Love Among The Guilty:

God's Love Affair with the Guilty J. W. Lehman, 2014-05-30 Guilt is a major problem in the world today even among Christians Much guilt is the result of a misunderstanding of God's true character of love In this world we come to expect punishment when we do wrong things In order to avoid punishment and guilt from unacceptable behavior many people will lie excuse deny and fall victim to depression This book reveals to those bearing a heavy burden of guilt a loving Savior who knew the fallen condition of mankind before He came to this earth to lay down His life as a ransom for guilty sinners If we view the law of God simply as a set of rules that if broken will condemn us in the judgment we easily fall into a form of guilt that can leave us devastated This book presents the law of God in a light that draws the guilty to a God who loves sinners so much that He gave us the Ten Commandments not as something restrictive but as wedding vows between Himself and His bride the church We can only remain on a continuous guilt trip if we do not understand that Christ has already taken our sins and guilt upon Himself when He died on the cross The penalty for our sins has been exhausted by His death burial and resurrection God does not treat weak erring sinners as they deserve but with a grace that is greater than all our sins **The Guilty One** Sophie Littlefield, 2015-08-11 Shattered by her daughter's murder at the hands of a boyfriend Maris walks away from her pampered Bay Area life when she receives a call from the killer's father who informs her that he will commit suicide at her command **PRESUMED GUILTY** Tess Gerritsen, 2015-05-18 A fan favorite novel by internationally bestselling author Tess Gerritsen Miranda Wood thinks she has seen the last of Richard Tremain her rich and married ex lover until she discovers him stabbed to death in her bed With her knife Miranda is the obvious suspect and she looks even guiltier when her bail is posted by an anonymous donor Was this an act of kindness designed to buy her time to clear her name Or is someone trying to manipulate Miranda and draw her into the dark and secret world of a murdered man where everybody's presumed guilty With her world falling around her Miranda is determined to discover who killed Richard But proving her innocence may become secondary to staying alive **The Guilty** Jason Pinter, 2016-08-15 Book 2 of the Henry Parker series by bestselling thriller author Jason Pinter As I lie in bed with Amanda ignoring another late night call from my ex a shot rings out in the New York night and a beautiful starlet dies outside the city's most popular nightclub This is the kind of story I was born to chase but I never dreamed this story began over a hundred years ago Suddenly another life is taken the bullet fired from one of the deadliest guns ever made Both victims are highly controversial their murders more like public executions My search leads me into the twisted world of The Boy a world defined by a demented code of honor and shocking long buried secrets of the world's most infamous outlaw When this assassin realizes I'm getting too close to the truth uncovering the past could jeopardize everything I care about Because in his world there's a fine line between good and evil and the difference between innocence and guilt depends on who's holding the gun An author who dares to take the traditional thriller in bold new directions New York Times bestselling author Tess Gerritsen Jason Pinter knows what he's doing The Fury rocks READ
