There You'll Find Me Jenny B. Jones, 2011-10-04. In a small cottage house in rural Ireland, Finley is forced to face a past she can't outrun. When Finley books her trip to the Emerald Isle as a foreign exchange student, she hopes to create a new identity and get some answers from God. After all, since her brother's recent death, God seems to have forgotten she even exists. Now all she wants to do is let her heart heal, see the sights in her brother's favorite country, and work on her college audition piece for a prestigious music conservatory. She plans to use her brother's journal from his time in Ireland as her guide, yet from the moment she boards the plane and sits next to Beckett Rush, teen star of the hottest vampire flicks, nothing goes according to her well-ordered plan. The peace and beauty of the Irish village are no match for the chaos that soon becomes her life. When she gets roped into working as Beckett Rush's personal assistant, she finds this famous wild child is not quite what he seems. And as she grows closer to the mysterious actor, her own secrets refuse to stay put. As things begin to unravel, Finley takes desperate measures to control her own life and fill the empty spaces her brother left behind. When it all comes crashing down, Finley must discover how to give her past to God if there's to be any hope in her future.
