## **Love And Conquest:**

**Love & Conquest** Douglas Smith, 2005-05-01 Of all of history's great romances few can compare with that of Catherine the Great and Prince Grigory Potemkin. Their turbulent and complicated relationship shocked their contemporaries and continues to intrigue observers of Russia centuries later. Lovers, companions, and most likely husband and wife, Catherine and Potemkin were also close political partners, and for a time Potemkin served as Catherine's de facto co-ruler of the Russian Empire. Their letters offer an intimate glimpse into the lovers' unguarded moments, revealing both ecstatic expressions of love and candid insights on eighteenth-century politics. In February 1774 the Russian empress took Grigory Potemkin for her lover, and it is now believed secretly married him a few months later. Particularly in the first two years of their relationship, Catherine was consumed by her passion for Potemkin. The hundreds of letters and notes she dashed off to him between assignations in the Winter Palace during this time attest to the giddy exuberance of the new love that so fully embraced her. **Love and Conquest** contains the most historically significant and personally revealing of these letters, only a few of which have ever before been translated into English. Beginning with Potemkin's letter to Catherine written while off fighting the Turks in 1769 and concluding with his farewell note scribbled the day before his death in 1791, the correspondence spans most of Catherine's reign. The letters are at once personal and political, private and public. Many of Catherine's love letters to Potemkin, written during their stormy affair, reveal the empress's passionate personality. Potemkin's letters provide rare insight into his arrogant and mercurial character while serving to dispel the myth of Potemkin as little more than a corrupt sycophant. **Love and Conquest** reveals the complexity of Catherine and Potemkin's personal relationship in light of dramatic changes in matters of state, foreign relations, and military engagements. After their love cooled, Catherine and Potemkin continued to discuss and debate a wide range of state affairs in their letters, including the annexation of the Crimea, court politics, wars against the Ottoman Empire and Sweden, and the colonization of southern Russia. Together they carried out the most dramatic territorial expansion in the history of imperial Russia, transforming Catherine into a powerful world leader and creating a bond of affection that would never fully fade. Readers will find in the letters new insights on Russia's most famous empress, her passions, and her world.

**The Business of Conquest** Nicole D. Legnani, 2020-12-15 The Spanish conquest has long been a source of polemic ever since the early sixteenth century when Spanish jurists began theorizing the legal merits behind native dispossession in the Americas. But in **The Business of Conquest: Empire, Love, and Law in the Atlantic World**, Nicole D. Legnani demonstrates how the financing and

partnerships behind early expeditions betray their own praxis of imperial power as a business even as the laws of the Indies were being written She interrogates how and why apologists of Spanish Christian empire such as Jos de Acosta found themselves justifying the Spanish conquest as little more than a joint venture between crown and church that relied on violent actors in pursuit of material profits but that nonetheless served to propagate Christianity in overseas territories Focusing on cultural and economic factors at play and examining not only the chroniclers of the era but also laws contracts theological treatises histories and chivalric fiction Legnani traces the relationship between capital investment monarchical power and imperial scalability in the Conquest In particular she shows how the Christian virtue of caritas love and charity of neighbor and thus God became confused with cupiditas greed and lust because love came to be understood as a form of wealth in the partnership between the crown and the church In this partnership the work of the conquistador became ultimately that of a traveling business agent for the Spanish empire whose excess from one venture capitalized the next This business was thus the business of conquest and featured entrepreneurial violence as its norm not exception The Business of Conquest offers an original examination of this period including the perspectives of both the creators of the colonial world monarchs venture capitalists conquerors and officials of religious figures such as Las Casas and finally of indigenous points of view to show how a venture capital model can be used to analyze the partnership between crown and church It will appeal to students and scholars of the early modern period Latin American colonial studies capitalism history and indigenous studies

**The Rogue's Conquest** Lily Maxton, 2017-09-25 Wallflower Eleanor Townsend is not like most women She has no interest in marriage the ton or fashion Instead her heart lies with science And when the opportunity to present a paper arises she takes it even though it means dressing as a man But her disguise doesn't quite work Someone notices and the brute intends to blackmail her Former prizefighter James MacGregor wants to be a gentleman like the men he trains in his boxing saloon His first step is gaining a beautiful wealthy wife Eleanor Townsend is not that woman but thanks to a chance encounter she might just give him the leverage he needs She'll gain him entry to high society and help him with his atrocious manners In return he won't reveal her secret It's the perfect arrangement at least until the sparks between them become more than just a clash of personalities But when the attraction between them grows too strong James must decide between his ambitions and his heart Each book in the Townsends series is STANDALONE Enchanting the Earl The Rogue's Conquest A Scot's Surrender Claiming the Highlander's Heart Unrequited Conquests Roland Greene, 1999 Love poetry dominated European literature during the Renaissance Its attitudes conventions and values appeared not only in courtly settings but also in the transatlantic world where cultures were being built power exercised and policies made In this major contribution to our understanding of both the Age of Exploration and early modern lyric Roland Greene argues that love poetry was not simply a reflection of the times but a means of cultural transformation European encounters with the Americas awakened many forms of desire which pervaded the writings of explorers like Columbus and his contemporaries These experiences in

turn shaped colonial society in Brazil Peru and elsewhere The New World while it could be explored conquered and exploited could never really be known leaving Europe s desire continually unrequited and the project of empire unfulfilled Using numerous poetic examples and extensive historical documentation *Unrequited Conquests* rewrites the relations between the Renaissance and colonial Latin America and between poetry and history *His Captive, His Conquest* Ashe Barker,2021-09-21 I want her She intrigues me this fiery Scottish wench I mean to have her I shall survive I will not weaken This English lord can do as he will with me but I shall never surrender It is the year 1490 Stephen Parnell Marquis of Otterburn has been sent by Henry VII the new Tudor monarch to guard his northern shires against the ferocious Scots Battle hardened by years spent in the service of his king Stephen is more than equal to the task and has no hesitation in hunting down the rieviers who have laid waste to his people s crops However his skills as a warlord are no use to him when faced with the fiery little Scottish wench he captures in battle and decides to keep as his own for a while at least Flora MacKinnon is used to taking charge Her ailing father needs her and she is determined to do what must be done to serve her clan She does not expect to be taken captive by a mighty English warlord and certainly does not intend to anger him so much that she finds herself lashed to a post awaiting a whipping But events take an unexpected turn Will the mighty Marquis of Otterburn follow his heart or his head And when tragedy threatens can Stephen protect those dearest to him Warning This book contains sexually explicit content which is only suitable for mature readers If such content upsets you please do not purchase this book **The Love-Conquest; Or, the Little Strength of Philadelphia** ,1774 **The Cord** Cynthia Leavelle,2010-10 Rahab a former prostitute has been saved by the Israelite Salmon from the horrible destruction of Jericho using a scarlet cord that once belonged to his mother But Rahab is shocked when her trusted hero takes her into his tent using the law regarding a captive woman According to the law Rahab must spend thirty days in Salmon s tent They are not allowed to sleep together but they can talk Although Rahab s past relationships make her want nothing to do with men anymore she wants to learn everything she can about the God of the Israelites who has seen fit to spare her life Salmon hopes that in their conversations about God s law she will learn to care for him Surprisingly he realizes that he has been the learner in the situation beginning to see his God in different more illuminated ways Not until a crisis comes in their relationship does Rahab realize how entwined their lives have become The Cord is a love story between God and man and between man and woman Rahab and Salmon learn to love God and each other in ways neither thought possible *Conquest* John Connolly,Jennifer Ridyard,2013-09-26 The start of the epic new Chronicles of the Invaders series from bestselling author John Connolly and Jennifer Ridyard For fans of THE 5TH WAVE and I AM NUMBER FOUR She is the first of her kind to be born on Earth He is one of the Resistance fighting to rid the world of an alien invasion They were never meant to meet And when they do it will change everything **Love's Conquest** Georgie Sheldon,2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were

Love's Conquest Sequel To Helen's Victory Mrs Georgie Sheldon A L Burt 1900      **Conquest and Glory** Rev. Thomas W. Keinath,2018-07-27

Through this verse by verse study of the Book of Revelation Conquest Glory offers both biblical insights and practical life application In this first of two volumes the author has included a comprehensive introduction to the Apocalypse careful exposition of Chapters 1-7 and a textual concordance with theological overview      *The Conquest of America* Tzvetan Todorov,1996-11-26

A fascinating study of cultural confrontation in the New World with implications far beyond sixteenth century America The Conquest of America has become a classic in its field It offers an original interpretation of the discovery of America by Columbus and of the subsequent conquest colonization and destruction of Mexico and the Caribbean by the Spaniards at the beginning of the modern era Using sixteenth century sources the distinguished French writer and critic Tzvetan Todorov examines the beliefs and behavior of both the Spanish conquistadors and the Aztecs adversaries in a clash of cultures that resulted in the neat extermination of Mesoamerica's Indian population Absorbing intelligent and responsible in its call for a much needed dialogue between different cultures The Conquest of America evokes a drama that set the pattern for much of the history of Western colonialism      **Conquest of Mind** Eknath Easwaran,2001

Eknath Easwaran shows readers how to choose the way they think feel aspire and desire      *Life and Love* Judith Early,2002-12

It might almost seem that Judith Early was born in the wrong place at the wrong time She was born and raised in rural Alberta in a time and place where her radical views on religion health and the environment were not welcomed by the conventional conservatism of her community In the late 1970s she was advocating wheat grass and health food and concepts such as social and environmental responsibility in a town where ham and eggs were staples and the word cholesterol had not yet become part of the language Now in her late eighties after several decades of writing she has finally found an audience that is ready for her message Life and Love is the first of her books that she has decided to publish After reading Life and Love I felt refreshed Judith Early demonstrates the triumph of the will in the face of adversity and inspiration of the spirit that guides one to that deeper level of reality that exists beyond the pall of linear logical thought Her poetry reveals both beauty of nature and the spirit of God in harmonious surprising and inspiring verse that is both skillful and organic like a fine glass of wine to be sipped savoured and recalled to memory whenever we take the time to slow down and remember Orpheus Author of The Seven Secrets of the Ascended Masters      **Love's Conquest: Sequel to Helen's Victory** Mrs Georgie Sheldon,2018-02-09
