**Love at Second Sight** Ada Leverson,2022-09-16 Ada Leverson s *Love at*

Second Sight is a captivating novel that revolves around themes of love, society, and personal growth. Set in the early 20th century with its impeccable wit and subtle humor, Levenson's writing style can be compared to that of Jane Austen. Through the intricately woven plot and well-developed characters, the author offers a satirical commentary on the class-conscious society of her time. The book's engaging narrative and keen observations make it a delightful read for fans of classic literature. Ada Levenson, a contemporary of Oscar Wilde and a key figure in the literary circle of the time, drew from her own experiences as an upper-class woman in Edwardian England to create a vivid and realistic portrayal of the society in *Love at Second Sight*. Her sharp insights and social commentary reflect her deep understanding of human nature and relationships. I highly recommend *Love at Second Sight* to readers who appreciate classic literature, witty humor, and insightful social commentary. Ada Levenson's novel offers a refreshing perspective on love and society that is both timeless and relevant even today.

**Love at Second Sight** F.T. Lukens, 2025-04-29 When a teen has an unexpected vision about a future murder, he must juggle newfound interest from the supernatural community with trying to prevent the murder from happening in this riveting Publishers Weekly starred review new romantic fantasy from New York Times bestselling author F.T. Lukens. Fifteen-year-old Cam Reynolds wants to spend his sophomore year flying under the radar. That shouldn't be too hard considering he's a human going to school with kids who have paranormal powers like his best friend and witch Al and his longtime werewolf crush Mateo. Then Cam has a psychic glimpse of the future in front of most of the student body, seeing a gruesomely murdered teen girl from the point of view of the killer. When Cam comes to, he knows two things: someone he goes to school with is a future murderer, and his life is about to change. No longer a mere human but a clairvoyant, one of the rarest of supernatural beings, Cam finds himself at the center of attention for the first time. As the most powerful supernatural factions in the city court Cam and his gift, he'll have to work with his friends, both old and new, to figure out who he can trust and who might be a werewolf in sheep's clothing. Because the clock is ticking, and Cam and his friends must identify the girl in the vision, find her potential killer, and prevent the murder from happening. Or the next murder Cam sees might be his own.

Love at Second Sight Catherine Stein, 2021-03-05 There was a love to last forever. If only they could remember it. Anna Harper has no memory of her old life. Or even of yesterday. She's alone, pregnant, and in a foreign country, but none of those things will stop her from investigating the mystery of her unusual ailment. She's determined to explore every clue, whether it be a whisky company that bears her name or a handsome man who shares her problem. Smith Whisky, Newcastle. With his mind wiped by a pernicious potion, Quinn remembers little beyond those few words. All he knows is that he's captivated by the outspoken, dark-haired beauty searching for answers. And he'll do all he can to protect her from the enemies bent on stopping her. As Anna and Quinn join forces to unravel pieces of their past, they uncover a tangled web of deception and betrayal. Only Anna's keen insight and Quinn's steadfast spirit can lead them to the truth. And only the yearning of their two hearts can revive the love their minds have forgotten.
