Extravagant Love Carole Engle Avriett, 2023-04-11 Have you ever been loved with skimpy love Or has your love for someone else seemed to shrivel Enter the world of God's extravagant love It is beyond measure Careful study of God's Word along with delving into ancient customs and symbols from Biblical times helps us understand His passionate love for all He has created Sometimes extravagance is found in the simple things of daily life We usually think of extravagance as spending excessively on material goods So to use that term for an itinerant teacher who had only one change of clothes and depended on others for food and a place to lay His head seems a stretch Yet Jesus was the most extravagant person who ever lived To understand that we have to revise our notion of extravagance focusing on intangible qualities like thoughtfulness caring and humility In this remarkably imaginative book Carole Engle Avriett guides you through the agriculture diet and commerce of Jesus's culture to shed new light on God's nature Reading it you will gain a deeper understanding of God's love a love of astonishing extravagance Catalog of Copyright Entries Library of Congress. between continuity and change On what grounds and under what circumstances do human beings have the authority to interpret or even change God's laws Dorff also offers a systematic comparison of Jewish law and U S law based on his course on this subject at UCLA School of Law Whether you are a lawyer or simply interested in the philosophy behind recent rabbinic decisions this is a book that will deepen your understanding of the Jewish legal system and its role in the modern world     *The Journal of American Folklore* ,1906
