web magnetism and electromagnetism the basic ideas of magnetism interaction between magnets and magnetic objects and magnetic fields should have been covered at primary level and again at ks3 and so it would be hoped that students will be familiar with them although it is worth checking

difference between magnetism and electromagnetism - Jun 01 2022

web nov 1 2015 the main difference between magnetism and electromagnetism is that the term magnetism encompasses only phenomena due to magnetic forces whereas electromagnetism encompasses phenomena due to both to magnetic and electric forces in fact electric and magnetic forces are both manifestations of a single

electricity magnetism electromagnetism tutorial science buddies - Sep 04 2022

web electricity and magnetism are very closely related the study of both and how they are connected is called electromagnetism this page is just a brief introduction to electromagnetism and contains information you may find useful for
