Love Among the Haystacks David Herbert Lawrence, 2018-09-10 *Love Among the Haystacks* By David Herbert Lawrence David Herbert Lawrence 11 September 1885 2 March 1930 was an important and controversial English writer of the 20th century whose prolific and diverse output included novels short stories poems plays essays travel books paintings translations literary criticism and personal letters His collected works represent an extended reflection upon the dehumanizing effects of modernity and industrialisation In them Lawrence confronts issues relating to emotional health and vitality spontaneity sexuality and instinctive behaviour **The Virgin and the Gipsy and Other Stories** David Herbert Lawrence, 2004 These stories of myth and resurrection of uncanny events and violent impulse were with one exception written and published in the latter half of the 1920s **Selected Stories** D. H. Lawrence, 2018-11-08 This collection of short stories traces D H Lawrence s development as a writer His early tales often draw on personal experiences as in *Odour of Chrysanthemums* a work he described as full of my childhood s atmosphere while the horror of the First World War haunts England My England Later stories such as *Things* powerfully express his evolving ideas about the duality of our lives With their complex characters these stories illuminate emotional lives and above all illustrate Lawrence s passionate belief about the destructive forces in modern society and their effect on love With an Introduction by Louise Welsh and Notes by Sue Wilson [The Virgin and the Gipsy](#) David Herbert Lawrence, 2021-08-14 *The Virgin and the Gipsy* David Herbert Lawrence *The Virgin and the Gipsy* is a short novel or novella by English author D H Lawrence It was written in 1926 and published posthumously in 1930 Today it is often entitled *The Virgin and the Gypsy* which can lead to confusion because first and early editions had the spelling *Gipsy* The tale relates the story of two sisters daughters of an Anglican vicar who return from finishing school overseas to a drab lifeless rectory in the East Midlands not long after the World War I Their mother has run off with another man a scandal that is not talked about by the family especially the girls father who was deeply humiliated and only remembers his wife as she was when they first met many years before Their new home is dominated by a blind and selfish grandmother called Mater and her mean spirited poisonous daughter Aunt Cissie there is also Uncle Fred who lives a solitary life The two girls Yvette and Lucille risk being suffocated by the life they now lead at the rectory In particular Yvette s desperation is compounded by the fact that she has borrowed a little money from a charity fund that her family manages Her relationship with both her father and aunt suffer She sees her father as a mean spirited and cowardly person for the first time when he reacts savagely to her petty crime But even so the girls try their utmost every day to bring colour and fun into their lives They go on outings with the Framleys their neighbourhood friends On one such outing Yvette encounters a gipsy man and his family She and the other girls have their fortunes told by the gipsy man s wife a magnetic and strong woman

who seems to see easily through them The gipsy man also sees deeply into Yvette and the impression he makes on her this first time is unforgettable This first meeting reinforces her disenchantment with the oppressive domesticity of the rectory It also awakens in her a sexual curiosity she has not felt or thought much about before despite her having admirers While on a second visit to the gipsy family she befriends a married Jewish woman who has left her husband and who is now living with her paramour impatiently waiting for her divorce to come through Yvette does not pass judgment on anyone new she meets neither the gipsy nor the Jewish woman because she is young and modern minded But when her father finds out about this friendship he threatens her with the asylum and Yvette realizes that at his heart her father too is mean spirited bigoted provincial and shallow Apparently her father believes that one cannot associate with a wealthy divorced woman who is merely marrying a handsome man who happens to be a war hero as an excuse to dump her first and older husband The novel has a surprise twist at the end A huge flood surges through the vale coming from a burst dam at a nearby reservoir It just so happens that the gipsy man is approaching the rectory house Nobody is at home but Yvette and her blind grandmother In the nick of time the brave gipsy man rescues Yvette despite the fact that the surprise flood washes most of the rectory away drowning the grandmother A moving scene ensues as the gipsy hero breathes life and warmth back into the virginal Yvette who feels the powerful attraction of his manhood and strength She falls asleep and the gipsy disappears Her family returns home to find her safe and they adulate the gipsy as her savior

Lawrence and Attachment** Ronald Granofsky,2022-06-15 Though we all face a tug of war between dependency and autonomy while

growing up British author D H Lawrence 1885 1930 experienced the struggle with particular intensity Later in life his acute observational skills high emotional intelligence and expressive abilities would allow him to articulate this conflict in his works as few other writers have Applying concepts from attachment theory D H Lawrence and Attachment presents innovative readings of a broad swath of Lawrence s fiction Ronald Granofsky teases out hidden patterns in Lawrence s work deepening our understanding of his fictional characters and revealing new significance to key thematic concerns like gender identification marriage and class Lawrence s too close relationship with his own mother in particular was the foundation for his lifelong interest in attachment as well as the impetus for his literary exploration of the delicate balance between the desire for closeness and the need for separation While the theories of Margaret S Mahler D W Winnicott John Bowlby and others were developed after Lawrence s death his writing about relationships and how they are influenced by early childhood experiences bears a striking resemblance to the concepts of attachment theory The Lawrence who emerges from D H Lawrence and Attachment is a psychological writer of great power whose intuitive insights into the vagaries of attachment resulted in rich complex fiction

Sex In The Head Linda R. Williams, 2016-07-01 In Sex in the Head Linda Ruth Williams uses psychoanalysis and recent feminist film theory to analyze a network of ideas which link looking with sexuality and difference in the work of a writer who disavowed yet covertly enjoyed the pleasures and power of vision The book is a departure from the long history of feminist readings of Lawrence in that it discusses his engagement with theories of the gaze and its cultural forms cinema photography painting and the visual dynamics and metaphors of literary texts as a way of thinking through gender It shows him arguing on the one hand against the evils of cinema and visual sex while relishing through the eyes of women the moving spectacle of those male bodies which populate the pages of his books It also questions what it is about the work of such an adamant cinephobe which has made it so thoroughly adaptable for film and television
