V.

Barrett, 2008-01-01 Love Divine is a clear honest panoramic treatment of the book of Hosea poignantly showing how Hosea and Gomer's treatment of each other reflected God and Israel's treatment of each other Dr Barrett excels in unfolding his views logically on solid exegetical hermeneutical and theological grounds The book is compelling in its Christ centeredness and is a masterpiece in expounding God's loving and gracious covenant in its internal and external dimensions Love Divine is also true to the personal experience of covenantal grace in the lives of believers All of this makes it a sheer delight to read Every pastor should study Love Divine before preaching from the book of Hosea and every Christian will find it enlightening and God glorifying Joel R Beeke on publisher website **Revelations of Divine Love** Julian of Norwich, Wyatt

North, 2014-03-11 The Revelations of Divine Love which also bears the title A Revelation of Love in Sixteen Shewings above the first chapter is a book of Christian mystical devotions written by Julian of Norwich It is believed to be the first published book in the English language to be written by a woman At the age of thirty May 13 1373 Julian was struck with a serious illness As she prayed and prepared for death she received a series of sixteen visions on the Passion of Christ and the Virgin Mary Saved from the brink of death Julian of Norwich dedicated her life to solitary prayer and the contemplation of the visions she had received She wrote a short account of her visions probably soon after the event About twenty or thirty years after her illness near the end of the fourteenth century she wrote down her visions and her understanding of them Whereas Latin was the language of religion in her day Julian of Norwich wrote in a straightforward Middle English perhaps because she had no other medium in which to express herself she describes herself as a simple creature unlettered Rev chap 2 **A**

Love Divine Alexandra Ripley, 1997-10-01 Joseph of Arimathea is the man who gave his own tomb to the crucified Jesus of Nazareth He is a mysterious figure about whom little is known In the tradition of The Robe and Ben Hur Alexandra Ripley the author who brought Margaret Mitchell's Scarlett O'Hara back to millions of readers worldwide has written an extraordinary new epic depicting another unforgettable character National ads media **Dance of Divine Love** Graham M.

Schweig, 2005-03-14 The heart of this book is a dramatic love poem the Rasa Lila which is the ultimate focal point of one of the most treasured Sanskrit texts of India the Bhagavata Purana Judged a literary masterpiece by Indian and Western scholars alike this work of poetic genius and soaring religious vision is one of the world's greatest sacred love stories and as Graham Schweig clearly demonstrates should be regarded as India's Song of Songs The story presents the supreme deity as the youthful and amorous cowherd Krishna who joins his beloved maidens in an enchanting and celebratory dance of divine love Schweig introduces this work of exquisite poetry and profound theology to the Western world in the form of a luminous

translation and erudite scholarly treatment His book explores the historical context and literary genre of the work and elucidates the aesthetic and emotional richness of the composition highlighting poignant details of this drama of divine love Schweig illuminates the religious dimensions and ethical nuances of the drama drawing widely from the commentaries and esoteric vision of masters of the Caitanya school of Vaishnavism a prominent devotional Hindu tradition Themes such as transcendence of death through love the yoga of devotion the contrast between worldly love and passionate love for God and the dialectical tension between ethical boundaries and boundless love are presented The final event of the Rasa dance the author concludes presents a dynamic symbol of supreme love that provides the basis for a theological vision of genuine religious pluralism

Divine Love / Divine Intolerance Darrell J. Ahrens, 2009 What to tolerate what not to tolerate This is perhaps the most important question our nation as well as other Western nations must consider today What gives this question its crucial importance is the fact that how it is answered will determine the moral and ethical character of a nation and its people It will determine the integrity and virtue or lack thereof of a nation's religious political educational and sociological institutions and their policies laws beliefs and practices Concerning Western nations and societies it will determine either faithfulness or unfaithfulness to their underlying religious political and historical foundations and heritage In short it will determine the very identity of a nation and people
