with love and light Seeing Gray in a World of Black and White Adam Hamilton, 2008 Everyone agrees that America is polarized with ever hardening positions held by people less and less willing to listen to one another No one agrees on what to do about it One solution that hasn't yet been tried says Adam Hamilton is for thinking persons of faith to model for the rest of the country a richer more thoughtful conversation on the political moral and religious issues that divide us Hamilton rejects the easy assumptions and sloppy analysis of black and white thinking seeking instead the truth that resides on all sides of the issues and offering a faithful and compassionate way forward He writes I don't expect you to agree with everything I've written I expect that in the future even I won't agree with everything I've written here The point is not to get you to agree with me but to encourage you to think about what you believe In the end I will be inviting those of you who find this book resonates with what you feel is true to join the movement to pursue a middle way between the left and the right to make your voices heard and to model for our nation and for the church how we can listen learn see truth as multi-sided and love those with whom we disagree Read more about this title Adam Hamilton's Seeing Gray Blog Now available Seeing Gray in a World of Black and White DVD UPC 843504001902 A five session video resource featuring Adam Hamilton teaching these concepts on DVD for group or individual study Includes leader's guide as well as bonus video Click below to view a preview of each video session Where Faith and Politics Meet Christ Christians and the Culture Wars How should we live The Ethics of Jesus Spiritual Maturity and Seeing Gray What Would Jesus Say to America **Seattle in Black and White** Joan Singler, Jean C. Durning, Bettylou Valentine, Martha (Maid) J. Adams, 2011-10-17 Seattle was a very different city in 1960 than it is today There were no black bus drivers sales clerks or bank tellers Black children rarely attended the same schools as white children And few black people lived outside of the Central District In 1960 Seattle was effectively a segregated town Energized by the national civil rights movement an interracial group of Seattle residents joined together to form the Seattle chapter of the Congress of Racial Equality CORE Operational from 1961 through 1968 CORE had a brief but powerful effect on Seattle The chapter began by challenging one of the more blatant forms of discrimination in the city local supermarkets Located within the black community and dependent on black customers these supermarkets refused to hire black employees CORE took the supermarkets to task by organizing hundreds of volunteers into shifts of continuous picketers until stores desegregated their staffs From this initial effort CORE in partnership with the NAACP and other groups launched campaigns to increase employment and housing opportunities for black Seattleites and to address racial inequalities in Seattle public schools The members of Seattle CORE were committed to transforming Seattle into a more integrated and just society Seattle was one of more than one hundred cities to support an active CORE chapter Seattle in Black and White tells the local Seattle story about this national movement Authored by four active members of Seattle CORE this book not only recounts the actions of Seattle CORE but through their memories also captures the emotion and intensity of this pivotal and highly charged time in America's history A V Ethel Willis White Book For more information visit <http://seattleinblackandwhite.org>
