Love Isn't Easy:

Elfin Quinn Loftis, 2012-12-23 Never fall for a dark elf assassin Before tonight Cassie Tate's biggest concerns were whether she could pass Algebra and how she was going to keep Elora her emo best friend from dressing her in a skimpy fairy costume for Halloween Then Cassie saw something no human was ever supposed to see an elf in its true form The penalty for such a transgression death The only one who can save Cassie now is the person most unlikely to do so Triktaptic assassin spy and the most feared warrior in the entire dark elf army Known to his associates as Trik the dark elf assassin is the best to ever do the job He kills who he must has mercy on no one and never tires of seeing his prey fall The dark elf king has plans to expand his kingdom into the human world and Trik will lead the charge But when a chance encounter brings the assassin face to face with the most beautiful human he's ever seen Trik faces uncertainty for the first time in his life He knows the girl is much more than a simple human but he fears the truth of her identity will slay him faster than an army of light elves Now Trik has a choice Will he continue to follow the darkness in his soul that has led him so faithfully his entire life or will the light and goodness within a simple human girl be enough to overcome the darkness in his heart Editorial Reviews Winner of UtyopYA Best Novel of the Year OMG Totally and utterly freakin blown away I just can't put it all in words yet But FAN FREAKING TASTIC Young at Heart blog spot This book was great It kept me interested through every chapter and I wanted more Quinn knows how to keep a story going Book needs across America blogspot Fans of Cassandra Clare Richelle Mead and Laini Taylor will love Elfin It's time to choose your side in the centuries old war between light and dark elves

Work Won't Love You Back Sarah Jaffe, 2021-01-26 A deeply reported examination of why doing what you love is a recipe for exploitation creating a new tyranny of work in which we cheerily acquiesce to doing jobs that take over our lives You re told that if you do what you love you ll never work a day in your life Whether it s working for exposure and experience or enduring poor treatment in the name of being part of the family all employees are pushed to make sacrifices for the privilege of being able to do what we love In *Work Won t Love You Back* Sarah Jaffe a preeminent voice on labor inequality and social movements examines this labor of love myth the idea that certain work is not really work and therefore should be done out of passion instead of pay Told through the lives and experiences of workers in various

industries from the unpaid intern to the overworked teacher to the nonprofit worker and even the professional athlete Jaffe reveals how all of us have been tricked into buying into a new tyranny of work As Jaffe argues understanding the trap of the labor of love will empower us to work less and demand what our work is worth And once freed from those binds we can finally figure out what actually gives us joy pleasure and satisfaction **Loving Isn't Easy** J.
