## **Love And Profit The Art Of Caring Leadership:**

**Love and Profit** James A. Autry, 1991 Combines management techniques with poetry for a more caring approach to leadership *Love and Profit* James A. Autry, 1992 **Life and Work** James A. Autry, 1994 From the author of *Love and Profit* poetry prose and letters to young people that explore the challenges of managing in the 1990s Autry uses anecdotal chapters poems and letters to young people to explore the uncharted territory of emotional wholeness moral dilemmas in the office the meaning of charity and passing the torch of responsible selfhood to the young *The Art of Caring Leadership* Heather R Younger, 2021-04-13 If your people know you care about them they will move mountains Employee engagement and loyalty expert Heather Younger outlines nine ways to manifest the radical power of caring support in the workplace Here is the thing most leaders think of themselves as caring leaders but not all of them act in alignment with what that means for employees Leaders may not be able to identify the level of care they are extending to their employees but all employees intuitively know whether their bosses or managers are caring for them Heather Younger argues that if you are looking for increased productivity customer satisfaction or employee engagement you need to care for your employees first Genuinely caring for people means that you want to see them succeed for themselves not just for what they can do for you your team or your organization This book incorporates ten sections with breakout stories and interviews that outline the necessary steps to make all employees feel included and cared for as well as a call to action for all leaders Younger states that leaders who have the positive power to change the lives of those they lead shouldn't just want to care for them they should see it as imperative for the success of their employees and their organization Exceptional Service, Exceptional Profit Leonardo Inghilleri, Micah Solomon, 2010-04-14 What if you could protect your business against competitive inroads once and for all Customer service experts Leonardo Inghilleri and Micah Solomon's anticipatory customer service approach was first developed at The Ritz Carlton as well as at Solomon's company Oasis and has since proven itself in countless companies around the globe from luxury giant BVLGARI to value sensitive auto parts leader Carquest and everywhere in between Their experience shows that the most powerful growth engine in a tight market and best protection from competitive inroads is to put everything you can into cultivating true customer loyalty *Exceptional Service Exceptional Profit* takes the techniques that minted money for these brands and reveals how you can apply them to your own business to provide the kind of exceptional service that nearly guarantees loyalty Soon you'll be reaping the benefits of loyal customers who are less sensitive to price competition more forgiving of small glitches and ultimately who are walking billboards happily promoting your brand Filled with detailed behind the scenes examples *Exceptional Service Exceptional Profit* unlocks a new level of customer relationship that leaves your competitors in the dust your customers coming back day after day and your bottom line looking better than it ever has before *Love Works* Joel Manby, 2012-05-01 Joel Manby from *Undercover Boss* shares how leaders at every level can harness the meaning of love the verb and improve their culture and bottom line Before Joel Manby won the respect

of America with his appearance on the CBS reality TV series Undercover Boss he was a highly successful corporate executive After the show aired many of the 18 million viewers wrote to him about the profound impact of his servant leadership In Love Works Joel Manby introduces us to the power of agape love in the workplace After years of leading thousands of men and women Manby has proven that leading with love is effective even in a business environment Manby challenges leaders to allow integrity and faith to guide leadership decisions outlining seven time proven principles that break down the natural walls within corporate cultures empowering managers and employees disarming difficulties and cultivating an atmosphere that builds long term success Manby also leverages the undeniable truth that love builds healthy relationships at home why not use the same behavior to build healthy relationships at work      **Rethinking Leadership** Kurt A. April, Robert Macdonald, Sylvia Vriesendorp, 2000 In the twenty first century leaders are having to speak a new language create fluid organic structures and recognise organisations as systems with self renewing capacity This book explores what real leadership means encouraging the reader to look within      **Gifts of the Spirit** , 1997-09-15 The Chairman of Rodale Press shares her simple yet perceptive observations on love and humanity in a group of essays organized by theme and written to help women re connect with their inner spirituality 30 000 first printing      **Common Purpose** Joel Kurtzman, 2010-03-01 From one of the most respected names in business and leadership a rare look at the specifics of how great leaders achieve common purpose and success within their organizations What is common purpose It is that rare almost palpable experience that happens when a leader coalesces a group team or community into a creative dynamic brave and nearly invincible we It happens the moment the organization s values tools objectives and hopes are internalized in a way that enables people to work tirelessly toward a goal Common purpose is rarely achieved But Kurtzman has observed that when a leader is able to bring it about the results are outsized measurable and inspiring Based on Kurtzman s all new interviews with more than 50 leaders including Ron Sargent Ilene Lang Micky Arison Simon Cooper Joel Klein Janet Field Steve Wynn Shivan Subramaniam Michael Dell Richard Boyatzis Tom Kelley Michael Milken and Warren Bennis Contains research on leadership Kurtzman has conducted during his years at The New York Times the Harvard Business Review Booz Company as well as with PricewaterhouseCoopers Mercer and Korn Ferry Based on all new interviews with some of the most dynamic successful and enduring leaders Common Purpose sheds new light on the meaning of leadership the crucial qualities of leaders and most importantly how to lead      *Creativity, Inc. (The Expanded Edition)* Ed Catmull, Amy Wallace, 2023-09-28 The co founder and longtime president of Pixar updates and expands his 2014 New York Times bestseller on creative leadership reflecting on the management principles that built Pixar s singularly successful culture and on all he learned during the past nine years that allowed Pixar to retain its creative culture while continuing to evolve Might be the most thoughtful management book ever Fast Company For nearly thirty years Pixar has dominated the world of animation producing such beloved films as the Toy Story trilogy Finding Nemo The Incredibles Up and WALL E which have gone on to set box office records and garner

eighteen Academy Awards The joyous storytelling the inventive plots the emotional authenticity In some ways Pixar movies are an object lesson in what creativity really is Here Catmull reveals the ideals and techniques that have made Pixar so widely admired and so profitable As a young man Ed Catmull had a dream to make the first computer animated movie He nurtured that dream as a Ph D student and then forged a partnership with George Lucas that led indirectly to his founding Pixar with Steve Jobs and John Lasseter in 1986 Nine years later Toy Story was released changing animation forever The essential ingredient in that movie s success and in the twenty five movies that followed was the unique environment that Catmull and his colleagues built at Pixar based on philosophies that protect the creative process and defy convention such as Give a good idea to a mediocre team and they will screw it up But give a mediocre idea to a great team and they will either fix it or come up with something better It s not the manager s job to prevent risks It s the manager s job to make it safe for others to take them The cost of preventing errors is often far greater than the cost of fixing them A company s communication structure should not mirror its organizational structure Everybody should be able to talk to anybody Creativity Inc has been significantly expanded to illuminate the continuing development of the unique culture at Pixar It features a new introduction two entirely new chapters four new chapter postscripts and changes and updates throughout Pursuing excellence isn t a one off assignment but an ongoing day in day out full time job And Creativity Inc explores how it is done
