Love At First Site A Novel:

Love and First Sight Josh Sundquist, 2017-01-03 In his debut novel YouTube personality and author of *We Should Hang Out Sometime* Josh Sundquist explores the nature of love trust and romantic attraction On his first day at a new school blind sixteen year old Will Porter accidentally groped a girl on the stairs sat on another student in the cafeteria and somehow drove a classmate to tears High school can only go up from here right As Will starts to find his footing he develops a crush on a charming quiet girl named Cecily Then an unprecedented opportunity arises an experimental surgery that could give Will eyesight for the first time in his life But learning to see is more difficult than Will ever imagined and he soon discovers that the sighted world has been keeping secrets It turns out Cecily doesn't meet traditional definitions of beauty in fact everything he'd heard about her appearance was a lie engineered by their so called friends to get the two of them together Does it matter what Cecily looks like No not really But then why does Will feel so betrayed Told with humor and breathtaking poignancy *Love and First Sight* is a story about how we relate to each other and the world around us **Love at First Sight** Wislawa Szymborska, 2022-11-08 A poem by the winner of the Nobel Prize for Literature illustrated for readers of all ages that will challenge assumptions about falling in love They're both convinced that a sudden passion joined them Such certainty is beautiful but uncertainty is more beautiful still *Love at First Sight* is a poem about love and chance and destiny by the 1996 Polish winner of the Nobel Prize for Literature Illustrated by Italian artist Beatrice Gasca Queirazza Szymborska's poem comes to life in entirely new ways for her readers and for lovers everywhere in this oversized book perfect for gift giving Szymborska tells of two young lovers bound together in an instant or were they As the poem unfolds the reader's assumptions like those of the lovers themselves about certainty and destiny are utterly upended revealing the paradox and mystery of fate Here is randomness tricks of memory and chance where noticing the smallest details of our intertwined lives is more essential than asking Are we meant for each other Every beginning is only a sequel after all **Love at First Sight** Kelly Elliott, 2019-08-09 *Love at first sight* That's what it was when Rip Myers came up to me in kindergarten From that point on we were inseparable best friends When I work up the courage to tell Rip that I love him I am met with rejection He tells me he treasures our friendship too much That statement might as well be a knife to my heart I want to hold out hope that he'll change his mind Instead he moves on The only choice I have is to pretend that doesn't slay me So I say yes to the man I love But he isn't the man I've been in love with nearly my entire life **At First Sight** Nicholas Sparks, 2005-10-01 In this 1 New York Times bestselling follow up to *True Believer* a young couple's love faces the ultimate test when the past disrupts the life and family they've built together There are a few things Jeremy Marsh was sure he'd never do he'd never leave New York City never give his heart away again after barely surviving one failed marriage and most of all never become a parent Now Jeremy is living in the tiny town of Boone Creek North Carolina married to Lexie Darnell the love of his life and anticipating the birth of their daughter But just as his life seems to be settling into a blissful pattern an unsettling and mysterious

message re opens old wounds and sets off a chain of events that will forever change the course of this young couple's marriage Dramatic heartbreaking and surprising this is a story about the love between a man and a woman and between a parent and a child More than that it is a story that beautifully portrays how the same emotion that can break your heart is also the one that will ultimately heal it While the novel picks up the tale of Lexie Darnell and Jeremy Marsh that started in True Believer and will delight fans of that novel it stands on its own as one of Nicholas Sparks's most deeply moving love stories
