Love In The Gospels:

Love Like Jesus: How Jesus Loved People (and how you can love like Jesus) Kurt Bennett, 2020-02-11 Based on Kurt Bennett's popularish blog God Running Love Like Jesus begins with the story of how after a life of regular church attendance and Bible study Bennett was challenged by a pastor to study Jesus That led to an obsessive seven year deep dive After pouring over Jesus every interaction with another human being he realized he was doing a much better job of studying Jesus words than he was following Jesus words and example The honest and fearless revelations of Bennett's own moral failures affirm he wrote this book for himself as much as for others Love Like Jesus examines a variety of stories examples and research including Specific examples of how Jesus communicated God's love to others How Jesus demonstrated all five of Gary Chapman's love languages and how you can too The story of how Billy Graham extended Christ's extraordinary love and grace toward a man who misrepresented Jesus to millions How to respond to critics the way Jesus did How to love unlovable people the way Jesus did How to survive a life of loving like Jesus or how not to become a Christian doormat How Jesus didn't love everyone the same and why you shouldn't either How Jesus guarded his heart by taking care of himself he even napped and why you should do the same How Jesus loved his betrayer Judas even to the very end With genuine unfiltered honesty Love Like Jesus shows you how to live a life according to God's definition of success A life of loving God well and loving the people around you well too A life of loving like Jesus 'Love Your Enemies' John Piper, 1979 Love in the Gospel of John, 2021-01-19 An internationally respected scholar offers a thorough exploration of a theme that holds a central place in John's Gospel and the life of the Christian church **Holy Bible (NIV)** Various Authors, 2008-09-02 The NIV is the world's best selling modern translation with over 150 million copies in print since its first full publication in 1978 This highly accurate and smooth reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation **Pluriform Love** Thomas Jay Oord, 2022-02-25 A masterpiece from the preeminent theologian of love A strong case can be made that love is the core of Christian faith And yet Christians often fail to give love center stage in biblical studies and theology And most fail to explain what they mean by love Why is this Thomas Jay Oord explores this question and offers ground breaking answers Oord addresses leading Christian thinkers today and of yesteryear He explains biblical forms of love such as agape philia hesed and ahavah We should understand love's meaning as uniform he says but its expressions are pluriform Widely regarded as the world's foremost theologian of love Thomas Jay Oord tackles our biggest puzzles about the nature and meaning of love divine and creaturely His proposals are novel They align with love described in scripture and expressed in everyday experience Oord also provides radical and yet persuasive answers to questions about evil hell the Big Bang divine violence divine abandonment and more Pluriform Love changes the landscape of Christian love studies What they're saying Thomas Jay Oord is the first to systematically clarify a variety of types of love and show that all are characteristic of God This is an original contribution to theology Though a complex task Oord writes in an accessible and

attractive way John B Cobb Jr Cobb Institute Author of *Salvation Jesus's Mission and Ours* Christian theology in the years to come will need a facelift a true restoration of the biblical witness to the centrality of God's love If we wish to help make the faith truly relatable to our world today Oord's clear compassionate and compelling voice is one we will be thankful for Peter Enns Eastern University and Co host of *The Bible for Normal People* Thomas Jay Oord adds to his proposals on open and relational theology developing a theology of love which is both uniform in meaning and pluriform according to situation and recipients The volume is indispensable for those researching the nature of love Paul Fiddes University of Oxford The glowing multiform forcefield of love embraces every sentence of *Pluriform Love* Free of sentimentality and pretense refusing to pit eros and agape against each other it unfolds a full scale theology This amorous vision will attract a wide readership Catherine Keller Drew University Author of *Facing Apocalypse* Thomas Oord is a global leader exploring the primacy of love within Christian thought and practice In this book he presents a theology of love in a loving way When he grapples with the Scriptures he shows an attitude of fairness His writing style combines scholarly depth with accessible simplicity In the end Oord makes a radical claim much of traditional Christian theology cannot take love as seriously as it must Love must revolutionize Christian theology and Oord explains how Brian D McLaren Author of *Do I Stay Christian* This is a rigorous provocative creative and very readable account of the meaning of love especially divine love It's a very important contribution to theological thought on this central topic Keith Ward University of Oxford

The Pleasures of God John Piper, 2000-06-26 The author of *Desiring God* reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him Includes a study guide for individual and small group use Isn't it true we really don't know someone until we understand what makes that person happy And so it is with God What does bring delight to the happiest Being in the universe John Piper writes that it's only when we know what makes God glad that we'll know the greatness of His glory Therefore we must comprehend the pleasures of God Unlike so much of what is written today this is not a book about us It is about the One we were made for God Himself In this theological masterpiece chosen by *World Magazine* as one of the 20th Century's top 100 books John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him Then we will be able to drink deeply and satisfyingly from the only well that offers living water What followers of Jesus need now more than anything else is to know and love behold and embrace the great glorious sovereign happy God of the Bible This is a unique and precious book that everybody should read more than once J I PACKER Regent College Vancouver British Columbia

Humble Calvinism J. A. Medders, 2019-03 Understanding Calvinism in our hearts as well as in our heads

The Real Heaven Chip Ingram, Lance Witt, 2016-02-23 Heaven has received a lot of attention in recent years as bestselling books and movies have told the stories of people who claim to have been there But what does the Bible actually say about heaven What difference does it make What happens the moment after we die What will our relationships be like in heaven Chip Ingram sets aside the hype and myths and digs into the Scriptures to discover what God actually

wants us to know about the hereafter Most importantly Ingram shows why our understanding of heaven matters now in this life Because what we believe about heaven actually affects us today in ways we may not have imagined **Faith. Hope. Love.** Mark Jones,2017-10-13 So now faith hope and love abide these three but the greatest of these is love 1 Corinthians 13 13 Faith hope and love we hear a lot about each on their own but how are they related Why is this triad mentioned so often in the New Testament Written in the form of fifty eight questions and answers this book reveals how these three theological virtues also referred to as three divine sisters together serve as the foundation for our whole Christian life Deeply scriptural steeped in key theological texts and modeled after the classic catechisms of church history this book will instruct our minds stir our hearts and motivate us to faith filled obedience **Charity and Its Fruits** Jonathan Edwards,1852 *Listening to Young Atheists* Larry Taunton,2014 The Difficult Doctrine of the Love of God D. A. Carson,2010-01-01 *Testaments of Love* Leon Morris,1981-07-01 Leon Morris with his usual breadth and precision has given us another of his thorough biblical studies this time on the theme of love human and divine Concise yet complete studded with a galaxy of fine quotations written in sprightly style this book leads us through most everything important the Bible tells us about the wonder and power of love Lewis Smedes Fuller Theological Seminary With his usual vigorous scholarship and careful attention to the text Leon Morris here presents a highly rewarding study of the biblical idea of love as set forth in both testaments He provides an invaluable guide for the student who would explore this central theme of the Bible and a vast repertoire for the minister seeking to instruct his congregation in the nature of divine and human love Kenneth Kantzer Former Editor Christianity Today There are few concepts more frequently misunderstood than the Biblical concept of love Dr Morris s work is the most comprehensive and lucid treatment of this concept I ve ever seen It is a must for our times R C Sproul is chairman and founder of Ligonier Ministries *Living in Love and Faith* The Church of England,2020-11-09 Issues of gender and sexuality are intrinsic to people s experience their sense of identity their lives and the loving relationships that shape and sustain them The life and mission of the Church of England and of the worldwide Anglican Communion are affected by the deep and sometimes painful disagreements about these matters divisions brought into sharper focus because of society s changing perspectives and practices especially in relation to LGBTBI people *Living in Love and Faith* sets out to inspire people to think more deeply both about what it means to be human and to live in love and faith with one another It tackles the tough questions and the divisions among Christians about what it means to be holy in a society in which understandings and practices of gender sexuality and marriage continue to change Commissioned and led by the Bishops of the Church of England the *Living in Love and Faith* project has involved many people across the Church and beyond bringing together a great diversity and depth of expertise conviction and experience to explore these matters by studying what the Bible theology history and the social and biological sciences have to say After a Foreword from the Archbishops of Canterbury and York the book opens with an invitation from the Bishops of the Church of England to embark on a learning journey in five parts Part

One sets current questions about human identity sexuality relationships and marriage in the context of God's gift of life Part Two takes a careful and dispassionate look at what is happening in the world with regard to identity sexuality relationships and marriage Part Three explores current Christian thinking and discussions about human identity sexuality and marriage In the light of the good news of Jesus Christ how do Christians understand and respond to the trends observed in Part Two Part Four considers what it means for us as individuals and as a church to be Christ like when it comes to matters of identity sexuality relationships and marriage Part Five invites the reader into a conversation between some of the people who have been involved in writing this book who having engaged with and written Parts One to Four nevertheless come to different conclusions Amid the biblical theological historical and scientific exploration each part includes Encounters with real contemporary disciples of Christ whose stories raise questions which ask us to discern where God is active in human lives The book ends with an appeal from the Bishops to join them in a period of discernment and decision making following the publication of *Living in Love and Faith* The *Living in Love and Faith* book is accompanied by a range of free digital resources including films podcasts and an online library together with *Living in Love and Faith The Course* a 5 session course which is designed to help local groups engage with the resources also published by Church House Publishing *I Love Jesus & I Accept Evolution* Denis O. Lamoureux, 2009-03-04 In this thought provoking book born again Christian Denis O Lamoureux argues that the God of the Bible created the universe and life through evolution an ordained sustained and design reflecting natural process In other words evolution is not the result of blind chance and our creation is not a mistake Lamoureux challenges the popular assumption that God disclosed scientific facts in the opening chapters of Scripture thousands of years before their discovery by modern science He contends that in the same way the Lord meets us wherever we happen to be in our lives the Holy Spirit came down to the level of the inspired biblical writers and used their ancient understanding of origins in order to reveal inerrant life changing Messages of Faith Lamoureux also shares his personal story and struggle in coming to terms with evolution and Christianity **What Jesus Demands from the World** John Piper, 2011-01-11 Looks at the Gospels and examines what Christ requires of his followers in a redemptive historical context New and seasoned believers will see God's loving plan for their ultimate satisfaction *I Love Jesus, But I Want to Die* Sarah J. Does Jesus Really Love Me? Jeff Chu, 2013-03-26 Does Jesus Really Love Me A Gay Christian's Pilgrimage in Search of God in America is part memoir and part investigative analysis that explores the explosive and confusing intersection of faith politics and sexuality in Christian America The quest to find an answer is at the heart of Does Jesus Really Love Me a personal journey of belief an investigation and a portrait of a faith and a nation at odds by award winning reporter Jeff Chu From Brooklyn to Nashville to California from Westboro Baptist Church and their God Hates Fags protest signs to the pioneering Episcopalian bishop Mary Glasspool who proclaims a message of liberation and divine love Chu captures spiritual snapshots of Christian America at a remarkable moment when tensions between both sides in the culture wars have rarely been higher Funny and heartbreaking perplexing and wise Does Jesus Really Love Me is an intellectual emotional and spiritual pilgrimage that reveals a nation in crisis

My Jesus Loves Gays Robert Williams, 2019-07-30 Ask any LGBTQ person where they feel most uncomfortable most judged and least loved they invariably say that it is at church and around religious people As the pastor of a church Robert Williams is heartbroken by that reality Jesus would not reject judge and condemn LGBTQ people He loves them and expects his followers to do the same It was Jesus after all who said Let any one of you who is without sin be the first to throw a stone It was Jesus who touched the outcasts and welcomed all varieties of sinners to join him at his table It was Jesus who leveled the playing field by calling all people to repentance teaching that no one is a greater or worse sinner than others and that no sinner is beyond his mercy By examining the gospels and considering the narrative story of the Bible a clear picture of how Jesus responds to LGBTQ people emerges It is a picture of loving embrace Jesus loves everyone and LGBTQ people are no exception If Jesus loves gay people then those who follow him should do not less
