

The background of the book cover features a romantic scene of a man and a woman in a white shirt and blue dress embracing and kissing. They are positioned in the upper half of the frame. Below them, a large, dark wooden barn with a red roof is visible, set against a dramatic sunset sky with orange and red hues. A dirt road leads towards the barn in the foreground.

Love In Hiding:

Hiding from Love John Townsend,1996 The author helps readers explore and identify the hiding patterns they have developed and guides them toward the healing grace and truth that God has built into safe connected relationships with Himself and others Love in Hiding Barbara Cartland,1959 **Love in Hiding** Leesa Mason,2023-03 Ali Life is complicated Boyfriends date me to get closer to my dad and manuscripts fail to write themselves So when my best friend invites me to a remote Caribbean resort I jump on the next plane Finch is the only one I trust with my secrets with my identity and relaxing with him is the only time I can truly be myself That is if his over protective and completely off limits older brother doesn't show up Sam Running a multinational company is challenging but keeping an eye on my party animal brother is harder Especially when his best friend is a tag along gold digger and I'm going to prove it once and for all The sooner I kick Ali out of Finch's life the sooner I'll stop dreaming about getting her under me *Hiding from Reality* Taylor Armstrong,2012-02-07 NOT EVERY FAIRY TALE HAS A HAPPY ENDING Reality hit Taylor Armstrong hard one tragic evening last August when she found the body of her estranged husband Russell hanging in his California home Fans across the country were shocked at the horrific news of his death and even more shocked to discover that behind the glittering reality of Taylor's life on *The Real Housewives of Beverly Hills* lurked a painful story of emotional and physical abuse that she had been terrified to tell An estimated 80 percent of domestic abuse victims remain silent suffocated by fear and relentless self doubt For Taylor it was the threat of financial ruin and finding herself alone with her young daughter that kept her tethered to her volatile husband But after a ferocious roundhouse punch from Russell fractured her face resulting in reconstructive surgery she finally made the brave decision to walk away from a man she loved and a legacy of physical abuse that she first encountered as a child and that haunted her throughout her adulthood To the outside world the Armstrongs lived like royalty throwing lavish parties including a memorable tea party for their daughter's fourth birthday and mingling with their privileged *Housewives* co stars It was impossible to hide the cracks in their marriage from the cameras forever though and their darkest secrets slowly began to seep through the gilded facade With searing honesty Taylor candidly examines her difficult journey from the abusive home in which she was born to the low self esteem that kept her constantly on the run from herself to the tumultuous marriage that ended in suicide and ultimately to her realization that only by sharing her moving story could she help other women The terrible truth is that I felt lost without the control that Russell had imposed on me for the nearly six years that we were married Disturbingly I missed that control I didn't know what to do once I had no one there to tell me how to dress act and behave what to want and who even to be In some ways I missed the abuse I missed the pain I missed being scared Not because I liked feeling any of that But because it was the life I had become accustomed to and without anyone to be afraid of to apologize to and to cover for I felt completely lost TAYLOR ARMSTRONG
