ATOM Ravi M. Shah, 2020-07-29 There is a man who after an unfortunate event underwent a phase when he was waiting only either to be dead or to be rescued He had to kill the time but with something sweet he closed his eyes and remembered those moments of his life he lived One by one pictures flashed in front of the mind's eyes and all he could do was to witness silently He was rescued and his life took a U turn Back in his world questioned his love ones about incidents in their lives those affected them the most He meant the incidents they wouldn't stop thinking about come what may He gave his ears to all of it In the end he got a handful of them to hold on to and called it Life an ATOM in itself and thus the book All Those Ossum moments The world's private stories are always the hidden beautiful treasures in one's life but through the

stories he realized those were still as much public as there is something common we all can share in the stories Not all but often we remember moments we felt we had experienced the extremes of Love Hate Hugs and Kisses Love is also an emotion that makes you the most vulnerable and melts you exactly the same as does revenge in one's life Interfaces of Performance Maria Chatzichristodoulou, Janis Jefferies, 2016-05-23 This collection of essays and interviews investigates current practices that expand our understanding and experience of performance through the use of state of the art technologies It brings together leading practitioners writers and curators who explore the intersections between theatre performance and digital technologies challenging expectations and furthering discourse across the disciplines As technologies become increasingly integrated into theatre and performance Interfaces of Performance revisits key elements of performance practice in order to investigate emergent paradigms To do this five concepts integral to the core of all performance are foregrounded namely environments bodies audiences politics of practice and affect The thematic structure of the volume has been designed to extend current discourse in the field that is often led by formalist analysis focusing on technology per se The proposed approach intends to unpack conceptual elements of performance practice investigating the strategic use of a diverse spectrum of technologies as a means to artistic ends The focus is on the ideas objectives and concerns of the artists who integrate technologies into their work In so doing these inquisitive practitioners research new dramaturgies and methodologies in order to create innovative experiences for and encounters with their audiences
