**Love Unexpected** Louise Bay, 2022-08-08 Blake When the fierce redhead with the beautiful ass walks into the local bar I can tell she's passing through. And I'm looking for distraction while I'm in town. A hot hook up and nothing more before I head back to the city. If she has secrets I don't want to know them. If she feels good underneath me I don't want to think about it too hard. If she's my future I don't want to see it. I'm Blake McKenna and I'm about to teach this Boston socialite how to forget every man who came before me. Mackenzie When the future I had always imagined crumbles before my very eyes I grab my two best friends and take a much needed vacation to the country. My plan of swearing off men gets railroaded when on my first night of my vacation I meet the hottest guy on the planet. I decide he could be the distraction I might just need. I'm certainly not going to reveal my deepest secrets to him as we steal away each night hoping no one will notice. And the last thing I'm going to do is fall in love for the first time in my life. My name is Mackenzie Locke and I haven't got a handle on men. Not even a little bit. Not until Blake. Previously titled *Love Rehab* A standalone contemporary romance.
