Love Note:

This Is Not a Love Letter Kim Purcell, 2018-01-30 A long beautiful heart breaking love letter to potential and possibilities and hope to the pain we survive in youth and carry with us into adulthood NPR Book Reviews One week That's all Jessie said A one week break to get some perspective before graduation before she and her boyfriend Chris would have to make all the big scary decisions about their future decisions they had been fighting about for weeks Then Chris vanishes The police think he's run away but Jessie doesn't believe it Chris is popular and good looking about to head off to college on a full ride baseball scholarship And he disappeared while going for a run along the river the same place where some boys from the rival high school beat him up just three weeks ago Chris is one of the only black kids in a depressed paper mill town and Jessie is terrified of what might have happened As the police are spurred to reluctant action Jessie and others speak up about the harassment Chris experienced and the danger he could be in But there are people in Jessie's town who are infuriated by the suggestion that a boy like Chris would be a target of violence They smear Chris's character and Jessie begins receiving frightening threats Every Friday since they started dating Chris has written Jessie a love letter Now Jessie is writing Chris a letter of her own to tell him everything that's happening while he's gone As Jessie searches for answers she must face her fears her guilt and a past more complicated than she would like to admit **Kiss It Better** Smriti

Prasadam-Halls, 2016-01-14 Every day has its ups and downs Sometimes you giggle sometimes you frown But the thing to remember the secret is this Everything feels better with the help of a KISS If you've scraped your knee or fallen out with your best friend a kiss can make everything better And kisses aren't just for children they're for grown ups too So the next time you see someone you love feeling down in the dumps just remember a kiss is the very best gift of all A tender expression of love Kiss It Better is the perfect gift Great for fans of Guess How Much I Love You **Letters of Note: Love**, 2020-03-31 A
