Wyatt,1999-06-03 There is a long held view that Wordsworth's inspiration dried up before the age of forty This book opposes that view by examining the substantial body of poetry written after his fiftieth year The argument is that in order to appreciate this work much of which was inspired by itineraries in Britain and in Europe we have to read the poems as they were first published By adopting the perspective of the contemporary reader Wordsworth's grand design can be appreciated **Sermons on Several Occasions** John Wesley,1853

**Covert Joy: Selected Stories** Clarice Lispector,2025-03-18 From the massive treasure house of her hugely successful Complete Stories gathered here are the most glittering gems of Clarice Lispector's short fiction This radiant selection of Clarice Lispector's best and best loved stories includes such familiar favorites as The Smallest Woman in the World Love Family Ties and The Egg and the Chicken Lispector's luminous regard for life's small revelatory incidents is legendary and here her genius is concentrated in a fizzing portable volume Covert Joy offers the particular bliss a book can bring that she expresses in the title story Joy would always be covert for me Sometimes I'd sit in the hammock swinging with the book open on my lap not touching it in the purest ecstasy I was no longer a girl with a book I was a woman with her lover **Complete Stories** Clarice Lispector,2022-04-28 The publication of Clarice Lispector's Complete Stories eighty five in all is a major literary event Now for the first time in English are all the stories that made her a Brazilian legend from teenagers coming into awareness of their sexual and artistic powers to humdrum housewives whose lives are shattered by unexpected

epiphanies to old people who don't know what to do with themselves Lispector's stories take us through their lives and ours From one of the greatest modern writers these 85 stories gathered from the nine collections published during her lifetime follow Clarice Lispector throughout her life      **The Printed English Bible, 1525-1885** Richard Lovett,1909      *The Sexual Question: A Scientific, Psychological, Hygienic and Sociological Study* Auguste Forel,2020-09-28 My object is to study the sexual question under all its aspects scientific ethnological pathological and social and to seek the best solution of the numerous problems connected with it Unfortunately in publications dealing with this subject eroticism usually plays a considerable part and it is difficult for an author to abstract himself from this for it is reflected unconsciously in his thoughts As all sentiment more or less warps judgment it is the duty of scientific criticism to eliminate eroticism in order to be exact and impartial We shall therefore do all that is possible to free ourselves from it in the course of the present study The sexual question is of fundamental importance for humanity whose happiness and well being depend largely on the best solution of this important problem In dealing with such a delicate subject I shall endeavor to avoid narrow mindedness and prejudice I shall avoid tiresome quotations and shall only employ technical terms when necessary as they rather interfere with the comprehension of the subject I shall take care to explain all those which appear to me indispensable My opinions on the sexual question are based on the one hand on my scientific study of the human brain and on the other hand on the long personal experience of an alienist who has devoted himself almost as much to normal mentality and questions of social hygiene as to pathological mentality I have however been obliged to rely on the fundamental work of Westermarck with regard to ethnology this subject being strange to me Concerning sexual psycho pathology I have followed the classification of Krafft Ebing The sexual question is extraordinarily complex and we cannot expect to find a simple solution for it as we can for the questions of alcoholism slavery torture etc The latter are solved in one word suppression Suppression of slavery and torture suppression of the usage of alcoholic drinks We are concerned here with ulcers artificially produced and preserved in human society ulcers which must be simply extirpated Their suppression is nothing but beneficial since far from being connected with the normal conditions of human existence they place it in peril Sexual instinct and sentiment on the contrary have their roots in life itself they are intimately bound up with humanity and therefore require quite a different treatment But human society has guided them into false and pernicious ways It is important to turn them from these in order to tranquilize and regulate their course by damming them up and canalizing them      **Nirvana: The Last Nightmare** Osho,2023-08-03 Religion is not any ideology Religion does not believe in any ideals Religion is to become aware of the impossibility of idealism of all idealism Religion is to live here and now and idealism goes on conditioning your mind to live somewhere else And only the now exists There is no other way to live The only way is to be here You cannot be there The tomorrow is non-existent it never comes and idealism believes in the tomorrow It sacrifices the today at the altar of the tomorrow It goes on saying to you Do something improve yourself Do something change yourself Do something become perfect It appeals to the

ego Idealism belongs to the world of the ego It appeals to the ego that you can be more perfect than you are in fact you should be more perfect than you are But each moment is perfect and it cannot be more perfect than it is     **Love and Trouble** Claire Dederer,2017-05-09 Blazingly intelligent wickedly funny and piercingly honest a memoir that captures the perils and pleasures of girlhood womanhood and life itself One of my favorite books of the last few years Cheryl Strayed Sentence for sentence a more pleasure yielding midlife memoir is hard to think of The Atlantic At mid life Claire Dederer developed a sudden yearning for jailbreak In this exuberant memoir she reflects on two periods in her life uncannily similar in their emotional intensity her present experience as a middle aged mom in the grip of unruly and mysterious new hungers and her recollections of herself as a teenager     The poetical works of William Wordsworth, ed. by W. Knight William Wordsworth,1896     The Select Poetical Works of William Wordsworth ,1864     **Harper's New Monthly Magazine** ,1888 Harper s Magazine made its debut in June 1850 the brainchild of the prominent New York book publishing firm Harper Brothers Harper s Magazine the oldest general interest monthly in America explores the issues that drive our national conversation through long form narrative journalism and essays and such celebrated features as the iconic Harper s Index With its emphasis on fine writing and original thought Harper s provides readers with a unique perspective on politics society the environment and culture
