that began after she entered the Church and began to pry open its mysteries There she discovered the startling beauty of a sacramental cosmos a vision of reality that upended her notions of gender sexuality identity and authority Into the Deep is a thoroughly twenty first century conversion a compelling account of recovering an ancient faith after a decade of doubt

**The Letters of Saint Teresa** Saint Teresa (of Avila),1921      *Against Jovinianus* St. Jerome,2019-12-07 Jovinianus about whom little more is known than what is to be found in Jerome s treatise published a Latin treatise outlining several opinions That a virgin is no better as such than a wife in the sight of God Abstinence from food is no better than a thankful partaking of food A person baptized with the Spirit as well as with water cannot sin All sins are equal There is but one grade of punishment and one of reward in the future state In addition to this he held the birth of Jesus Christ to have been by a true parturition and was thus refuting the orthodoxy of the time according to which the infant Jesus passed through the walls of the womb as his Resurrection body afterwards did out of the tomb or through closed doors      **True Latter-Day Saints'**
