of verses after the seven stars that make up the constellation Parnok's poems translated here for the first time in English added to a wealth of biographical material make this book a fascinating and lyrical account of an important Russian poet Burgin's work is essential reading for students of Russian literature lesbian history and women's studies *Love Poems from Around the World* Hippocrene Books (Firm), 1999-09 From one corner of the globe to the other and among the diverse countries cultures and peoples in between one thing will always remain universal the powerful grasp of love This charming extensive collection of over 350 poems from around the world celebrates love in all of its unique facets From the countryside of Ireland to the city streets of China the reader is swept away on an amazing cross cultural journey through lost love love's follies love's strength unrequited love and love attained *Love by Night* S.
