Elena Kaufman, 2017-01-31 *Love Bites* is a collection of thirteen stories set in Europe and North America. They trace foreigners, drifters, and eccentrics linked by their need for acknowledgment and belonging. How do these characters survive physically and psychologically on unfamiliar ground, whether as tourists or strangers in new cities or in new situations which jolt them out of the security of the familiar? Recurring themes are of isolation, loss, and a desire for connection when strangers reach out to other strangers for stability. A mysterious older woman and an alienated foreigner lost on a crowded London street bond in their search for home. A single woman consults a soothsayer in London about family problems before he lures her into his own conflict. An acting student steps into a dusty music hall past when she auditions for the star maker. A former life model and her overgrown son prey on a Canadian tourist in a Parisian garden. Interconnected scenes in Montreal, Paris, and Toronto are linked by bizarre accidents and those who witness them. An elementary school boy fascinated by his elderly neighbor adopts the Candyman as an absent father. A woman left by her partner in Paris wakes up with a phantom appendage and wanders Paris as a hermaphrodite. A honeymooning couple marooned on a remote Hawaiian island is forced to strip for their survival. An expat escapes into a new life in Paris until her ex-boyfriend reappears, reminding her of the impact of loss. An elderly woman suffering from dementia is nearly eaten to death by her beloved pets running rampant in her home. *Love Bites* reveals a kaleidoscope of human experience wherein the reader is enticed into tales of everyday exiles, witnesses, and saviors. Despite emotional or geographical displacement, the characters in this collection all have one thing in common: their need to find home.

Vampyres of Hollywood Adrienne Barbeau, Michael Scott, 2008-07-08 Hollywood, California. Three gruesome deaths within two weeks, and every one of them a major star: an Oscar winner, an ingénue, and an action hero. A serial killer is working through the Hollywood A-list, and celebrities are running scared. Each crime scene is worthy of a classic horror movie, and all three victims share a connection to the powerful scream queen Ovsanna Moore. The stunning and formidable Moore is the legendary head of a Hollywood studio, as well as the writer and star of seventeen blockbuster horror films, and a few that went straight to DVD. She's also a 500-year-old vampyre, but this is Hollywood, after all, and no one ever looks their age. Beverly Hills Police Detective Peter King knows a lot about the City of Angels, but he certainly doesn't know that most of the famous actors in town are actually an established network of vampires. Or that secretive and seductive Ovsanna Moore happens to be their CEO. Moore and King may be from opposite sides of the Hollywood Hills, but both have something to gain by stopping the killer who the tabloids have dubbed the Cinema Slayer. Ovsanna must protect her vampire legacy and her production schedule, while King just wants to keep his Beverly Hills beat as blood-free as possible. But when the horror queen and the cop with the movie star look form an unholy alliance, sparks fly, and so do the creatures of the night. Film, television, and Broadway star Adrienne Barbeau and New York Times bestselling author Michael Scott have teamed up to deliver this sexy, scary, and deliciously clever novel full of Hollywood glamour, behind-the-scenes secrets, and the truly bloodthirsty reality of Tinseltown. So grab some popcorn and some holy water and lose yourself in the high-stakes back
