*Hearers and Doers* Kevin J. Vanhoozer, 2019-05-15 The foundation of discipleship is sound scriptural doctrine The value of sound doctrine is often misunderstood by the modern church While it can be dry and dull when it flows from the story of Scripture it can be full of life and love This kind of doctrine steeped in Scripture is critical for disciple making And it s often overlooked by modern pastors In *Hearers and Doers* Kevin Vanhoozer makes the case that pastors as pastor theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples scriptural doctrine is vital to the life of the church and local pastor theologians should be the ones delivering it to their communities With arresting prose and striking metaphors Vanhoozer addresses the most pressing problems in the modern church with one answer teach sound scriptural doctrine to make disciples Who Shall Ascend the Mountain of the Lord? **Jesus on Trial** David Limbaugh, 2014-11-17 In *Jesus on Trial* New York Times bestselling author David Limbaugh applies his lifetime of legal experience to a unique new undertaking making a case for the gospels as hard evidence of the life and work of Jesus Christ Limbaugh a practicing attorney and former professor of law approaches the canonical gospels with the same level of scrutiny he would apply to any legal document and asks all the necessary questions about the story of Jesus told through Matthew Mark Luke and John His analysis of the texts becomes profoundly personal as he reflects on his own spiritual and intellectual odyssey from determined skeptic to devout Christian Ultimately Limbaugh concludes that the words Christians have treasured for centuries stand up to his exhaustive enquiry including his examination of historical and religious evidence beyond the gospels and thereby affirms Christian faith spirituality and tradition

**The Final Days of Jesus** Andreas J. Köstenberger, Justin Taylor, 2014 Combining a chronological arrangement of the biblical text with insightful commentary this book serves as a day by day guide to Jesus's final week on earth complete

with a quick reference glossary and color maps      **We Are Beloved** Kristen E. Vincent, 2019-10-01 Christians often have the head knowledge that we are beloved but deep in our hearts do we truly believe it When we encounter Jesus in scripture we tend to hear Jesus words with judgment thinking we cannot be beloved because we will never measure up to God's standards Author Kristen Vincent takes us on a journey alongside Jesus that helps break this false understanding and allows us to discover how deeply beloved we are This 6 week Lenten journey follows stories of Jesus experience of God's love The incarnate Son of God was made fully human which means that Jesus had to fully mature in strength and wisdom to learn that he was beloved Just as Jesus learned of his belovedness we too can cultivate the wisdom and knowledge that we are deeply loved Each week begins with a scripture passage a weekly devotion reflection questions an optional prayer bead experience and a listening meditation A Leader's Guide for small group study is also included Be transformed by God's love this Lenten season      **A War of Loves** David Bennett, 2018-11-13 At 14 David Bennett came out to his parents At 19 he encountered Jesus Christ At that moment his life changed forever As a young gay man David Bennett saw Christianity as an enemy to freedom for LGBTQI people and his early experiences with prejudice and homophobia led him to become a gay activist But when Jesus came into his life in a highly unexpected way he was led down a path he never would have predicted or imagined In *A War of Loves* David recounts his dramatic story from his early years exploring new age religions and French existentialism to his university experiences as an activist Following supernatural encounters with God he embarked on a journey not only of seeking to reconcile his faith and sexuality but also of discovering the higher call of Jesus Christ *A War of Loves* investigates what the Bible teaches about sexuality and demonstrates the profligate unqualified grace of God for all people David describes the joy and intimacy he found in following Jesus Christ and how love has taken on a radically new and far richer meaning for him      *Meeting Jesus on the Road to Emmaus* Dennis J. Billy CSsR, 2023-11-30 Luke's account of the two disciples on the road to Emmaus has an amazing power to inspire us today just as it has given life to every generation of Christians How do we understand that encounter on the road and how can we be open to its message How can it help us deepen our prayer life and understanding of Scripture so that we can grow closer to Jesus How can it help us open our eyes to our liturgical encounter with Jesus and to all the ways he reveals himself to us each day Finally how might meeting Jesus on the road to Emmaus energize us to share Jesus message with other believers and with the world Here in this insightful and prayer provoking new book Father Dennis Billy invites us to join the two disciples on the way to Emmaus and experience for ourselves the power of the Risen Lord Meeting Jesus on the Road to Emmaus will lead you to a greater awareness of how Jesus accompanies you in every moment of your life It is an excellent companion to guide us all on the path of true and vibrant discipleship      **The Life of Our Lord Upon the Earth Considered in Its Historical, Chronological, and Geographical Relations** Samuel James Andrews, 1863      [Reading the Bible with Rabbi Jesus](#) Lois Tverberg, 2018-01-02 What would it be like for modern readers to sit down beside Jesus as he explained the Bible to them What life changing

insights might emerge from such a transformative encounter Lois Tverberg knows the treasures that await readers willing to learn how to read the Bible through Jewish eyes By helping them understand the Bible as Jesus and his first century listeners would have she bridges the gaps of time and culture in order to open the Bible to readers today Combining careful research with engaging prose Tverberg leads us on a journey back in time to shed light on how this Middle Eastern people approached life God and each other She explains age old imagery that we often misinterpret allowing us to approach God and the stories and teachings of Scripture with new eyes By helping readers grasp the perspective of its original audience she equips them to read the Bible in ways that will enrich their lives and deepen their understanding

Tales Told on the Road to Emmaus  
John E Kerrigan, Landon McCord Moore, III, Sean D Sammon Fms, 2021-09-21

Many people in the US today are searching for meaning longing for a spiritual home Unfortunately in ever increasing numbers they fail to find either in our churches In 1970 for example only one in twenty Americans responded none when asked about their religious affiliation today that number is closer to one in three During the same period the percentage of Americans who stated that they never attend religious services has increased from nine to 30 percent Some blame secularization for the steady decline in Church affiliation others point to the rise of individualism Still others express frustration with the structure and politics of organized religion They judge it to be more concerned with money status and influence than with the gospel of Jesus Christ In recent years the terms the nones, dones and seekers have been used to describe those who find themselves alienated from traditional faith communities Members of the first group have no religious affiliation those in the second once active in a Church report that their spiritual needs are no longer being met there those in the third group have not given up completely on organized religion What has been the reaction of many mainstream churches to this growing phenomenon Some have been at a loss as how to respond others have failed to understand the deep sense of alienation experienced by so many still others appear reluctant to take action to connect us all with the heartbeat and message of a God who loves us profoundly Rarely have the nones, dones and seekers heard a church minister say I get it I see it I've been there We offer the reflections found in this book not only for those involved in Church life but also to help build a bridge between those alienated from organized religion and those of us involved in ministry within at least two of its denominations The book is made up of a series of reflections Many address challenges that are facing our world today greater self understanding trust love a generous outreach to others the need for prophetic leadership and greater care for the human community Painful topics are also considered racism exclusion poverty sexual violence the plague of COVID 19 as well as its devastating effects on the lives of so many The reflections in this book have their origin in sermons and homilies given as part of Church services on retreats and during the celebration of life events such as baptisms weddings the commemoration of those who have died The book's title has its origin in Luke's account of two disciples on the road to Emmaus Its details are familiar confused and demoralized Cleopas and a companion are walking on the way to Emmaus when a stranger joins them They are amazed that

he appears ignorant of recent events in Jerusalem as well as the crucifixion of Jesus They share their hopes now dashed that he might have been the Promised One Slowly and steadily the stranger explains the scriptures to them shares the stories makes sense of the tales They press him to join them for dinner and to stay the night at an inn It is in the breaking of the bread during dinner that they come to realize just who he is It is the Lord We hope that this book will appeal to readers who long to deepen their experience of God as well as to those who continue to search for a spiritual home May it serve as a guide for us all as we seek to find the place of faith in our lives as well as for those of us who are eager to transform our religious institutions into the harbors of hope that they can and must be     **The Passion of Love** Ellen G. White,2004     **Parable**

**and Paradox** Malcolm Guite,2016-05-12 Since the publication of the bestselling *Sounding the Seasons* Malcolm Guite has repeatedly been asked for more sonnets This new collection offers a sequence of 50 sonnets that focus on many passages in the Gospels the Beatitudes parables and miracles teachings on the Kingdom and the hard sayings Jesus challenging demands with which we wrestle In addition this collection includes A sequence of five sonnets on *The Wilderness* exploring mysterious stories of divine encounter such as Jacob s wrestling with the angel Poetic reflections on music hospitality and ecology Seven short poems celebrating the days of creation A biblical index pairing the poems with scripture readings for use in worship

*Counterfeit Gospels* Trevin Wax,2011 *Counterfeit Gospels* exposes six common versions of the good news that fail to do justice to the biblical portrait and thus leave us impoverished rather than empowered for ministry
