**Charles C. Johnson**

## **Love Letters To Vermont A New England Journal:**

*Love Letters to Vermont* Elayne Clift, 2001-07-01      **New England Journal of Education** Thomas Williams  
Bicknell, Albert Edward Winship, Anson Wood Belding, 1905      *Still Going Strong* Janet Amalia Weinberg, 2012-11-12

It's terrible to get old. Life is all downhill after fifty. That's what our youth-centered culture may think, but don't be duped. Selected as a finalist for 2006 Independent Publisher Book Awards, this book can change how you think about aging, even make you feel good about getting old. A liberating change is happening, a change as momentous as the liberation movements of the 1960s and 70s. It brings respect for older people, appreciation for maturity, and the promise of a more balanced culture from the Introduction by Margaret Karmazin and Janet Amalia Weinberg. Discover a new positive way of looking at aging with *Still Going Strong*. Memoirs, Stories, and Poems About Great Older Women. This exuberant, inspiring anthology celebrates the vitality of older women and shows them having adventures, facing loss, enjoying romance, and feeling more capable and confident than ever. The 42 authors included in the collection know that life after middle age is not the diminished state dreaded by our youth-centered culture, but rather a time of growth and fulfillment enriched by the wisdom of experience and perspective. Get a taste of the passion, wit, and wisdom of some of these women. From *Why Vermont* by Elayne Clift: It was great not to be driven by achievement. I was learning the art of laid-back living. Spending a day writing or reading was heavenly, and I was reminded of my freedom whenever a friend said, 'I'd give anything to be doing that.' From *Gray Matters* by Marsha Dubrow: Finally, I have decided to enjoy being a gray. It links me with a powerful sisterhood, complimenting each other on our gray badge of courage. A woman with dreadlocks resembling pillars of salt approached me on the street and said, 'You go, girlfriend. We're gray, and we're proud and gorgeous. We smacked high fives.' From *Katherine Banning*: Wife Mother Bank Robber by Melissa Lugo: Crazy, you say? Well, wait till you hit 90 and realize you still want to live, that even though you're way past menopause you want another child, and that even though your breasts make tracks in the mud, you still want a lover, and that even though your hands shake, there are still things that you didn't get to do, like going to the Olympics and bringing home the gold, things you want to do that you will do. Then see what you're capable of. And you'll be perfectly sane. Senility, temporary insanity, it's all bull. Old folks know exactly what they're doing. One of the good parts about being an old fart is that you have a license to be loony, to live the wild way you didn't have the balls for before. At 90, you see your dignity's gone, the way of dirty diapers, and your life is heading the same way fast. You have nothing to lose except the moment. From *A Different Woman* by Joan Kip: My relationship with Seth is I tell him my great experiment. He calls me on every one of my tightly held protections, and his pleasure in meeting my body is matched by my own freedom to respond. Ours is a relationship with no hidden agenda, no commitments. Our occasional evenings of uncomplicated delight are the intertwining of two desires who touch down and embrace one another, knowing they will meet again sometime somewhere. And while sex is not absent from our meetings, it is rather my compelling ache to be touched and held, and to touch and hold that pulls me back each time.

to Seth Like the newly born whose being depends upon the enfolding presence of a parent those of us who are now so old glow more warmly when we too may share our tenderness Still Going Strong counters demeaning stereotypes of little old ladies by offering positive empowering views of women over fifty It is a hopeful voice that speaks to any woman facing her own future *The Scarlet Letter* Nathaniel Hawthorne,1998 When an elderly English scholar discovers his young wife in the pillory cradling an illegitimate child and wearing a scarlet A for Adulteress he disguises himself as a doctor and begins a cruel and destructive search for the father of the child Set in mid seventeenth century Boston this powerful tale of passion puritanism and revenge is one of the foremost classics of American literature Covering the most recent developments in Hawthorne scholarship this up to date edition contains full and detailed notes **The New England Magazine** ,1892

**The New England Magazine** Ralph Henry Barbour,1908 **New England Journal of Education** ,1875 **The New-England Magazine** Joseph Tinker Buckingham,Edwin Buckingham,Samuel Gridley Howe,John Osborne Sargent,Park Benjamin,1834 New England Magazine ,1892 **Media Report to Women** Sheila Jean Gibbons,2001 **Grace Coolidge** Cynthia D. Billinger,2005 Grace Coolidge was considered the perfect balance to her husband Calvin Coolidge renowned for his shy cautious and restrained nature nicknamed Silent Cal The first lady was to emerge as a fashion trendsetter cordial social mixer and the one who remembered names and faces a great political asset This book is to provide readers with an overview of Grace s life and her time in Washington Her own values as seen through her personal letters form the new material for this book which will be beneficial to those interested in first ladies and women in American history

*Saratoga* Richard M. Ketchum,1999-05-15 The diaries and letters of soldiers under General Horatio Gates offer a view of the pivotal victory against the British in the Saratoga campaign *The Connecticut Evangelical Magazine* ,1803 *New England Magazine; an Illustrated Monthly* ,1908 **A Day at a Time** Margo Culley,1985 Gathers diary selections describes the historical background of each writer and discusses the changing function and content of diaries The Publishers Weekly ,1902 **Why Coolidge Matters** Charles C. Johnson,2013-03-12 Imagine a country in which strikes by public sector unions occupied the public square where foreign policy wandered aimlessly as America disentangled itself from wars abroad and a potential civil war on its southern border where racial and ethnic groups jostled for political influence where a war on illicit substances led to violence in its cities where technology was dramatically changing how mankind communicated and moved about and where the educated harbored increasing contempt for the philosophic underpinnings of our republic That country the America of the 1920s looked a lot like America today One would think then that the President who successfully navigated these challenges Calvin Coolidge might be esteemed today Instead Coolidge s record is little known the result of efforts by both the left and right to distort his legacy *Why Coolidge Matters* revisits the record of our most underrated president examining Coolidge s views on governance public sector unions education race immigration and foreign policy Most importantly *Why Coolidge Matters* explains what lessons Coolidge the last president to pay down the national debt can

offer the limited government movement in the post industrial age      **Journal of Education** ,1888      **Visions of Belonging** Julia B. Rosenbaum,2006 In the late nineteenth and early twentieth centuries depictions of New England flooded the American art scene Childe Hassam Willard Metcalf Theodore Robinson and Julian Weir and other well known artists produced images of quaint villages agricultural labor scenic rural churches and the distinctive New England landscape Julia B Rosenbaum asks why and how a range of artists including Impressionist and Modernist painters and sculptors and exhibitors fashioned this particular vision of New England in their work Against the backdrop of industrialization immigration and persistent post Civil War sectionalism many Americans yearned for national unity and identity As Rosenbaum finds New England emerged as symbolic of cultural and spiritual achievement and democratic values that served as an example for the nation By addressing the struggles for national unity the book offers a new interpretation of turn of the century American art Ultimately Visions of Belonging demonstrates how the local became so important to the national how art was crucial to the formation of national identity and how internal nation building takes place within the realm of culture as well as politics And even as later artists such as Georgia O Keeffe challenged New England s cultural hegemony the appeal of linking regional identity to national ideals continued in distinctive ways Beautifully illustrated with color plates and almost sixty halftones Visions of Belonging explores the interplay between art objects and the shaping of loyalties and identities in a formative phase of American culture It will appeal not only to art historians but also to anyone with an interest in nineteenth century studies the Gilded Age and Progressive Era American studies New England history and culture and American cultural and intellectual history      Young Goodman Brown and Other Tales Nathaniel Hawthorne,1998 The first paperback edition to include full annotations of these twenty Hawthorne tales written between the 1830s and 50s this volume contains the classic pieces Young Goodman Brown The Maypole of Merry Mount The Birthmark The Celestial Railroad and Earth s Holocaust as well as tales such as My Kinsman Major Molineux which represent Hawthorne s interest in the spiritual history of New England
