Love In The Western World:

Love in the Western World Denis De Rougemont, 1983-08-21 In this classic work often described as *The History of the Rise Decline and Fall of the Love Affair* Denis de Rougemont explores the psychology of love from the legend of Tristan and Isolde to Hollywood At the heart of his ever relevant inquiry is the inescapable conflict in the West between marriage and passion the first associated with social and religious responsibility and the second with anarchic unappeasable love as celebrated by the troubadours of medieval Provence These early poets according to de Rougemont spoke the words of an Eros centered theology and it was through this heresy that a European vocabulary of mysticism flourished and that Western literature took on a new direction Bringing together historical religious philosophical and cultural dimensions the author traces the evolution of Western romantic love from its literary beginnings as an awe inspiring secret to its commercialization in the cinema He seeks to restore the myth of love to its original integrity and concludes with a philosophical perspective on modern marriage

Art of the Western World Bruce Cole, Adelheid M. Gealt, 1991-12-15 With fresh insight into what the great works meant when they were created and why they appeal to us now here is a vivid tour of painting sculpture and architecture past and present Illuminating a notable accomplishment *The New York Times Illustrated*

What I Think Happened Evany Rosen, 2017-10-16 A book of comedic personal essays about the history of the western world a femmoir in which the author reconfigures famous and infamous historical events and personalities from her perspective as a feminist a comedian and a failed academic Sly self effacing and wickedly funny these essays offer a bright new take on learning about history

A Philosophical History of Love Wayne Cristaudo, 2017-07-28 A Philosophical History of Love explores the importance and development of love in the Western world Wayne Cristaudo argues that love is a materializing force a force consisting of various distinctive qualities or spirits He argues that we cannot understand Western civilization unless we realize that within its philosophical and religious heritage there is a deep and profound recognition of love s creative and redemptive power Cristaudo explores philosophical love the love of wisdom and the love of God and

neighbor The history of the West is equally a history of phantasmic versions of love and the thwarting of love Thus the history of our hells may be seen as the history of love s distortions and the repeated pseudo victories of our preferences for the phantasms of love Cristaudo argues that the catastrophes from our phantasmic loves threaten to extinguish us forcing us repeatedly to open ourselves to new possibilities of love to new spirits Fusing philosophy literature theology psychology and anthropology the volume reviews major thinkers in the field from Plato and Freud to Pierce Shakespeare and Flaubert Cristaudo explores the major themes of love of the Church romantic love and the return of the feminine the conflict between familial and romantic love love in a meaningless world and the love of evil and the evolutionary idea of love With Cristaudo the reader embarks on a journey not just through time but also through the different kinds origins and spirits of love **The Great Ideas** Mortimer Jerome Adler,1999 Previously published New York Macmillan 1992 **The Book That Made Your World** Vishal Mangalwadi,2012 Indian philosopher Vishal Mangalwadi reveals the personal motivation that fueled his own study of the Bible and systematically illustrates how its precepts became the framework for societal structure throughout the last millennium From politics and science to academia and technology the Bible s sacred copy became the key that unlocked the Western mind *Love in the Western World* Denis de Rougemont (écrivain).),1956 **John Calvin, His Influence in the Western World** William Stanford Reid,1982 **The Playboy of the Western World** J. M. Synge,2022-09-16 J M Synge s The Playboy of the Western World is a compelling play set in rural Ireland that explores themes of identity rebellion and the power of storytelling Written in 1907 it caused controversy due to its portrayal of Irish characters questioning traditional values The dialogue is filled with humor wit and poignant moments making it a classic of Irish literature Synge s use of regional dialect and vivid descriptions of the landscape create a sense of place that immerses the reader in the world of the play James Matthew Synge known for his contributions to the Irish Literary Revival drew inspiration from his travels throughout Ireland and his interactions with the local people His keen observations of Irish society and culture inform the rich characterization and authentic dialogue in The Playboy of the Western World Synge s deep connection to the Irish landscape and its people shines through in this thought provoking play I highly recommend The Playboy of the Western World to readers interested in exploring Irish literature the Irish Literary Revival or anyone looking for a thought provoking play that challenges societal norms and traditions Passion of the Western Mind Richard Tarnas,2011-10-19 This magnificent critical survey with its inherent respect for both the Westt s mainstream high culture and the radically changing world of the 1990s offers a new breakthrough for lay and scholarly readers alike Allows readers to grasp the big picture of Western culture for the first time SAN FRANCISCO CHRONICLE Here are the great minds of Western civilization and their pivotal ideas from Plato to Hegel from Augustine to Nietzsche from Copernicus to Freud Richard Tarnas performs the near miracle of describing profound philosophical concepts simply but without simplifying them Ten years in the making and already hailed as a classic THE PASSION OF THE WESERN MIND is truly a complete liberal education in a single volume

Philosophy of Love Irving Singer, 2011-01-07 The author of the classic philosophical treatment of love reflects on the trajectory over decades of his thoughts on love and other topics In 1984 Irving Singer published the first volume of what would become a classic and much acclaimed trilogy on love Trained as an analytical philosopher Singer first approached his subject with the tools of current philosophical methodology Dissatisfied by the initial results finding the chapters he had written just dreary and unproductive of anything he turned to the history of ideas in philosophy and the arts for inspiration He discovered an immensity of speculation and artistic practice that reached wholly beyond the parameters he had been trained to consider truly philosophical In his three volume work *The Nature of Love* Singer tried to make sense of this historical progression within a framework that reflected his precise distinction making and analytical background In this new book he maps the trajectory of his thinking on love It is a partial summing up of a lifework partial because it expresses the author's still unfolding views because it is a recapitulation of many published pages because love like any subject of that magnitude resists a neatly comprehensive all inclusive formulation Adopting an informal even conversational tone Singer discusses among other topics the history of romantic love the Platonic ideal courtly and nineteenth century Romantic love the nature of passion the concept of merging and his critique of it ideas about love in Freud Schopenhauer Nietzsche Dewey Santayana Sartre and other writers and love in relation to democracy existentialism creativity and the possible future of scientific investigation Singer's writing on love embodies what he has learned as a contemporary philosopher studying other authors in the field and trying to get a little further This book continues his trailblazing explorations

Utopian Thought in the Western World Frank Edward MANUEL, Fritz Prigoghy Manuel, Frank Edward Manuel, 2009-06-30 The authors have structured five centuries of utopian invention by identifying successive constellations groups of thinkers joined by common social and moral concerns Within this framework they analyze individual writings in the context of the author's life and of the socio economic religious and political exigencies of his time

The Decline of the West Oswald Spengler, Arthur Helps, Charles Francis Atkinson, 1991 Spengler's work describes how we have entered into a centuries long world historical phase comparable to late antiquity and his controversial ideas spark debate over the meaning of historiography

Love Simon May, 2019-03-12 What is love's real aim Why is it so ruthlessly selective in its choice of loved ones Why do we love at all In addressing these questions Simon May develops a radically new understanding of love as the emotion we feel towards whomever or whatever we experience as grounding our life as offering us a possibility of home in a world that we supremely value He sees love as motivated by a promise of ontological rootedness rather than as two thousand years of tradition variously asserts by beauty or goodness by a search for wholeness by virtue by sexual or reproductive desire by compassion or altruism or empathy or in one of today's dominant views by no qualities at all of the loved one After arguing that such founding Western myths as the Odyssey and Abraham's call by God to Canaan in the Bible powerfully exemplify his new conception of love May goes on to re-examine the relation of love to beauty sex and goodness in the light of this conception

offering among other things a novel theory of beauty and suggesting against Plato that we can love others for their ugliness while also seeing them as beautiful Finally he proposes that in the Western world romantic love is gradually giving way to parental love as the most valued form of love namely the love without which one's life is not deemed complete or truly flourishing May explains why childhood has become sacred and excellence in parenting a paramount ideal as well as a litmus test of society's moral health In doing so he argues that the child is the first genuinely modern supreme object of love the first to fully reflect what Nietzsche called the death of God *The Harvard Classics* Charles William Eliot, 1909 Love Simon May, 2011-07-19 Traces the history of love and how it developed from its Hebraic and Greek origins to an ideal that obsesses the modern Western world and highlights philosophers that have challenged conventional thoughts on love and happiness *The Radicality of Love* Srećko Horvat, 2016-01-11 What would happen if we could stroll through the revolutionary history of the 20th century and without any fear of the possible responses ask the main protagonists from Lenin to Che Guevara from Alexandra Kollontai to Ulrike Meinhof seemingly naive questions about love Although all important political and social changes of the 20th century included heated debates on the role of love it seems that in the 21st century of new technologies of the self Grindr Tinder online dating etc we are faced with a hyperinflation of sex not love By going back to the sexual revolution of the October Revolution and its subsequent repression to Che's dilemma between love and revolutionary commitment and to the period of 68 from communes to terrorism and its commodification in late capitalism the Croatian philosopher Srećko Horvat gives a possible answer to the question of why it is that the most radical revolutionaries like Lenin or Che were scared of the radicality of love What is so radical about a seemingly conservative notion of love and why is it anything but conservative This short book is a modest contribution to the current upheavals around the world from Tahrir to Taksim from Occupy Wall Street to Hong Kong from Athens to Sarajevo in which the question of love is curiously surprisingly absent **The Making of Romantic Love** William M. Reddy, 2012-07-09 In the twelfth century the Catholic Church attempted a thoroughgoing reform of marriage and sexual behavior aimed at eradicating sexual desire from Christian lives Seeking a refuge from the very serious condemnations of the Church and relying on a courtly culture that was already preoccupied with honor and secrecy European poets romance writers and lovers devised a vision of love as something quite different from desire Romantic love was thus born as a movement of covert resistance In *The Making of Romantic Love* Longing and Sexuality in Europe South Asia and Japan William M Reddy illuminates the birth of a cultural movement that managed to regulate selfish desire and render it innocent or innocent enough Reddy strikes out from this historical moment on an international exploration of love contrasting the medieval development of romantic love in Europe with contemporaneous eastern traditions in Bengal and Orissa and in Heian Japan from 900 1200 CE where one finds no trace of an opposition between love and desire In this comparative framework Reddy tells an appealing tale about the rise and fall of various practices of longing underscoring the uniqueness of the European concept of sexual desire **Love in Colour** Bolu
