Generations of historians have maintained that in the last decade of the nineteenth century white supremacist racial
ideologies such as Anglo Saxonism social Darwinism benevolent assimilation and the concept of the white man s burden
drove American imperialist ventures in the nonwhite world In *Race over Empire* Eric T L Love contests this view and argues
that racism had nearly the opposite effect From President Grant s attempt to acquire the Dominican Republic in 1870 to the
annexations of Hawaii and the Philippines in 1898 Love demonstrates that the imperialists relationship with the racist
ideologies of the era was antagonistic not harmonious In a period marked by Jim Crow lynching Chinese exclusion and
immigration restriction Love argues no pragmatic politician wanted to place nonwhites at the center of an already
controversial project by invoking the concept of the white man s burden Furthermore convictions that defined whiteness
raised great obstacles to imperialist ambitions particularly when expansionists entered the tropical zone In lands thought to
be too hot for white blood white Americans could never be the main beneficiaries of empire What emerges from Love s
analysis is a critical reinterpretation of the complex interactions between politics race labor immigration and foreign
relations at the dawn of the American century *Both Sides Now, the Story of Rock and Roll Presents Oldies on CD* Mike
Callahan,1994 Littell's Living Age ,1844 *To The Hebrides* Samuel Johnson,James Boswell,2012-09-28 Samuel Johnson
s Journey to the Western Islands of Scotland and James Boswell s Journal of a Tour to the Hebrides are widely regarded as
among the best pieces of travel writing ever produced Johnson and Boswell spent the autumn of 1773 touring Scotland as far
west as the islands of Skye Raasay Coll Mull Ulva Inch Kenneth and Iona Highly readable often profound and at times very
funny their accounts of the jaunt are above all a valuable record of a society undergoing rapid change In this pioneering new
edition Ronald Black brings together the two men s starkly contrasting accounts of each of the thirteen stages of the journey
He also restores to Boswell s text 20 000 words from his journal which were denied entry to his book because they were
intimate defamatory or about the islands rather than Johnson The endnotes incorporate Boswell s footnotes translations of
Latin passages a clear summary of pre existing information on the two texts and a fresh focus on what the two men actually
found on their trip To the Hebrides also includes contemporary prints by Thomas Rowlandson seventeen new maps and a
