who's trying to hide a violent secret from her past. Life has given Pearl every reason to mistrust people but circumstances force her to trust her neighbour Mitch. Then one day with a heart full of agony Pearl drops Leonard off with Mitch and never returns. How do you go on loving someone who isn't there? With Leonard's absolute conviction in forever love always present Leonard and Mitch grow up side by side and piece together the layered truths and fictions of their almost magical lives. Pearl, Leonard and Mitch each have a story to tell as their lives unfold. Profound questions arise about the nature of love and family. The answers are heartbreaking but ultimately triumphant. *Love* Hanne Orstavik, 2019-11-07. Love is the story of Vibeke and Jon, a mother and son who have just moved to a small place in the north of Norway. It's the day before Jon's birthday and a travelling carnival has come to the village. Jon goes out to sell lottery tickets for his sports club and Vibeke is going to the library. From here on we follow the two individuals on their separate journeys through a cold winter's night while a sense of uneasiness grows. Love illustrates how language builds its own reality and thus how mother and son can live in completely separate worlds. This distance is found not only between human beings but also within each individual. This novel shows how such distance may have fatal consequences. **Wolf Hall** Hilary Mantel, 2020-11-05.
