Love Scents:

Love Scents Michelle Kodis, David T. Moran, Deborah Houy, 1998 We often talk about possessing a sixth sense an inexplicable intuition about certain people or situations that later proves to be correct What if new evidence showed that the sixth sense wasn't so inexplicable after all Pheromones a form of chemical communication have been long known to exist in the animal kingdom and are one of the strongest forces guiding behavior Only recently has science discovered the importance of human pheromones silent messengers providing unconscious clues about the people we come in contact with from information about our heredity and temperament to our sexual availability Now a team of leading pheromone researchers and scientific journalists reveal the primal secrets of our sixth sense how and why it evolved its effect on our daily lives and its possible uses in altering mood and behavior This entertaining book will help you understand your own senses your reactions to everyday situations and how to harness the power of this sense to fulfill your total potential At Home with Fragrance Kristen Pumphrey, Thomas Neuberger, 2021-03-16 Bestselling brand P F Candle Co offers a modern so easy you will be tempted to try it introduction to enhancing your home with fragrance and making your own custom scents and candles Candles have evolved in both function and style over the years Gone are the days of overpowering artificial scents The focus on subtle complementary fragrances is here to stay P F Candle Co has been leading this charge for more than a decade amassing a huge following and now they want to share all that they've learned in their first book Equal parts design and DIY *At Home with Fragrance* will teach you which fragrances work best for each room how to interpret your distinct design style into fragrance and the best part how to make candles room sprays and incense with your own custom scents The design and fragrances featured in this book are inspired by the authors home state of California organic and relaxed elements as well as scents drawn from nature are the hallmarks of P F's design ethos Scent is the perfect way to express your unique design sense and the art of making your own fragrances and candles offers an affordable DIY approach Filled with tips and recipes for room sprays incense candles and more the book unlocks the secrets of P F's hallmark style creating atmosphere with candles and scent and helps readers make it their own *Scents & Sensibility* Catherine Maxwell, 2017 Explores Victorian literature through scent and perfume presenting an extensive range of well known and unfamiliar texts in intriguing and imaginative new ways that make us re think literature's relation with the senses A selection of poems essays and fiction exploring these texts with reference to both the little known cultural history of perfume use and the appreciation of natural fragrance in Victorian Britain It shows how scent and perfume are used to convey not merely moods and atmospheres but the nuances of the aesthete or decadent's carefully cultivated identity personality or sensibility

Enchantments Edain McCoy, 2001 Since before recorded time women have performed spells using perfumes hair brushes mirrors lotions masks and face coloring These spells not only sought love but conferred protection purified the spirit opened the psychic senses and prepared the woman for sacred ritual *Enchantments* shows you how to reclaim the conviction

that beauty already exists in each of us as daughters of the Goddess Now you can witness this magickal transformation in yourself as you make your own fertility soap use a hair braid to attract a lover or enact a glamour spell to draw the eyes of everyone in the room
