Manga/Romance

The scandal surrounding the Flamer's alleged love child has left Jack out in the cold romantically. Nora's journalistic ambition has nearly cost him his job, but he's not sure that any of that matters when his heart is in such dire straits. For her part, Nora seems to have picked up and moved on, working with the Fader to get to the bottom of the superhero sex scandal she broke — and which may very well be a fake. Little does she know that Jack's cat, the furball also known as the Future Feline, is dogging her, suspicious of the girl's true motives. It's a complicated world when flying crimefighters patrol your skies...but an old romantic like Andi Watson is ready to tackle these super affairs of the heart with the usual wry wit and skillful brush strokes that earned him an Eisner nomination.

Christian life that's built not on certainty but on the risk of love. A biblically based Christian life is not grounded in having all the answers but in a living relationship. This ultimately shifts our focus from collecting the right answers to loving others deeply and authentically. With stories and insights drawn from his years as a pastor, professor, and podcast host, Jared Byas calls us back to the heart of the Bible: that truth is only true when it's lived out in love. In a refreshing voice that's both witty and profoundly revelatory, Jared unpacks the concept of truth, its meaning, and why we so often fight over it. He makes a compelling case for how what we believe is less important than how we believe it, and that more than anything else, telling the truth in love is about following Jesus. For anyone who has ever felt forced to choose between truth and love, acceptance and rightness, this book offers a path forward beyond truth wars and legalistic religion to a love that matters more. [Searching for Harmony](#) Kelly Elliott, 2016-07-12

From New York Times bestselling author Kelly Elliott comes the gut-wrenching story of a love that transcends all odds and transforms the deepest pain into the brightest hope. Firefighter and first responder Preston Ward thought he had grown immune to the job's emotional burns. But when he goes out on a particularly tragic call, he realizes that some scenes are too devastating to forget. And yet, if it weren't for that terrible night, he never would have met the woman who makes him want to risk his heart. More than once, Harmony Banks has watched her perfectly ordered world torn apart by fate. Now she's finding out that what she lost wasn't as perfect as she thought, and it's tearing her apart. The only thing that keeps her going is the kindness of a stranger: the firefighter who saved her life the night everything changed. Preston isn't like the men who have come before. For one thing, he's far more genuine. And the love Harmony feels growing between them is almost too intense for her wounded soul. But if she and Preston can push past heartbreak, they'll find that something incredible awaits in each other's arms.
