Love Is Truth:

Truth Plus Love Matt Brown, 2019-04-23 Imagine what our world might look like if Christians became known for remarkable love as well as life giving truth The stakes are high and the need is great for Christians to represent Jesus to a watching world And today we have more influence than ever before for better and for worse We are among the first generations to have access to a global megaphone through social media But it s not enough to speak truth louder to a noisy culture To counter the reputation Christians have earned our love must be just as loud Ask evangelist Matt Brown and he will tell you Christians today are facing a crisis of influence In our rush to speak truth to today s tensions cultural issues and trending controversies it becomes all too easy to focus on proving our points rather than extending God s grace Conversely when we seek only to love yet never proclaim a better way we short circuit God s plan *Truth Plus Love* invites you to rediscover the biblical framework for engaging culture as ambassadors of Christ Through biblical insight cultural analysis and practical principles Matt Brown outlines how to champion truth without compromise how to love unconditionally and ultimately how to step into this great adventure of representing God to the world It s hard it s messy and it s the unfinished project of a lifetime yet here we find our great adventure representing God to a watching world **Doing the Truth in**

Love Michael J. Himes, Jan Pilarski, Donald P. Demarest, 1996 A one volume edition of the three volume *Integrative Theology* this text deals with the definition and application of this new and distinctive approach to religious study **Love Matters More** Jared Byas, 2020-09-08

For years Christians have argued debated and fought one another while speaking the truth in love yet we are no closer to the grace filled life Jesus modeled Biblical scholar and popular podcast host of *The Bible for Normal People* Jared Byas casts a new vision for the Christian life that s built not on certainty but on the risk of love A biblically based Christian life is not grounded in having all the answers but in a living relationship This ultimately shifts our focus from collecting the right answers to loving others deeply and authentically With stories and insights drawn from his years as a pastor professor and podcast host Jared Byas calls us back to the heart of the Bible that truth is only true when it s lived out in love In a refreshing voice that s both witty and profoundly revelatory Jared unpacks the concept of truth its meaning and why we so often fight over it He makes a compelling case for how what we believe is less important than how we believe it and that more than anything else telling the truth in love is about following Jesus For anyone who has ever felt forced to choose between truth and love acceptance and rightness this book offers a path

forward beyond truth wars and legalistic religion to a love that matters more **Living the Truth in Love** Janet Smith, 2015-07-08 *Living the Truth in Love* grew out of the desire to provide answers to the questions posed for the Synod on Marriage called by Pope Francis How can the Christian community give pastoral attention to families with persons with same sex attraction While avoiding any unjust discrimination how can the Church give such persons pastoral care in light of the Gospel How can God's will be proposed to them in their situation People who want to be instruments of Christ's love to those who experience same sex attraction SSA seek guidance on how best to do so They need to listen to the stories of those who experience SSA and the stories of those who have accompanied them on their journeys They also need to ground their responses in a genuine Christian understanding of the human person and of human sexuality This volume includes essays that lay out the Christian view of the human person and of human sexuality essays that challenge the bifurcation of sexualities into heterosexual and homosexual Topics include an explanation of the meaning of the word disorder a discussion of the therapeutic power of friendship and an application of Saint John Paul II's personalism to the question of same sex attraction Psychologists and counselors explain various ways of affirming those who experience SSA and of leading them to experience the power of Christ's healing love Several of those who experience SSA tell their touching and inspiring stories
