

A Walk with You

By 365poetings.com

I use to call you my knight in shining armor,
For you have rescued my weeping heart in bitter fervor,
My hero in the darkest hours of my loneliness,
And broke the shackles of my melancholic distress.

I've been walking this road for several years,
Passed the curves in the shadow of my fears,
Then you held my hand as I took a step,
And together we danced for a blissful leap.

You held me in your arms like there's no tomorrow,
Your smiles have been the antidote of my sorrows,
No longer afraid to surpass a crossroad's uncertainties,
You taught me to drop off my insecurities.

There must've been someone else better for you,
But you define "ME" as the best one for "You",
No longer "I" but "We" is the promise we formulated,
A perpetual journey together is what we have created.

I look behind not with bitter regrets,
For my feet landed me to your memoirs I dare not forget,
We have reached this point with this love so true,
I'd be glad to walk an extra mile with you.

Sophia Parnok Diana L. Burgin, 1994-07 The weather in Moscow is good there s no cholera there s also no lesbian love Brrr Remembering those persons of whom you write me makes me nauseous as if I d eaten a rotten sardine Moscow doesn t have them and that s marvellous Anton Chekhov writing to his publisher in 1895 Chekhov s barbed comment suggests the climate in which Sophia Parnok was writing and is an added testament to the strength and confidence with which she pursued both her personal and artistic life Author of five volumes of poetry and lover of Marina Tsvetaeva Sophia Parnok was the only openly lesbian voice in Russian poetry during the Silver Age of Russian letters Despite her unique contribution to modern Russian lyricism however Parnok s life and work have essentially been forgotten Parnok was not a political activist and she had no engagement with the feminism vogueish in young Russian intellectual circles From a young age however she deplored all forms of male posturing and condescension and felt alienated from what she called patriarchal virtues Parnok s approach to her sexuality was equally forthright Accepting lesbianism as her natural disposition Parnok acknowledged her relationships with women both sexual and non sexual to be the centre of her creative existence Diana Burgin s extensively researched life of Parnok is deliberately woven around the poet s own account visible in her writings The book is divided into seven chapters which reflect seven natural divisions in Parnok s life This lends Burgin s work a particular poetic resonance owing to its structural affinity with one of Parnok s last and greatest poetic achievements the cycle of love lyrics Ursa Major Dedicated to her last lover Parnok refers to this cycle as a seven star of verses after the seven stars that make up the constellation Parnok s poems translated here for the first time in English added to a wealth of biographical material make this book a fascinating and lyrical account of an important Russian poet
