James, 2021-11-15 Out of the Covid 19 Pandemic something meaningful emerged Beginning at a time when people were locked in their homes while the schools businesses and most of society were under quarantine a desire emerged to do something that would encourage people who were alone This book began as a daily audible devotional message made possible by an email link to friends and family around the world hoping to provide some light during a dark time Though the virus and its variants are still with us and have taken quite a toll on the nations of the world there is hope for a day when this particular sickness will be behind us But even if it lingers or should another such crisis arise we always have the Word of God to give us comfort and provide grace to face whatever challenges may come our way Reflections on Romans will hopefully be a tool that will aid those who continue to look for direction for their lives and a connection to their God amid such times **3 1/2 Seconds to Live** Kate Thomas Baker, Don Baker, 2017-01-17 From a World War to a personal war this is the profoundly personal story of a preacher with PTSD and major depressive disorder Don Baker shares his journey into the darknessthe black hole as he calls itand how its shadow has haunted him for over seventy years Insightful vulnerable and honest this is a human story for human readers for people who have tasted life and found it too often bitter and perplexing **Military Chaplains' Review** , 1990 *Between Noon and Three* Robert Farrar Capon, 1982 **The Word Became Fresh** Dale Ralph Davis, 2006 There is no more gifted expositor of the Old Testament in our day than Ralph Davis His book not only brings scholarly research to bear on the subject but also reflects his many years of preaching week after week through the OT What a gift to the church to have such a fine book Richard Pratt **The One Year Book of Discovering Jesus in the Old Testament** Nancy Guthrie, 2010 Bible teacher Nancy Guthrie takes readers from Genesis through Malachi shining the light of Christ on the promise of a descendent who will put an end to the curse of sin the story of a father who offers up his

Thoughtful Proclaimer Elizabeth Wright Anderson,2017-10-23 Thoughtful Proclaimer takes you from passage choice to proclamation This book walks with you through message preparation that transforms both your heart and the hearts of your congregation or class Aimed at those who proclaim the Word of God in a variety of church and parachurch settings the Thoughtful Proclaimer method uses a contemplative question based technique to determine the Commanders intent Gods purpose for every passage of scripture Gods intent for a passage becomes the point for proclamation of a redemptive and relevant message Anderson uses humor and story to teach good communication techniques so that every message brings lasting transformation to your listeners *Deuteronomy* Ajith Fernando,2012-05-31 The book of Deuteronomy is a call to obedience the proper response to God s faithfulness and love Consisting primarily of speeches that Moses gave to the Israelites shortly before they entered the Promised Land Moses words proclaimed God s covenant faithfulness in hopes of motivating the Israelites to obey God despite the coming temptation to conform to the Canaanite culture The challenges they faced then are remarkably parallel to those facing Christians today as we grapple with the issue of obedience in a world that offers other attractive ways of life We wonder How can we be faithful to God And how do we help our children and the people we lead to be faithful This book tells us how Moses tackled these challenges and as Paul confirms in the New Testament Deuteronomy serves as an example written down for our instruction 1 Cor 10 11 Ajith Fernando unpacks the relevance of Deuteronomy and captivates us with rich anecdotes from his thirty five years of ministry to first generation Christians in Sri Lanka He offers concrete examples of how the truths contained in Deuteronomy can be applied and he teaches us that obedience is the necessary response to the God who loves and saves us Part of the Preaching the Word series *God Is Not Like That* Diana Spencer,2009-09-01 God is Not Like That challenges all Christians to think seriously about how the misunderstandings of the past are currently affecting Christianity worldwide The work of the Reformation was never finished because the various factions involved split apart from each other without finding any common resolution to the problems

facing the medieval church The conclusions reached in God is Not Like That have been formulated after years of deliberation in an effort to stimulate thought and discussion among all denominations of Christianity today Many problems that stem from these unresolved issues have been inherited by all denominations for example the author believes that the Athanasian Creed while right in its original intent has been misunderstood by everyone for many centuries This has been compounded by the fact that for many years there have been growing doubts about the divinity of Christ and the doctrine of the Trinity even among scholars and teachers making it difficult for them to explain and defend the faith to an increasingly skeptical world Meanwhile its vocal critics do not realize that many of the ideas that they are challenging stem from mistaken assumptions from the past not with the faith itself it is urgent that these issues be examined and the distortions resolved Diana Spencer is a retired Anglican priest although the views expressed in this book are her own It was written in the hope that all denominations of Christianity would think about and discuss the issues raised Born in England in 1935 she came to Canada at the age of twenty one is widowed and living in Victoria

Love Don Baker,1988 Years of Minutes Andy Rooney,2007-10-09 Andy Rooney has been at it for twenty five years It s time to celebrate So here s the ultimate gift for every Rooney fan an illustrated collection of Rooney s very best pieces from a quarter centur

Preaching as the Word of God Sam Chan,2016-07-12 According to the Reformers preaching is the word of God As the word of God preaching is a foundation for the church It is also vital for the personal growth of a Christian But Christians are poorly equipped to understand how preaching is the word of God Some Christians look for preaching that closely reproduces the text in the Bible Other Christians look for preaching that creates maximal emotional and existential impact And there is a lot of name calling with Christians accusing preachers of not preaching the word But what type of preaching is the word of God The purpose of this book is to equip Christians to understand how preaching can be God speaking It accomplishes this with a survey of the problem in the history of the church a detailed overview of key biblical texts and finally the application of the contemporary philosophical tool of speech act theory

Exposition of the Christian Faith Saint Ambrose,Aeterna Press, The author praises Gratian s zeal for instruction in the Faith and speaks lowly of his own merits Taught of God Himself the Emperor stands in no need of human instruction yet this his devoutness prepares the way to victory The task appointed to the author is difficult in the accomplishment whereof he will be guided not so much by reason and argument as by authority especially that of the Nicene Council

Dog is Love Clive D. L. Wynne,2019 A pioneering canine behaviorist draws on cutting edge research to show that a single simple trait the capacity to love is what makes dogs such perfect companions for humans and to explain how people can better reciprocate their affection affection

Could It Be? Joseph C. Way,2007-02-06 Could It Be focuses on twelve biblical passages Most of them have been denigrated or disregarded either by those who want nothing to do with organized religion or by others who claim to be genuinely Christian The author reclaims those discarded gems proclaims those stories as relevent countermands erroneous interpretations and counteracts the results of

misinformation about their meaning and purpose The book is designed to stir the status quo and begins the stirring process by reexamining old passages from a new approach Its author believes the only road leading to intellectual and spiritual growth runs through the crowded and musty city of Old Ideas and winds through the treacherous valley of New Possibilities That is the basic outline for every chapter in this book Each chapter identifies problematical interpretations of some ingrained religious ideas and offers new possibilities that enrich Christian living Biblical requirements considered impossible to follow are interpreted as very doable The uppermost question for each reader to keep in mind is Could it be this passage is very different than I originally thought Throughout the book the author repeatedly affirms God is at work in common places events and things Biblical stories about personal deliverance and radical change were frequently facilitated by something quite ordinary What we called a miracle was often an ordinary act for God If that is how God works he regularly offers miracles to everyone not just to special people in special situations These passages about miracles admonitions and probing questions are prototypes of the human condition making them extremely relevant because they are OUR STORY too
