the young editor Bruno Ugucione and the seductive scribe Felice Feliciano he starts the city's first printing press While Bruno and Felice become entwined in an obsessive love triangle with a beautiful Dalmatian woman named Sosia Wendelin tempts the fates by publishing the first edition of the erotic Roman poems of Catullus a move that will enrage the church scandalize the city and change all of their lives forever *The Floating Book* is a ravishing novel of letters and lust intrigue and betrayal a chillingly beautiful debut that few readers will soon forget *A Little Book of Latin Love Poetry* John Breuker, Mardah Weinfeld, 2006-01-01 *Love Poetry Readings for Comprehension and Review* This reader introduces intermediate Latin students to Catullus Horace and Ovid It offers a transition to reading these authors by presenting slightly

modified versions of poems before the students read the authentic Latin verse as review Vocabulary reading helps grammar reviews with exercises and discussion questions are included as well as sections on metrics poetic devices and a complete glossary

*Catullus Through his Books* John Kyrin Schafer, 2020-03-19 Modern readings of the Roman poet Catullus work have always been constrained by doubts about the surviving text Does the sequence of our corpus reflect the artistically coherent and meaningful arrangement of the poems Why are the various parts of the collection so jarringly different in content and emotional tone To what extent if at all can we explain these shifts by appealing to Catullus famously vivid portrayals of his emotions and life circumstances *Catullus Through his Books* argues that we possess three separate books of poems designed by the poet himself at key moments in these books the poems dramatise the creative activity of their own composition embedding apparent autobiographical details and purportedly revealing the poet's intentions and goals These dramas of composition direct us through the poems integrating our understanding of each part and generating a holistic vision of Catullus as poet of self destroying longing and irreparable loss

*Catullus in Twentieth-Century Music* Stephanie Oade, 2024-08-24 One of the most famous voices to have survived from the Roman world Catullus's poetry is still amongst the most popular and widely read But what is it that makes this 2 000 year old voice so relevant so personal and so endlessly fascinating Reinvigorating discussions around the nature of Catullus's lyricism *Catullus in Twentieth Century Music* takes a completely new approach to Catullus and ideas of lyric It centres around four musical works from the twentieth century each one capturing the essence of Catullus in musical retellings and showcasing a very personal response to the original text Considering how and why these musical composers used Catullus's poetry as their stimulus allows us to uncover new ideas about Catullus's poetry By considering the very process of reception Stephanie Oade takes a broader view of lyric identifying traits and characteristics that are common to both music and poetry thus transcending the boundaries of individual art forms in order to consider the genre in larger interdisciplinary terms It offers insights into compositional processes and challenges audiences to think about ways of engaging with music and poetry More than anything it shows how ancient voices continue to resound in modernity and offer everlasting expression for our own experiences and emotions

**Love as Human Freedom** Paul A. Kottman, 2017 Love of the living and the dead From the propagation of life to lovemaking
