**Mystically Wired** Ken Wilson, 2012-07-23 We are designed to make connections to God through prayer in more ways than we can imagine Prayer can be so much more than a simple conversation It can be a wordless connection with God a step beyond the boundary of the separated self It can be a way to listen to the silence And it can be learned We can learn how to pray in ways we never thought possible It doesn t take more effort it takes more understanding Wilson s book shows how the brain is designed by God To calm itself To relax into love To become increasingly aware of how connected everything is in God To experience a deeper intimacy with our Creator Prayer

is something that our brains want to do with a little help Ken Wilson tells us how Praise for Mystically Wired Smart savvy candid credible unafraid self effacing and shot through with passionate love of Jesus yes hands down this is the best book on prayer that I have ever read Phyllis Tickle Compiler The Words of Jesus A Gospel of the Sayings of Our Lord I confess I don't normally like books on prayer but Mystically Wired is a big exception While this book is incredibly practical I was routinely blown away by the intuitive genius of Ken's view and application of prayer Page after page thinking I knew what was next I was surprised with fresh insight and unique perspectives on connecting with God Being an evangelist I was excited to realize I could also send this to spiritual friends who don't follow Jesus as a way to introduce him R York Moore National Evangelist InterVarsity Christian Fellowship USA It began the day Jesus disciples came to him and asked Lord teach us to pray Ever since Christ followers have been wanting to learn the ways of prayer Ken Wilson's Mystically Wired is an extraordinary contribution to that learning tradition It's a wonderful read that leaves you feeling Yes this is for me Yes I can do this Yes it's within reach Brian McLaren Author Speaker Activist I wandered away from religion because religion thought it had all the answers Pastor Ken Wilson though understands that life and faith are really about having the right questions If you want to pray for favors put this book down now If you want the answers the help here is only partial But if you're looking for a wide ranging inquiry and a path that can bring you closer to the mystery without the mumbo jumbo delve within Carl Safina Author Song for the Blue Ocean and The View From Lazy Point Mystically Wired was a breath of fresh apologetic air for me I pray and I experience God and I find fixed hour prayer deeply meaningful but this book shows that God made us to do such things and our brain is wired to communicate with God Scot McKnight Karl A Olsson Professor in Religious Studies North Park University In my library there are scores of books on prayer by legends and modern guides as well It is not easy to make a genuine contribution to this body of literature But Ken Wilson has done so Mystically Wired manages to bring together the best of the sciences and philosophies of mind brain and consciousness with deep spirituality and candid personal reflection While it will happily fit my on my shelf it fits best in a heart yearning to pray Todd Hunter Anglican Bishop

**Friends in Low Places** Habib Ibrahim MD,2011-07-08 The Muslim world is clamoring for democracy in Tunisia Egypt Libya and elsewhere The Christian world is clamoring for moderate Muslims to denounce the actions of the fundamentalists Through the message communicated in Friends in Low Places Dr Ibrahim seeks to bridge the gap between people with competing beliefs The journey started in the Bronx where Dr Ibrahim opened an HIV clinic and where mere survival causes the rubber of one's belief to meet the road of a harsh life The greatest human accomplishment is that of a reconciled relationship through the gift of love But God's unconditional love creates the most sublime relationship because it lasts forever and is never wanting nor can it be lost Dr Habib Ibrahim's clinic is a dangerous place but it is also a loving place where the grace of God shines After having had a dream in which Jesus motioned with his hands saying Bring them to me and I will heal them Dr Ibrahim had a new passion to bring God's love and healing to the Bronx Dr Ibrahim and his wife became partners in a clinic

where Jesus Christ serves as The Master Physician Narrating the spiritual journey during the last fifteen years of Ibrahim's life Friends in Low Places provides a humorous and sometimes poignant look at how Ibrahim seeks to fashion a human spirit that reflects the Holy Spirit of God Only God loves us perfectly and as we thirst for Him He thirsts for us as told by an old Sufi Muslim saying Oh you who are thirsty for the tea do not realize that the tea is also thirsty for you From age thirty five to fifty this memoir offers an eclectic representation of what Ibrahim has learned It includes quips from his Bronx patients which are often colored with deep meaning and testimonies of life told through poems essays his Bronx patients lives and the lives of Christian Muslim and Jewish friends This book contains the account of three Muslims one gangster one crack addict and one Orthodox Jew all whom found the love of Jesus There is even a story of a soldier from Afghanistan who drove a tank during the Russian occupation this man was overwhelmed by the words spoken by Jesus encouraging us to love our enemies We Americans are the next superpower in Afghanistan but I wonder what weapon Jesus would use to win the hearts of the citizens there Would he use a tomahawk missile a drone plane or would He use his old standard weapon the wooden cross Dr Ibrahim says I was once a Muslim from Pakistan but after 9 11 I am also a Christian from Manhattan Island I pray that God will invert the original purpose of this satanic terrorist attack and as such God will bring more people to become seekers of His love When times are good we Americans think that our success is because of our own wisdom and might Persecution from fundamentalist Muslims reminds us that we are still vulnerable and need to turn to God for protection and answers Furthermore we need to pray for those who persecute us just as Jesus prayed for his tormentors when He was on the cross Despite 9 11 if we are motivated to pray and practice fasting Americans can regain their spiritual center of gravity and many more Muslims can encounter the precious love of Jesus Christ Chapter 8 East meets West **Joy** Osho,2004-03-18 The Insights for a New Way of Living series aims to shine light on beliefs and attitudes that prevent individuals from being their true selves With an artful mix of compassion and humor Osho encourages his audience to confront what they would most like to avoid which in turns provides the key to true insight and power In Joy The Happiness That Comes From Within the seventh book in this series Osho posits that to be joyful is the basic nature of life Joy is the spiritual dimension of happiness in which one begins to understand one's intrinsic value and place in the universe Accepting joy is a decision to go with the flow to be grateful to be alive and for all the challenges and opportunities in life rather than setting conditions or demands for happiness Joy is a wondrous investigation into the source and importance of joyfulness in our lives *Tantra* Osho,2017-06-06 ALL TIME BESTSELLER Join one of the most influential spiritual teachers of our time as he explores the mystical wisdom of the Tantra Tantra is freedom freedom from all mind constructs from all mind games freedom from all structures freedom from the other Tantra is space to be Osho The tradition of Tantra or Tantric Buddhism is known to have existed in India as early as the 5th century AD In this all time bestseller using the contemporary idiom and his own unique blend of wisdom and humor Osho talks about the mystical insights found in the ancient Tantric writings He also explores
