A Book about Innocent Dan Germain, Richard Reed, 2009 Innocent started making smoothies in 1999 On that first day we sold twenty four bottles and now we sell over 2 million a week so we ve grown since then This book is about the stuff we ve learned since selling those first few smoothies About having ideas and making drinks about running a business and getting started about nature and fruit about company life and working with friends about the stuff we ve got right and the stuff we got wrong and about squirrels and camping and doing the right thing We thought we d write it all down in a book so we don t forget any of it and to maybe help other people too We started innocent from scratch so we ve learnt a lot of things by getting stuff wrong Some other lessons have come from listening carefully to people clever than us And some stuff we just got lucky on But all of it the good the bad and the useful is in here Plus perhaps our mums will finally believe us when we tell them we haven t rung home for a while because we ve been a bit busy these past few years *The Six Archetypes of Love* Allan G. Hunter, 2008-09-01 Addressing the need to understand the role of love in life this compendium of startling insights relates love to the spiritual development in each of six universal archetypes Attempting to answer such questions as What is love How do we find it and how can we keep it Why are there so many puzzling forms of it and Why do so many people get it so wrong the book shows how love relates to the self awareness in spiritual development for each archetype Whether describing an Innocent a Magician a Monarch an Orphan a Pilgrim or a Warrior Lover the featured archetype profiles offer essential guidance about what level of awareness is currently being lived how to transition to the next stage and how love can be nurtured Each stage of development is tied to the ancient wisdom of the Tarot the visual images of which act as reminders as to what to expect on life s journey supported by real life and pop culture examples that provide more immediate accessibility

Richard cannot bear to contemplate **A Few Tables Away** Deb Rotuno, 2019-12-03 Evan Shaw has wanted to be invisible since he was twelve A shadow of guilt and fear follow him wherever he goes even across the country Not even sunny Glenhaven Florida could chase away the dark clouds of Evan s past It s not until the college library that Evan finally wished someone would see him Dani Bishop was born and raised in Glenhaven The daughter of two professors at Edgewater College she starts her freshman year eyeing the cute guy in the library Getting to know him isn t easy and she realizes there s more to him and his past than meets the eye Evan wants a future away from fear and hatred and he ll eventually have to face those things head on But first he ll try to work up the courage to talk to the girl in the college library just a few tables away "I" is for Innocent Sue Grafton, 1992-05-15 Readers of Sue Grafton s fiction know she never writes the same book twice and I Is For Innocent is no exception Her most intricately plotted novel to date it is layered in enough complexity to baffle even the cleverest among us Lonnie Kingman is in a bind He s smack in the middle of assembling a civil suit and the private investigator who was doing his pretrial legwork has just dropped dead of a heart attack In a matter of weeks the court s statute of limitations will put paid to his case Five years ago David Barney walked when a jury acquitted him of the murder of his rich wife Isabelle Now Kingman acting as attorney for the dead woman s ex husband and their child and sure that the jury made a serious mistake is trying to divest David Barney of the profits of that murder But time is running out and David Barney still swears he s innocent Patterned along the lines of a legal case I Is For Innocent is seamlessly divided into thirds one third of the novel is devoted to the prosecution one third to the defense and a final third to cross examination and rebuttal The result is a trial novel without a trial and a crime novel that resists solution right to the end When Kinsey Millhone agrees to take over Morley Shine s investigation she thinks it is a simple matter of tying up the loose ends Morley might have been careless about his health but he was an old pro at the business So it comes as a real shock when she finds his files in disarray his key informant less than credible and his witnesses denying ever having spoken with him It comes as a bigger shock when she finds that every claim David Barney has made checks out But if Barney didn t murder his wife who did It would seem the list of candidates is a long one In life Isabelle Barney had stepped on a lot of toes In I Is For Innocent Sue Grafton once again demonstrates her mastery of those telling details that reveal our most intimate and conflicted relationships As Kinsey comments on the give and take by which we humans deal with each other for better and sometimes for worse the reader is struck yet again by how acute a social observer Ms Grafton can be Frequently funny and sometimes caustic she is also surprisingly compassionate understanding how little in life is purely black and white Except for murder Somewhere out there a killer waits to see just what Kinsey will find out Somewhere out there someone s been getting away with murder and this time it just might turn out to be Kinsey s I Is For Innocent is Sue Grafton in peak form Fast paced Funny And very very devious A Is for Alibi B Is for Burglar C Is for Corpse D Is for Deadbeat E Is for Evidence F Is for Fugitive G Is for Gumshoe H Is for Homicide I Is for Innocent J Is for Judgment K Is for Killer L is for Lawless M Is for Malice
