Love Remembered:

Messages of Love Remembered Pauli Rose Libsohn, 2019-06-26 This creative work compiled solely of Mitzi and David Libsohn's original verses of poetry and letters of love is an artistic effort by their daughter Pauli Rose Libsohn relating to and involving their lives throughout the years in essence telling their story. Their passion unleashed their creative energy and can be observed in these messages of love composed for all and various occasions written on gorgeous greeting cards purchased with that very love which they believed warranted these their intimate communiques belonging solely to them. Mitzi and David Libsohn spoke the language of love through the written word and thrilled to the sight of a card or letter for they knew they would be the recipient of those precious messages of love. With this original compilation author Pauli Rose Libsohn has brought insight into how generations before spoke in this uniquely non-verbal style of passion exchanging words in beautiful penmanship putting it all down on gorgeous cards and paper. The art of love's expression is practically non-existent in today's world. Lovers of years gone by have been lost to the ages but with this discovered work Pauli is able to show the true meaning of Love's written word. *In Service to Love Book 1: Love Remembered: A Dynamic Experience of Consciousness, Transformation and Enlightenment*
