two people in a mixed marriage fighting to stay together corrects popular misconceptions about transgender and transsexual living and makes a suggestion I've been in this since the 1970s I've lived the life and I've helped others Inspired by Kenji Yoshino *Covering The Hidden Assault on Our Civil Rights* 2006 I'm concerned about the current direction of the transgender paradigm It's still hiding key stigmata I know where the bodies are buried I've done it myself I tried to keep my sexuality away from other people's concern but there is no such thing as actual stealth living People knew I wouldn't discuss it and my husband and I caught hell for years Now I see most transgender people doing the same thing in another way unwittingly enabling prejudice and opposition they don't handle any better than I did It's not the fact they're transgender they're hiding but what they really need or desire The transgender movement is winning access to places most don't even want to go where disrobing is required If they can't say it they can't show it So they don't go marginalizing themselves into a less than equal integration furthering lack of awareness preventing equal employment and where it's discovered during sex possibly even incurring surprise violence or murder Trans people can never fully integrate into society if we're embarrassed to embrace ourselves Leaders of the social movement cannot advocate for something they downplay They need to bring these issues to the fore not leave them to serve as doubt and denial not relegate them to the periphery or treat questions as offensive Rhetoric must be as clear in media as it would be in locker rooms so that those who are interested may more fully integrate I've waited 20 years for leaders to do so Most of them don't so I did herein *Shadow Life* is explicit *The Shadow in the Sun* Michael Shapiro, 1990 Tracing South Korea's meteoric rise to powerful status in Asia this study describes the historic political and economic changes occurring in the small divided Asian nation *Between Shadow and Sun* MS Tina Madison White, 2015-09-11 WHAT HAPPENS WHEN A MAN'S SEARCH FOR IDENTITY GOES HEAD TO HEAD WITH A WOMAN'S LOVE Tom had carved out a successful career helping companies transform He loved big change He also loved being a husband and father His wife Mary called him her knight in shining armor But Tom struggled with a secret was he a man or a woman He had agonized over this question for most of his life God help me let it be anything but this *Between Shadow and Sun* chronicles Tina White's fifty year journey to womanhood her efforts to make sense of life as a man her awkward first steps into the world as a woman her struggle to honor and love her family and to hold onto her career The book also describes the efforts by Tina's family especially her wife Mary to make sense of it all Mary was disconsolate over the loss of her husband Would she embrace the woman who had taken him away from her An intimate look at one person's struggle to make sense of gender and a couple's attempts to make sense of love **XXXIII Love Sonnets** Florence Brooks, 1908
