and how early America was linked to England s history and culture and includes incisive portraits of Andrew Jackson Chief Justice Marshall Clay Lincoln and Jefferson Davis Johnson shows how Grover Cleveland and Teddy Roosevelt ushered in the age of big business and industry and how Woodrow Wilson revolutionized the government s role He offers new views of Harding Coolidge and Hoover and of Franklin Roosevelt s New Deal and his role as commander in chief during World War II An examination of the unforeseen greatness of Harry Truman and reassessments of Eisenhower Kennedy Johnson Nixon Reagan and Bush follow Compulsively readable said Foreign Affairs of Johnson s unique narrative skills and sharp profiles of people This is an in depth portrait of a great people from their fragile origins through their struggles for independence and nationhood their heroic efforts and sacrifices to deal with the organic sin of slavery and the preservation of the Union to its explosive economic growth and emergence as a world power and its sole superpower Johnson discusses such contemporary topics as the politics of racism education Vietnam the power of the press political correctness the growth of litigation and the rising influence of women He sees Americans as a problem solving people and the story of America as essentially one of difficulties being overcome by intelligence and skill by faith and strength of purpose by courage and persistence Looking back on its past and forward to its future the auguries are that it will not disappoint humanity This challenging narrative and interpretation of American history by the author of many distinguished historical works is sometimes controversial and always provocative Johnson s views of individuals events themes and issues are original critical and admiring for he is above all a strong believer in the history and the destiny of the American people

This is likewise one of the factors by obtaining the soft documents of this **Love Amid The Turmoil The Civil War Letters Of William And Mary Verm** by online.
