Love and Other Near-Death Experiences Mil Millington, 2006-02-14 Hello My name is Robert and I haven t been dead for sixty three days now If he hadn t bought those crummy towels Rob would be six feet under But his poor shopping sense accidentally set off a convoluted chain of events that meant he lived when all those others died in the pub explosion Okay maybe it wasn t the ugly towels that saved his life Perhaps it was some other random action some other small movement that was the utterly trivial yet vitally important factor And that s the real problem Now with his wedding fast approaching Rob suddenly finds himself paralyzed with indecision about Every Little Thing He just can t be sure which seemingly innocuous choice will mean the difference between life and death Should he wash the fork or the knife first Should he step out of the shower with his left leg or his right leg Red sweater or blue One thing is certain His fianc e Jo is at her wits end To save his relationship and his sanity Rob embarks on a quest to find out why he s still breathing When he meets up with others who

have had similar lifesaving near misses he figures the answer must be close But fate may just catch them yet for Rob's search to understand why he s still alive might well turn out to be the very thing that kills them all Filled with the barbed and sparkling dialogue that made Things My Girlfriend and I Have Argued About a cult hit Mil Millington s Love and Other Near Death Experiences is a hilarious existential romantic comedy about second guesses and second chances Death Sam Han, 2019-10-16 In modern times death is understood to have undergone a transformation not unlike religion Whereas in the past it was out in the open it now resides mostly in specialized spaces of sequestration funeral homes hospitals and other medical facilities A mainstay in so called traditional societies in the form of ritual practices death was usually messy but meaningful with the questions of what happens to the dead or where they go lying at the heart of traditional culture and religion In modernity however we are said to have effectively sanitized it embalmed it and packaged it but it seems that death is back In the current era marked by economic political and social uncertainty we see it on television on the Internet we see it almost everywhere Inter Facing Death analyzes the nexus of death and digital culture in the contemporary moment in the context of recent developments in social cultural and political theory. It argues that death today can be thought of as interfaced that is mediated and expressed in various aspects of contemporary life rather than put to the side or overcome as many narratives of modernity have suggested Employing concepts from anthropology sociology media studies and communications Inter Facing Death examines diverse phenomena where death and digital culture meet including art online suicide pacts the mourning of celebrity deaths terrorist beheadings and selfies Providing new lines of thinking about one of the oldest questions facing the human and social sciences this book will appeal to scholars and students of social and political theory anthropology sociology and cultural and media studies with interests in death **The Haunted Smile** Lawrence J. Epstein, 2008-08-05 Lawrence Epstein's The Haunted Smile tackles a subject both poignant and delightful the story of Jewish comedians in America For the past century and more American comedy has drawn its strength and soul from the comic genius of Jewish performers and writers An incomplete listing of names makes the point The Marx Brothers Jack Benny Fanny Brice George Burns Milton Berle Jackie Mason Joan Rivers Rodney Dangerfield Mel Brooks Alan King Mort Sahl Buddy Hackett Woody Allen Lenny Bruce Andy Kaufman Richard Belzer Jerry Seinfeld These men and women among others form the canon of Jewish American comedy In the words of the Detroit Jewish News The Haunted Smile offers us a deep and subtle understanding of how Jewish culture and American openness gave birth to a new style of entertainment Often the best way to illuminate a point is to recount some of these comedians own brilliant routines and Epstein uses the comedian s work to great effect making for a book that is both a thoughtful work of history and a great deal of fun *Otto Preminger* Foster Hirsch, 2011-06-22 The first full scale life of the controversial greatly admired yet often underrated director producer who was known as Otto the Terrible Nothing about Otto Preminger was small trivial or self denying from his privileged upbringing in Vienna as the son of an improbably successful Jewish lawyer to his work in film and theater in Europe and later

in America His range as a director was remarkable romantic comedies The Moon Is Blue musicals Carmen Jones Porgy and Bess courtroom dramas The Court Martial of Billy Mitchell Anatomy of a Murder adaptations of classic plays Shaw s Saint Joan screenplay by Graham Greene political melodrama Advise and Consent war films In Harm's Way film noir Laura Angel Face Bunny Lake Is Missing He directed sweeping sagas from The Cardinal and Exodus to Hurry Sundown and small scale pictures adapting Fran oise Sagan's Bonjour Tristesse with Arthur Laurents and Nelson Algren's The Man with the Golden Arm Foster Hirsch shows us Preminger battling studio head Darryl F Zanuck defying and undermining the Production Code of the Motion Picture Association of America and the Catholic Legion of Decency first in 1953 by refusing to remove the words virgin and pregnant from the dialogue of The Moon Is Blue he released the film without a Production Code Seal of Approval and then two yeras later when he dared to make The Man with the Golden Arm about the then taboo subject of drug addiction When he made Anatomy of a Murder in 1959 the censors objected to the use of the words rape sperm sexual climax and penetration Preminger made one concession substituting violation for penetration the picture was released with the seal and marked the beginning of the end of the Code Hirsch writes about how Preminger was a master of the invisible studio bred approach to filmmaking the so called classical Hollywood style lengthy takes deep focus long shots of groups of characters rather than close ups and reaction shots He shows us Preminger in the 1950s becoming the industry's leading employer of black performers his all black Carmen Jones and Porgy and Bess remain landmarks in the history of racial representation on the American screen and breaking another barrier by shooting a scene in a gay bar for Advise and Consent a first in American film Hirsch tells how Preminger broke the Hollywood blacklist when in 1960 he credited the screenplay of Exodus to Dalton Trumbo the most renowed of the Hollywood Ten and hired more blacklisted talent than anyone else We see Preminger's balanced style and steadfast belief in his actors underacting set against his own hot tempered personality and finally we see this European born director making his magnificent films about the American criminal justice system Anatomy of a Murder and about the American political system Advise and Consent Foster Hirsch shows us the man enraging and endearing and his brilliant work <u>Dude, What Are We Thinking?</u> Keith Simpson, 2012-03 In this consideration of religious and scientific beliefs Keith Simpson offers a provocative challenge to Darwinian thinking through conversations with a close friend An important tool for parenting and college preparation Having taught on all levels of academia I am convinced that it takes great wisdom to take complex and sophisticated issues and present them in a way that the non expert can comprehend and evaluate Simpson has done a masterful job of synthesizing exposing and presenting in an understandable and engaging way for our evaluation the embedded philosophies of Darwinism that intertwine our cultural thinking David P Ferreira Ph D Keith Simpson provides an enjoyable and highly personal account of how respectful and well informed interactions with atheists can change hearts and minds for the better Casey Luskin Discovery Institute **A Lifetime of Love** Daphne Rose Kingma, 1998-02-01 A guide to building a better more intimate relationship with your significant other from the author of
