The Foreign Critical Reputation of F. Scott Fitzgerald, 1980-2000 Linda C. Stanley,2004-10-30

This bibliography extends the work of Stanley s first volume The Foreign Critical Reputation of F Scott Fitzgerald An Analysis and Annotated Bibliography to the final two decades of the 20th century It includes literature from the former countries of the USSR Romania India and Canada as well as countries that were covered in the first volume such as Britain France Italy Germany and Japan One of the major findings that emerges is that Fitzgerald s poetic prose is extremely difficult to translate but new translations continue to appear The introduction to this volume provides a synthesis of Fitzgerald scholarship abroad at the turn of the 21st century and points to new directions already suggested that may represent challenges to current scholarship An extended analysis introduces each chapter Each chapter also includes a chronological list of translations and editions of Fitzgerald s work from his earliest appearances in print to those appearing in 2000 The most substantial section of each chapter features fairly detailed annotations of monographs collections book chapters essays conference papers articles reviews and school editions This compilation will intrigue anyone interested the work of F Scott Fitzgerald
