## Love Me Tonight:

Meet Me Tonight (Lior and Julian's Dream) Florian Parent, 2020-12-13 What if their dreams became what they looked forward to all day An out of time love story that crosses the boundaries of dreams and the barriers of lockdown like a Netflix show Lior is a young Californian who consumes love by swiping on his smartphone while looking for The One Following the Covid 19 outbreak he decides to go with his friends to the Lake Tahoe during the lockdown A few weeks later Lior has a dream A very strange dream Too realistic He decides to tell his friends about it In his dream he meets Julian A very attractive man Their encounter is like in a movie The kind of chance meeting Lior has always fantasized about and much more exciting than a match on a dating app in the real world But despite his excitement the alarm on his phone ends the dream and his romance with Julian What he doesn't yet know is that this dream is just the beginning of a long story A novel imagined as a Netflix series or a movie to be binge read Meet Me Tonight is a modern story between romance and science fiction Gay bi or straight each of us is Lior and can relate to his story I wrote this novel during the first worldwide lockdown in March 2020 in Paris I wrote it for our new generation an over connected generation in search of the great love but for whom everything is accelerated A generation with codes completely turned upside down because of the digitalization of our world A generation that consumes and wants everything right away Now right now A generation for whom despite everything is simplified everything becomes more complicated In Meet Me Tonight I wanted to bring up the subject of confinement as the background story This timeless parenthesis has had an impact on each of us A moral impact a psychological impact but for me and for many it was most of all a moment of questioning A moment of search for meaning A moment of awareness of the importance of our loved ones Each of us has developed some form of creativity during this confinement Despite the work and personal obligations a feeling of need to create was felt Starting new projects The awareness more than ever of the importance of being the actor of our own life This novel is a message of hope and a shot for those who need it to start to live out of their passions Concerning the romance of this novel it's also a wake up call to what digital and dating apps are doing to us Because of apps we no longer give anyone a chance We always look for someone better We now have choices too much choices We no longer take the time to get to really know anyone We close our eyes on reality to be stuck in the virtual world But there is hope of course

**Mamoulian** Tom Milne, 2019-07-25 The great Armenian American director Rouben Mamoulian 1897-1987 remains a favourite among film makers his films combining great technical originality with a uniquely poetic visual style Mamoulian's technical innovations are evident from his first film Applause 1923 in which he incorporated two separate soundtracks into one printing thus overcoming the difficulty of sound levels which had frustrated the pioneer directors of talkies and in Dr Jekyll and Mr Hyde 1931 in which he used synthetic sound painted directly onto the soundtrack Such inventive solutions to film making challenges were linked to Mamoulian's abiding sense of the magic of the cinema He used colour as a dramatic ingredient in the first three-strip Technicolour film Becky Sharp 1935 and his musicals Summer

Holiday 1948 and Silk Stockings 1957 were remarkable in their time for the way in which the dance was used to enhance the drama and to illuminate character And for Garbo in Queen Christina 1933 he created the framework for her greatest role

Tom Milne s classic study first published in 1969 provides a film by film analysis of Mamoulian s career and challenges widespread critical assumptions about the director s oeuvre In his foreword to this new edition Geoff Andrew recognises Milne s careful and insightful analysis of Mamoulian s expressive and imaginative style and asks whether this unique director ought to be considered as an auteur Andrew also pays tribute to Milne s elegant witty and eclectic critical style and hails him as one the most important and influential British writers on film

**TOM MILNE** 1926 2005 was a leading British film critic contributing to Sight Sound the Monthly Film Bulletin The Observer The Financial Times and The Times during his career During the 1960s he worked at the British Film Institute as Associate Editor of Sight Sound and Editor of The Monthly Film Bulletin His other publications include a monograph on Joseph Losey 1967 a short study on the Danish director Carl Theodor Dreyer 1971 and an anthology of interviews and writings on Jean Luc Godard 1972 that he edited and translated Foreword by GEOFF ANDREW Head of Film Programme at BFI Southbank UK and the author of several books including Nicholas Ray Poet of Nightfall BFI 2004 and in the BFI Film Classics series volumes on Kieslowski s Three Colours Trilogy and Kiarostami s 10

**Defining Cinema** Michael Slowik,2024 Defining Cinema Rouben Mamoulian and Hollywood Film Style 1929 1957 takes a holistic look at Mamoulian s oeuvre by examining both his stage and his screen work and also brings together insights from his correspondence his theories on film and analysis of the films themselves It presents a filmmaker whose work was innovative and exciting who pushed hard on cinema s potential as an artform and who in many ways helped move cinema towards the kind of entertainment that it remains today
