# Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides

**Thomas L. Pangle, Peter J. Ahrensdorf**

## **Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides:**

**Love of Glory and the Common Good** Michael Palmer, 1992 More clearly than any previous work on the subject Michael Palmer's *Love of Glory and the Common Good* defines the relationship between Periclean democracy and the decline in Athenian political life that followed the death of Pericles. The author elaborates upon the views of Thucydides who saw the subsequent tyrannical rule of Alcibiades and the accompanying disintegration of Athenian political life as a logical consequence of the defects in the speeches and deeds that Pericles used to inspire the Athenian people. With careful attention to details in the order and structure of Thucydides' narrative, Palmer shows this historian as a political thinker of the first rank who deserves the same careful study accorded to Plato and Aristotle.

**Love of Glory and the Common Good** Michael Palmer, 1992-01-29 well written and provocatively argued. Anyone interested in Thucydides can profit from this fine book. Paul Rahe, author of *Republics Ancient and Modern*.

**Cosmopolitanism in the Age of Globalization** Lee Trepanier, Khalil M. Habib, 2011-09-30 Thanks to advances in international communication and travel it has never been easier to connect with the rest of the world. As philosophers debate the consequences of globalization, cosmopolitanism promises to create a stronger global community. *Cosmopolitanism in the Age of Globalization* examines this philosophy from numerous perspectives to offer a comprehensive evaluation of its theory and practice. Bringing together the works of political scientists, philosophers, historians, and economists, the work applies an interdisciplinary approach to the study of cosmopolitanism that illuminates its long and varied history. This diverse framework provides a thoughtful analysis of the claims of cosmopolitanism and introduces many overlooked theorists and ideas. This volume is a timely addition to sociopolitical theory exploring the philosophical consequences of cosmopolitanism in today's global interactions.

**Justice Among Nations** Thomas L. Pangle, Peter J. Ahrens Dorf, 1999-06-30 Thomas Pangle and Peter Ahrens Dorf provide a critical introduction to the most important conceptions of international justice spanning 2,500 years of intellectual history from Thucydides and Plato to Morgenthau and Waltz. Their study shows how older traditions of political philosophy remain relevant to current debates in international relations and how political thinkers through the centuries can help us deepen our understanding of today's stalemate between realism and idealism. Pangle and Ahrens Dorf guide the reader through a sequence of theoretical frameworks for understanding the moral basis of international relations: the cosmopolitan vision of the classical philosophers, the just war teachings of medieval theologians, the revolutionary realism of Machiavelli, the Enlightenment idealism of Kant, and the neo-realism of twentieth-century theorists. They clarify the core of each philosopher's conceptions of international relations, examine the appeal of each position, and bring these alternatives into mutually illuminating juxtaposition. The authors clearly show that appreciating the fundamental questions pursued by these philosophers can help us avoid dogmatism, abstraction, or oversimplification when considering the moral character of international relations. *Justice Among Nations* restores the study of the great works of political theory to its natural place within the discipline of international

relations as it retrieves the question of international justice as a major theme of political philosophy It provides our moral compass with new points of orientation and invites serious readers to grapple with some of the most perplexing issues of our time

**Leo Strauss** Thomas L. Pangle, 2006-09-25 Leo Strauss's controversial writings have long exercised a profound subterranean cultural influence Now their impact is emerging into broad daylight where they have been met with a flurry of poorly informed often wildly speculative and sometimes rather paranoid pronouncements This book written as a corrective is the first accurate non polemical comprehensive guide to Strauss's mature political philosophy and its intellectual influence Thomas L Pangle opens a pathway into Strauss's major works with one question How does Strauss's philosophic thinking contribute to our democracy's civic renewal and to our culture's deepening critical self understanding This book includes a synoptic critical survey of writings from scholars who have extended Strauss's influence into the more practical sub

philosophic fields of social and political science and commentary Pangle shows how these analysts have in effect imported Straussian impulses into a new kind of political and social science

*Psychology and the Classics* Jeroen Lauwers, Hedwig Schwall, Jan Opsomer, 2018-06-25 While the field of classics has informed and influenced the early developments of the field of psychology these two disciplines presently enjoy fewer fruitful cross fertilizations than one would expect This book shows how the study of classics can help psychologists anchor their scientific findings in a historical literary and philosophical framework while insights of contemporary psychology offer new hermeneutic methods and explanations to classicists This book is the first to date to offer a wide ranging overview of the possibilities of marrying contemporary trends in psychology and classical studies Advocating a critical dialogue between both disciplines it offers novel reflections on psychotherapy ancient philosophy social psychology literature and its theory historiography psychoanalysis tragedy the philosophy of mind linguistics and reception With twenty contributions by specialists in different fields it promotes the combination of classical and psychological perspectives and demonstrates the methods and rewards of such an endeavour through concrete case studies This pioneering book is thus intended for all readers who seek inspiration for their readings research or therapeutic practice

Leo Strauss and His Legacy John Albert Murley, 2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss's students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss's own complete bibliography and that of one of his most revered students George Anastaplo

**Greek Rhetoric of the 4th Century BC** Evangelos Alexiou, 2020-06-08 The interaction between orator and audience the passions and distrust held by many concerning the predominance of one individual but also the individual's struggle as an advisor and political leader these are the quintessential elements of 4th century rhetoric As an individual personality the orator draws strength from his audience while the rhetorical texts mirror his own thoughts and those of his audience as part of a two way relationship in which individuality meets opposes and identifies with the masses For the first time this volume systematically compares minor orators with the major figures of rhetoric

Demosthenes and Isocrates taking into account other findings as well such as extracts of Hyperides from the Archimedes Palimpsest Moreover this book provides insight into the controversy surrounding the art of discourse in the rhetorical texts of Anaximenes Aristotle and especially of Isocrates who took up a clear stance against the philosophy of the 4th century

**The Constitution of Freedom** András Sajó, Renáta Uitz, 2017-11-04 Constitutional democracy is more fragile and less natural than autocracy While this may sound surprising to complacent democrats more and more people find autocracy attractive because they were never forced to understand or imagine what despotism is Generations who have lived in stable democracies with the promise that their enviable world will become the global normal find government rule without constitutionalism difficult to conceive It is difficult but never too late to see one's own constitutional system as something that is fragile or up for grabs and in need of constant attention and care In this book András Sajó and Renáta Uitz explore how constitutionalism protects us and how it might be undone by its own means Sajó and Uitz's intellectual history of the constitutional ideal is rich in contextual detail and informed by case studies that give an overview of both the theory and practice of constitutionalism worldwide Classic constitutions are contrasted with twentieth century and contemporary endeavours and experimentations in checks and balances Their endeavour is neither apologetic and certainly not celebratory nor purely defensive this book demonstrates why constitutionalism should continue to matter Between the rise of populist anti constitutional sentiment and the normalization of the apparatus of counter terrorism it is imperative that the political communities who seek to sustain democracy as freedom understand the importance of constitutionalism This book is essential reading for students of law and general readers without prior knowledge of the field as well as those in politics who believe they know how government works It shows what is at stake in the debate on constitutionalism

**A Dangerous Passion** Haig Patapan, 2021-05-01 A Dangerous Passion argues that leadership and honor are mutually constitutive and that this dynamic relationship fundamentally shapes the character of political practice Haig Patapan shows how our contemporary blindness to this leadership honor dynamic and neglect of the significance of honor and shame in modern politics have caused us to fundamentally misunderstand the nature of leadership We have lost sight of how honor shapes the ambitions and aspirations of those who seek political office and the opportunities and limits it imposes on leaders when engaging with their followers What has been obscured are the two faces of honor how it is the dangerous passion that fuels the ambitions of the glory seekers to pursue tyranny and empire as well as being the source of good leadership that is founded on noble ambition and sacrifice for the common good Patapan examines classical magnanimity Machiavellian glory and Hobbesian dispersed leadership views that continue to be debated and then offers insights from these debates to illuminate a series of contemporary political challenges for leaders including the politics of fame identity and nationalism

**Masters and Slaves** Michael Palmer, 2001-06-20 This collection of essays sheds light on the writings of leading figures in the history of political philosophy by exploring a nexus of questions concerning mastery and slavery in the human soul To this end Masters and

Slaves elucidates archetypal human alternatives in their import for political life the philosopher and king the lover of wisdom and the lover of glory the king and the tyrant and finally the master and the slave Palmer re examines these ideas as a framework for achieving a deeper understanding of the work of famous thinkers from the ancient to modern times including Thucydides Plato Aristotle Machiavelli Hobbes and Rousseau As well the book addresses distinctions between the ancients and the moderns and touches on the work of contemporary theorists such as Leo Strauss George Parkin Grant and Allan Bloom

**Theseus, Tragedy, and the Athenian Empire** Sophie Mills, 1997 This book traces the development of the Theseus myth and its importance for Athens from the earliest evidence down to the end of the fifth century The author examines all extant tragedy in which Theseus appears even including the fragmentary drama in which Theseus is known to appear to assess the significance of his role as mythological representative of Athenian greatness The author argues that the Theseus of most Athenian tragedy is carefully drawn to exemplify the idealized image of the Athenian national character that was prevalent in the age of the Athenian empire Every nation needs role models the Athenians were no exception Handsome brave intelligent and just Theseus seemed the perfect Athenian but under the exterior lay a heartless seducer rapist and killer of his own son The author describes Athenian attempts to cope with these contradictions in her discussion of how the Theseus of Athenian tragedy relates to Athenian life and imperial ideology

***Lysias 21*** Aggelos Kappellos, 2014-09-12 *Lysias 21*st speech On a charge of taking bribes is an important example of Attic oratory that sheds significant light on Classical history and society Delivered after the restoration of democracy in 402 B C E this speech provides information that is critical for our understanding of the relationship between the Athenian demos and aristocrats Athenian civic institutions e g taxation liturgies and conscription religious beliefs moral values political behavior and in particular of the legal and rhetorical treatment of embezzlement and bribery It also supplies unique information about the military engagement of the Athenians at Aegospotami and the role of Alcibiades in the political life of Athens Despite its importance however *Lysias* speech has never been the subject of an extensive study in its own right This volume seeks to fill that gap by presenting the first systematic commentary on this speech The author puts much emphasis on its structure strategy and argumentation focusing especially on the tension between the actual practices of the anonymous client of the logographer and civic ideals invoked in the present case The book is intended to be of interest to classicists ancient historians and political theorists but also to the general reader

**Marx and Aristotle** George E. McCarthy, 1992 As the Iron Curtain was shattered recently in Eastern Europe revealing a diversity of cultural traditions lost during the recent past so too the curtain which has hidden Karl Marx's writings for many years seems to be crumbling Its disappearance reveals a rich complexity of traditions and visions that underlay his social political and economic theory Marx and Aristotle brings together an outstanding multidisciplinary collection of recent scholarship most written especially for this volume to look further behind this historical veil by examining the influence of classical Greek philosophy especially the thought of Aristotle and Epicurus on Marx

**City of Suppliants**

Angeliki Tzanetou,2012-08-01 After fending off Persia in the fifth century BCE Athens assumed a leadership position in the Aegean world Initially it led the Delian League a military alliance against the Persians but eventually the league evolved into an empire with Athens in control and exacting tribute from its former allies Athenians justified this subjection of their allies by emphasizing their fairness and benevolence towards them which gave Athens the moral right to lead But Athenians also believed that the strong rule over the weak and that dominating others allowed them to maintain their own freedom These conflicting views about Athens imperial rule found expression in the theater and this book probes how the three major playwrights dramatized Athenian imperial ideology Through close readings of Aeschylus Eumenides Euripides Children of Heracles and Sophocles Oedipus at Colonus as well as other suppliant dramas Angeliki Tzanetou argues that Athenian tragedy performed an important ideological function by representing Athens as a benevolent and moral ruler that treated foreign suppliants compassionately She shows how memorable and disenfranchised figures of tragedy such as Orestes and Oedipus or the homeless and tyrant pursued children of Heracles were generously incorporated into the public body of Athens thus reinforcing Athenians sense of their civic magnanimity This fresh reading of the Athenian suppliant plays deepens our understanding of how Athenians understood their political hegemony and reveals how core Athenian values such as justice freedom piety and respect for the laws intersected with imperial ideology

#### **Style and Necessity in Thucydides**

Tobias Joho,2022-10-20 Ancient literary critics were struck by what they described as Thucydides nominal style a term that refers to Thucydides fondness for abstract nominal phrases As this book shows Thucydides frequently uses these phrases instead of approximately synonymous verbal and personal constructions These stylistic choices tend to deemphasize human agency people find themselves in a passive role exposed to incidents happening to them rather than being actively in charge of events Thus the analysis of the abstract style raises the question of necessity in Thucydides On numerous occasions Thucydides and his speakers use impersonal and passive language to stress the subjection of human beings to transpersonal forces that manifest themselves in collective passions and an inherent dynamic of events These factors are constitutive of the human condition and become a substitute for the notion of divine fatalism prevalent in earlier Greek thought Yet Thucydidean necessity is not absolute It stands in the tradition of a type of fatalism that one finds in Homer and Herodotus In these authors the gods or fate tend to settle the outcome of the most significant events but they leave leeway for the specific way in which these pivotal events come to pass Thus the Greeks endorsed a malleable variant of necessity so that considerable scope for human choice persists within the framework fixed by necessity Pericles turns out to be Thucydides prime example of an individual who uses the leeway left by necessity for prudent interventions into the course of events

**A Common Good Approach to Development** Mathias Nebel,Oscar Garza-Vázquez,Clemens Sedmak,2022-04-26 This edited collection proposes a common good approach to development theory and practice Rather than focusing on the outcomes or conditions of development the contributors concentrate on the quality of development processes suggesting that

a common good dynamic is key in order to trigger development Resulting from more than three years of research by an international group of over fifty scholars the volume advocates for a modern understanding of the common good rather than a theological or metaphysical good in societies by emphasising the social practice of commoning at its core It suggests that the dynamic equilibrium of common goods in a society should be at the centre of development efforts For this purpose it develops a matrix of common good dynamics accounting for how institutions social norms and common practices interconnect by identifying five key drivers not only of development but human development agency governance justice stability humanity Based on this matrix the contributors suggest a possible metric for measuring the quality of these dynamics The last section of the book highlights the possibilities enabled by this approach through a series of case studies The concept of the common good has recently enjoyed a revival and inspired practitioners keen to look beyond the shortcomings of political and economic liberalism This book builds on those efforts to think beyond the agenda of twentieth century development policies and will be of interest to those working in the fields of development economics sociology philosophy and political science

*Roots of Realism* Benjamin Frankel, 2013-10-11 Political realism sees politics as a permanent struggle for power and security The essays in this volume examine the tradition of realist political analysis of international relations from the Sophists and Thucydides to the modern era

**The Humanity of Thucydides** Clifford Orwin, 2020-10-06 Thucydides has long been celebrated for the unflinching realism of his presentation of political life And yet as some scholars have asserted his work also displays a profound humanity In the first thorough exploration of the relation between these two traits Clifford Orwin argues that Thucydides humanity is not a reflection of the author's temperament but an aspect of his thought above all of his articulation of the central problem of political life the tension between right and compulsion This book provides the most complete treatment to date of Thucydides handling of the problem of injustice as well as the most extensive interpretations yet of the speeches in which it comes to light Thucydides does not merely display the weakness of justice in the world but joins his characters in exploring the implications of this weakness for our understanding of what justice is Orwin pursues this question through Thucydides work and relates it to the historian's other leading concerns such as the contrast between the Athenian way and the Spartan way the role of piety in political life the interaction of foreign and domestic politics and the role of statesmanship in a world dominated by frenzies of hope fear and indignation Above all Orwin demonstrates the richness complexity and daring of Thucydides articulation of these issues

*Thucydides on the Outbreak of War* S. N. Jaffe, 2017-02-23 The cause of great power war is a perennial issue for the student of politics Some 2 400 years ago in his monumental History of the Peloponnesian War Thucydides wrote that it was the growth of Athenian power and the fear that this power inspired in Sparta which rendered the Peloponnesian War somehow necessary inevitable or compulsory In this new political psychological study of Thucydides first book S N Jaffe shows how the History's account of the outbreak of the war ultimately points toward the opposing characters of the Athenian

and Spartan regimes disclosing a Thucydidean preoccupation with the interplay between nature and convention Jaffe explores how the character of the contest between Athens and Sparta or how the outbreak of a particular war can reveal Thucydides account of the recurring human causes of war and peace The political thought of Thucydides proves bound up with his distinctive understanding of the interrelationship of particular events and more universal themes

## Decoding **Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. ### **Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides Introduction**

In today's digital age, the availability of Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet

connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides books and manuals for download and embark on your journey of knowledge?

### **FAQs About Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides Books**

1. Where can I buy Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides books?  
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Love Of Glory And The Common Good Aspects Of The Political Thought Of Thucydides books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites

offer free e-books legally, like Project Gutenberg or Open Library.
