Revelation: A Love Letter from God Katheryn Maddox Haddad,2014-08-14 Revelation is not a book of gloom and doom It is a book of hope A book of reassurance that no matter how bad things get in the world God is still in control and still loves us like light shimmering in the soul It was written during

a time when Christians were losing jobs and homes friends and family During a time when Christians were being imprisoned tortured and killed They were laying everything on the line for Jesus Everything They needed hope They needed this love letter This is a history of the world before Jesus was born especially the world of the Israelites It is also an account of Jesus birth ministry and death It ends with the final doom of Satan and the final victory of the church the heavenly Jerusalem After all does not chapter 1 verse 19 state that John was to write therefore what you have seen past what is now present and what will take place later future The scriptures always interpret themselves therefore the author takes you through each scene with applicable background scriptures to magnify the meaning with unique clearness This is God s last love letter to the world He has done everything possible to help us escape hell including offering his only begotten son to die in our place We are his children He loves us and does not want us to be hurt He tells of the overwhelming joy he can give those who accept his Son as Lord of their life He also tells us that if we become Christians he will protect us as he always protected his children in the past This is one last reassurance One last love letter from God Cast aside all the horror stories you have been told about Revelation View it now with fresh new eyes be awed and be showered with God s love *Revelation: God's Last Love Letter* Kenneth E. Nissen, 2014-04 Revelation is addressed to the churches in chapter one and for the churches in the last chapter One would expect God s last love letter to be a favorite book among Christians but it isn t It isn t because it isn t understood This book has been highly received by numerous evangelical leaders and is used as the textbook on Revelation in Bible colleges as far away as Africa and India From the first I was taken with the desire of Ken to help people see that the book of Revelation was written primarily to help people in their walk with God in the midst of troubled times and not as a text to figure out the sequence of the end times This was also the first time I had seen the theme of overcoming given as the main thrust of Revelation So I had to read his manuscript to see if in fact he had come upon something I had missed I am convinced that he has I have found his book to be extremely helpful to see the desire of God to have his children to be overcomers and the resources available to us to do just that as the end approaches And the book is more than that for it does not side step the questions that are raised as one reads the book of Revelation Stephen R Bradley Director of Field Education Columbia Bible College Columbia South Carolina
