The Need to Say No Jill Brooke,2013-09-24 Healthier relationships and personal boundaries are just one word away with this inspirational guide on embracing the power of no Whether in love work family or the world the need to say no is sometimes imperative And rather than accepting another transgression or being bullied learning to set healthy boundaries is essential for our health and well being The Need to Say No includes helpful advice on how to say no without fear and without injury to either party so that you can set boundaries that lead to healthier relationships Many people have to learn the skills to defend themselves from the inappropriate demands of others Whether dealing with an abusive love partner an inappropriate boss a child that demands everything or a societal condition that needs to stop we have the power within ourselves to change the outcomes for the better to be bullish without being bulldozed The Need to Say No uses the metaphor of a bull to examine the behaviors of bullies and boundary violators drawing from mythological historical and contemporary bull stories to identify ten archetypes of common aggressive personalities and how to deal with them effectively Rich with quotes illustrations anecdotes examples tips and more The Need to Say No delivers a profound way to create peace at home success at work and real change in the world by saying no **Love Can't Wait** Asrai Devin, Amy Black is in the middle of divorcing her cheating ex husband when she meets Scott Jones After a night together she discovers he's not only her ex's team mate but her brother's best friend She has no choice but to ask him for help when her husband drops their cat off at her no pets allowed building When he gets hurt he requests a favor from her Before long Amy is wondering if a move to Ontario is the next best move in her life **I Say Unto You** Osho,2013-12-10 What if Jesus were not a supernatural being conceived by a virgin but a real human being who had experienced the awakening of consciousness known as enlightenment in the East This extraordinary line by line commentary on selected Gospels from Matthew and John tests the hypothesis that Jesus was a mystic not a miracle worker of supernatural origin Osho convincingly makes the case that the stories of Jesus' life were never meant to be a factual record of history but rather are teaching parables designed to provide ongoing spiritual guidance for generations to come I Say Unto You introduces us to a dynamic compassionate intelligent loving Jesus who speaks in a plain and simple way that everyone can understand This is not the long faced sad and tortured man often depicted down the centuries Osho looks with a crystal clear perception at Jesus' work inviting us to see the parables and miracles as metaphors of the inner world He gives insight into Jesus' own search and his journeys to the ancient mystery schools of Egypt Kashmir and Tibet that transformed him into one of the most evolved masters of the paths of love and meditation with insights that are still relevant for today's world *Bardelys the Magnificent* Raphael Sabatini,2008-01-11 As Languedoc enters her year

Apart from Love Uvi Poznansky, 2012-02-15 *Apart from Love* is not your typical love story All consuming heart wrenching and dark it is an epic that starts when Ben returns to meet his father Lenny and his new wife Anita It is then that he discovers a family secret How will they find a path out of conflicts out of isolation from guilt to forgiveness My Own Voice As told by Anita Ten years ago Anita started an affair with Lenny in spite of knowing that he was married and that his wife was succumbing to a mysterious disease Now married to him and carrying his child how can she compete with Natasha s shadow and with her brilliance in the past Given Anita s lack of education how can she resist his compelling wish to transform her Can she survive his kind of love Faced with the way he writes her as a character in his book how can Anita find a voice of her own And when his estranged son Ben comes back and lives in the same small apartment can she keep the balance between the two men whose desire for her is marred by guilt and blame The White Piano As told by Ben Coming back to his childhood home after years of absence Ben is unprepared for the secret which is now revealed to him his mother Natasha who used to be a brilliant pianist is losing herself to early onset Alzheimer s which turns the way her mind works into a riddle His father has remarried and his new wife Anita looks remarkably similar to Natasha only much younger In this state of being isolated being apart from love how will Ben react to these marital affairs when it is so tempting to resort to blame and guilt In our family forgiveness is something you pray for something you yearn to receive but so seldom do you give it to others Behind his father s back Ben and Anita find themselves increasingly drawn to each other They take turns using an old tape recorder to express their most intimate thoughts not realizing at first that their voices are being captured by him These tapes with his eloquent speech and her slang reveal the story from two opposite viewpoints Dealing with the challenging prospects of the marriage of opposites this book can be read as a standalone novel as well as part of one of family sagas best sellers Still Life with Memories is a family saga series tinged with family saga romance fraught with marital issues and riddled with the difficulty of connecting fathers and sons

,1816 Where There Is Love, There Is God Mother Teresa,2010-08-10 Mother Teresa's relationship with God and her commitment to those she served the poorest of the poor is here powerfully explored in her own words Taken largely from her private lessons to her sisters published here for the first time Where There is Love There is God unveils her extraordinary faith in and surrender to God's will This book is in some way a sequel to Mother Teresa Come Be My Light in which her own very private spiritual struggles were explained Sent to alleviate the sufferings of the poor she assumed their struggles and pain in the depths of her heart This led to particularly intense anguish which she lived through with heroic courage and fidelity over several decades As important as this aspect of her life is that remarkable testimony of her life and her words intensifies the need and desire to know more of her thought There is much she can teach us as we face our daily struggles or sufferings which can at times be unusually severe Where There is Love There is God though not an exhaustive anthology of Mother Teresa's teaching nonetheless shows what she believed and taught about important issues that confront all people Due to her constant interaction with people of diverse backgrounds no life situation was foreign to her and in this book her role is primarily one of teacher and guide Love is perhaps the word that best summarizes Mother Teresa's life and message The title reflects what she proclaimed during her entire life God is alive present and still loves the world through you and through me Mother Teresa sought to be an extension of God's heart and hands in the world of today She was called to be a missionary of charity a carrier of God's love to each person she met especially those most in need Yet she did not think that this was a vocation uniquely hers each person is in some way called to be a carrier of God's love Through the practical and timely advice she offers Mother Teresa sets us on the path to closer union with God and greater love for our brothers and

sisters MOTHER TERESA 1910 1997 was born in Skopje present day Macedonia and joined the Sisters of Loreto in Dublin in 1928 She left the Loreto order in 1948 to begin the Missionaries of Charity in Calcutta Her service to the poorest of the poor became her life s work She was awarded the Nobel Peace Prize in 1979 and was beatified in 2003 Editor of Mother Teresa Come Be My Light FATHER BRIAN KOLODIEJCHUK M C Ph D was associated with Mother Teresa for twenty years and is now director of the Mother Teresa Center which has offices in California Mexico India and Italy What you are doing I cannot do what I m doing you cannot do but together we are doing something beautiful for God and this is the greatness of God s love for us To give us the opportunity to become holy through the works of love that we do because holiness is not the luxury of the few It is a very simple duty for you for me you in your position in your work and I and others each one of us in the work in the life that we have given our word of honor to God You must put your love for God in a living action Mother Teresa From Where There is Love There is God

Will & Love Darren Dyck,2023-03-10 Will Love examines four of Shakespeare s love plays Romeo and Juliet Troilus and Cressida Twelfth Night and Antony and Cleopatra in light of the Augustinian psychology at the heart of the theological romance tradition This tradition which Shakespeare inherits from medieval theologian poets such as Boethius Dante Petrarch and Chaucer issues from the idea initially expressed by Augustine in his Confessions that love functions as volitional weight as a kind of magnetism or almost gravitational force that it moves the lover in mysterious ways yet without diminishing his or her agency Will Love highlights Shakespeare s conception of love in terms of motion and explores the metaphysical ethical psychological and dramatic implications of his doing so
