Love At The Helm:

Love at the Helm Barbara Cartland, 1982-09-01 Captain Conrad Horn's first assignment with his new ship the Invincible is to transport Lady Delora to Antigua where she is to marry the local governor *Love, Friendship, and the Self* Bennett W. Helm, 2010-01-07 Recent Western thought has consistently emphasized the individualistic strand in our understanding of persons at the expense of the social strand. Thus it is generally thought that persons are self-determining and autonomous where these are understood to be capacities we exercise most fully on our own apart from others whose influence on us tends to undermine that autonomy. Love, Friendship, and the Self argues that we must reject a strongly individualistic conception of persons if we are to make sense of significant interpersonal relationships and the importance they can have in our lives. It presents a new account of love as intimate identification and of friendship as a kind of plural agency in each case grounding and analyzing these notions in terms of interpersonal emotions. At the center of this account is an analysis of how our emotional connectedness with others is essential to our very capacities for autonomy and self-determination: we are rational and autonomous only because of and through our inherently social nature. By focusing on the role that relationships of love and friendship have both in the initial formation of our selves and in the on-going development and maturation of adult persons, Helm significantly alters our understanding of persons and the kind of psychology we persons have as moral and social beings.

Love at the Helm Barbara Cartland, 2010 In 1815 Captain Conrad Horn is happy to learn that he's getting command of the Invincible, a big new ship being sent to protect West Indies trade routes from US privateers. He's unhappy to learn, however, that on board will be the fiancée of old Lord Grammell, Governor of Antigua, the captain's second cousin. He has never met her, but he hates her loathsome brother.

Love, Intimacy, and the African American Couple Katherine M. Helm, Jon Carlson, 2013-03-12 This exciting new text on counseling African American couples outlines critical components to providing culturally sensitive treatment. Built around a framework that examines African American couples issues as well as the specific contextual factors that can negatively impact their relationships, it addresses threats to love and intimacy for Black couples. Provides culturally relevant strengths-based approaches and assessment practices. Includes interesting case studies at the conclusion of each chapter that illustrate important concepts. The chapters span the current state of couple relationships; readers will find information for working with lesbians and gays in relationships, pastoral counseling, and intercultural Black couples. There is also a chapter for non-Black therapists who work with Black clients. Dispersed throughout the book are interviews with prominent African American couples experts: Dr. Chalandra Bryant, relationship expert; Audrey B. Chapman; Dr. Daryl Rowe; and Dr. Sandra Lyons Rowe and Dr. Thomas Parham. They provide personal insight on issues such as the strengths African Americans bring to relationships, their skills and struggles, and gender and class considerations. This must-read book will significantly help you and your clients.
