Exquisite Love William K. Mahony,2011-02-14 The Narada Bhakti Sutra is a collection of 84 aphoristic statements in Sanskrit dating to the 10th 11th centuries in India on the nature of love for Divinity which that text describes as the highest most exquisite form of love Translating explaining and interpreting twenty of those short phrases William K Mahony brings these teachings into our contemporary world through his extended reflections on the qualities of this love and on the contours of a life oriented toward strengthening refining and elevating it Basing his reflections on the understanding that God is of the nature of absolute Love Mahony speaks of the divine Heart that is expressed in our own human sentiments of love He offers readers guidance into ways a Heart centered life can open them evermore fully to the reality of Love itself

Bhakti or Devotion Swami Vivekananda, In this lecture Swami Vivekananda discusses some of the crucial and most pertinent issues surrounding the practice of devotion in a succinct way He brilliantly brings out the rationale of this practice ignorance of which has been the main cause of the timeless conflict in the religious scenario of the world This booklet by Advaita Ashrama a Publication House of Ramakrishna Math Belur Math forcefully justifies the need of Bhakti or Devotion for every man while still in the nursery of religious life **Bhakti Yoga** Edwin F. Bryant,2017-07-11 From the author of what has become the standard edition of The Yoga Sutras of Patanjali an exploration of probably the most significant tradition in Hinduism along with a rendering of key texts and parables from that tradition Bhakti Yoga explores one of the eight limbs of yoga In the simplest terms bhakti yoga is the practice of devotion which is the essential heart of yoga and of Hinduism in general In recent times the term has come to be used in a rather simplistic way to refer to the increasingly popular practice

of kirtan or chanting in a group or at large gatherings But bhakti yoga is far more complex and ancient than today's growing kirtan audiences are aware and embraces many strands and practices Edwin F Bryant focuses on one famous and important school of bhakti and explores it in depth to show what bhakti is and how it is expressed And he supplies his own renderings of central texts from that tradition in the form of tales and teachings from an important work called the Bhagavata Purana or The Beautiful Legend of God This clarifying work establishes a baseline for understanding and will be welcomed by all serious students of the spiritual heritage of India *Narada Bhakti Sutras* Sri Sri Ravishankar, 2019-03-04 The Narada Bhakti Sutra IAST N rada Bhakti S tra is a well known sutra venerated within the traditions of Hinduism purportedly spoken by the famous sage Narada The text details the process of devotion Bhakti or Bhakti yoga and is thus of particular importance to many of the Bhakti movements within Hinduism It has received particular attention among the Vaishnava traditions Sanskrit scriptures often appear in variant editions which may show differences in organization and verse numbering For example in the translation by Swami Prabhavananda there are eighty four verses arranged in nine chapters 1 whereas in the Bhaktivedanta Book Trust translation by A C Bhaktivedanta Swami Prabhupada and his disciple Satsvarupa dasa the eighty four verses are organised into five chapters **Dharma, the Way of Transcendence** A. C. Bhaktivedanta Swami Prabhupada, 2022-02-08 The word dharma originally from the Sanskrit refers to the inherent unchanging nature of something sugar's dharma is to be sweet water's dharma is to be wet and fire's dharma is to emit heat and light Dharma also refers to our natural duty We humans have ordinary dharma and an ultimate dharma that relates to who we are at soul level That dharma requires that we ask existential questions and then seek ultimate answers questions such as Who am I Why am I here and What is my ultimate purpose Dharma the Way of Transcendence is a compilation of lectures on human dharma given by His Divine Grace A C Bhaktivedanta Swami Prabhupada in 1972 as he toured India Here he teaches that the dharma of all humans and every other living embodied soul is service No one can exist for a moment without serving someone or something else even if it's only the mind and senses So the question is whom or what can we serve if we want to be truest to ourselves **Secrets of Bhakti: As Narrated by Sage Narad** Taoshobuddha, 2009 Book CD A rejuvenating classic that creates ripples deep within May the ripples that this classic creates within you continue to linger in your being forever like the dissolving notes of a sweet melody An Enlightened Taoshobuddha overflows Bhakti is the Union of Formless to Formless bhakti nirakar se nirakar ka milan hai With mastery of language and phonics clarity of thought and the understanding of the subject matter Taoshobuddha overflows the inner secrets of Bhakti as revealed by Sage Narad The entire classic is the poetry of the being Sing and dance your way to being along this voyage with Taoshobuddha as he unravels these Secrets of Bhakti The entire overflow is like a pristine elixir gushing from the being of the master Taoshobuddha towards you Drink it to your heart's content Life will attain a new meaning
