*The Dark LOVE BOAT* Pierre Gély-Fort, 2020-03-07 The voyage that Pierre Gély Fort invites us on has more in common with a nightmare than a pleasurable experience On this bunker like cruise liner the passengers resemble

convicts trapped in a fake environment where boredom and satiety are rife The travelers greedily give themselves over to selfies blissfully unaware that the surrounding environment resembles a cardboard stage set an opulent mirror that serves to reflect social success and material happiness The ship is so immense that it completely occults the entire field of vision We see nothing of the outside landscape barely glimpsing a piece of sky or sea Like Patrick McGoochan in *The Prisoner* the prison island that is this ocean liner is all that the occupants have the leisure of strolling contemplating and consuming For these travellers dreams of any other kind appear not only as forbidden but also futile On this ship where the sheer scale anesthetizes everything off screen the passengers seem to renounce their individuality upon embarking in order to fit into the mould of a privileged class The only condition is to be happy Beyond their apparent innocuousness Pierre G ly Fort s photographs offer an uncompromising look at a world where everything contributes to reducing human beings to the rank of naive servile consumers At the opposite extreme of a photo journalistic report and as if endowed with a scalpel Pierre painstakingly dissects his very personal vision of an incandescent pallor Abandoning the colour that characterized his earlier poetic journeys to distant lands here he has opted for a radical black and white that is highly contrasted almost clinical The aim here is not to magnify or humanize the story but instead to demystify this cruise experience enjoyable for some undoubtedly but evocative of fish trapped in a bowl

Paulo Lobo Journalist and Photographer *The Boys in the Boat* Daniel James Brown, 2013-06-04 Now a Major Motion Picture Directed by George Clooney The 1 New York Times bestselling story about the American Olympic rowing triumph in Nazi Germany from the author of *Facing the Mountain* For readers of *Unbroken* out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times the improbable intimate account of how nine working class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant It was an unlikely quest from the start With a team composed of the sons of loggers shipyard workers and farmers the University of Washington s eight oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain yet they did going on to shock the world by defeating the German team rowing for Adolf Hitler The emotional heart of the tale lies with Joe Rantz a teenager without family or prospects who rows not only to regain his shattered self regard but also to find a real place for himself in the world Drawing on the boys own journals and vivid memories of a once in a lifetime shared dream Brown has created an unforgettable portrait of an era a celebration of a remarkable achievement and a chronicle of one extraordinary young man s personal quest

have become the common sense of most Americans Today a broad consensus holds that marriage is a bad deal for women that divorce is better for children when parents are unhappy and that marriage is essentially a private choice not a public institution Waite and Gallagher flatly contradict these assumptions arguing instead that by a broad range of indices marriage is actually better for you than being single or divorced physically materially and spiritually They contend that married people live longer have better health earn more money accumulate more wealth feel more fulfillment in their lives enjoy more satisfying sexual relationships and have happier and more successful children than those who remain single cohabit or get divorced The Case for Marriage combines clearheaded analysis penetrating cultural criticism and practical advice for strengthening the institution of marriage and provides clear essential guidelines for reestablishing marriage as the foundation for a healthy and happy society A compelling defense of a sacred union The Case for Marriage is well written and well argued empirically rigorous and learned practical and commonsensical William J Bennett author of The Book of Virtues Makes the absolutely critical point that marriage has been misrepresented and misunderstood The Wall Street Journal [www.broadwaybooks.com](http://www.broadwaybooks.com) Boat Book Gail Gibbons,1988-07 Introduces many kinds of boats and ships including rowboats canoes sailboats speedboats cruise ships submarines tugboats and tankers **Encyclopedia of Television Series, Pilots and Specials** Vincent Terrace,1985
