Moore, Sharon Bridgforth, 2010-07-01 This book is both an anthology of writing by participants of the Austin Project and a sourcebook for those who would like to use creative writing and performance to energize their artistic scholarly and activist practices Queer Nightlife Kemi Adeyemi, Kareem Khubchandani, Ramon H. Rivera-Servera, 2021-05-03 The mass shooting at a queer Latin Night in Orlando in July 2016 sparked a public conversation about access to pleasure and selfhood within conditions of colonization violence and negation Queer Nightlife joins this conversation by centering queer and trans people of color who apprehend the risky medium of the night to explore know and stage their bodies genders and sexualities in the face of systemic and social negation The book focuses on house parties nightclubs and bars that offer improvisatory conditions and possibilities for stranger intimacies and that privilege music dance and sexual gender expressions Queer Nightlife extends the breadth of research on everynight life through twenty five essays and interviews by leading scholars and artists The book's four sections move temporally from preparing for the night how do DJs source their sounds what does it take to travel there who promotes nightlife what do people wear to the socialities of nightclubs how are social dance practices introduced and taught how is the price for sex negotiated what styles do people adopt to feel and present as desirable to the staging and spectacle of the night how do drag artists confound and celebrate gender how are spaces designed to create the sensation of spectacularity whose bodies become a spectacle already and finally how the night

continues beyond the club and after sunrise what kinds of intimacies and gestures remain how do we go back to the club after Orlando
