Nussbaum, 1990 This volume brings together Nussbaum's published papers on the relationship between literature and philosophy especially moral philosophy The papers many of them previously inaccessible to non specialist readers deal with such fundamental issues as the relationship between style and content in the exploration of ethical issues the nature of ethical attention and ethical knowledge and their relationship to written forms and styles and the role of the emotions in deliberation and self knowledge Nussbaum investigates and defends a conception of ethical understanding which involves emotional as well as intellectual activity and which gives a certain type of priority to the perception of particular people and situations rather than to abstract rules She argues that this ethical conception cannot be completely and appropriately stated without turning to forms of writing usually considered literary rather than philosophical It is consequently necessary to broaden our conception of moral philosophy in order to include these forms Featuring two new essays and revised versions of several previously published essays this collection attempts to articulate the relationship within such a broader ethical inquiry between literary and more abstractly theoretical elements **Love Plays a Part** Nina Pykare, 1990 I Love This Part Tillie Walden, 2020-09-01 Two girls in a small town in the USA kill time together as they try to get through their days at school They watch videos share earbuds as they play each other songs and exchange their stories In the process they form a deep connection and an unexpected relationship begins to develop *Salvation* bell hooks, 2001-01-09 Acclaimed visionary and intellectual bell hooks began her exploration of the meaning of love in American culture with the bestselling *All About Love* New Visions Here she continues her love song to the nation with the groundbreaking and soul stirring *Salvation* Black People and Love Intimate and revolutionary *Salvation* is a gift as provocative as it is healing Written from a historical and cultural perspective *Salvation* takes an incisive look at the transformative power of love in the lives of African Americans Whether talking about the legacy of slavery relationships and marriage in black life the prose and poetry of Martin Luther King Jr James Baldwin Malcolm X and Maya Angelou the liberation movements of the 1950s 60s and 70s sexual pain or pleasure hip hop and gangsta rap

*Loving People Who Are Hard to Love* Joyce Meyer, 2022-09-13 Renowned Bible teacher and 1 New York Times bestselling author Joyce Meyer teaches readers to love the people in their life who are hard to love We re never going to be able to prevent people from saying or doing things that hurt our feelings We will always have opportunities to get offended But if we do things God s way we can choose to save ourselves a lot of misery and hardship This doesn t mean we allow people to abuse us No there is a time for confronting people and dealing with situations However the Bible commands us to love our enemies and forgive those who have wronged us even when it feels impossible Everything the Lord asks us to do in the Bible is ultimately for our good In fact when we choose to love our enemies and forgive those who have hurt us we are actually helping ourselves more than anyone else Because whatever the Lord commands us to do He is going to give us the power of the Holy Spirit to accomplish it and that includes loving and being good to difficult people God s love flowing through us is strong enough to melt even the hardest hearts so use kindness as a weapon to overcome the meanness in people A Study Guide is also available for purchase
